Ally Who Came In From The Cold:

The ally who came in from the cold Þór Whitehead,1998 Iceland declared perpetual neutrality in foreign affairs upon gaining sovereignty from Denmark in 1918 Intense nationalism relatively strong Communist influence and a late modernisation long distinguished the country's political and economic development This brief survey of Icelandic postwar 1946 1956 foreign policy covers Iceland's stormy passage from perpetual neutrality to involvement with international alliances **The Cegiha**

SPY WHO CAME IN FROM THE COLD JOHN LE CARRE,1965 **Soccer Diplomacy** Heather L. Dichter,2020-08-03

Although the game of soccer is known by many names around the world football f tбол Fu ball voetbal the sport is a universal language Throughout the past century governments have used soccer to further their diplomatic aims through a range of actions including boycotts carefully orchestrated displays at matches and more In turn soccer organizations have leveraged their power over membership and tournament decisions to play a role in international relations In Soccer Diplomacy an international group of experts analyzes the relationship between soccer and diplomacy Together they investigate topics such as the use of soccer as a tool of nation state based diplomacy soccer as a non state actor and the relationship between soccer and diplomatic actors in subnational national and transnational contexts They also examine the sport as a conduit for representation communication and negotiation Drawing on a wealth of historical examples the contributors demonstrate that governments must frequently address soccer as part of their diplomatic affairs They argue that this single sport more than the Olympics other regional multisport competitions or even any other sport reveals much about international relations how states attempt to influence foreign views and regional power dynamics **Contributions to North American Ethnology**
