Almanac Of Women And Minorities In American Politics:

Women in American Politics: History and Milestones Doris Weatherford, 2012-01-20 Women in American Politics is a new reference detailing the milestones and trends in women's political participation in the United States. This two volume work provides much needed perspective and background on the events and situations that have surrounded women's political activities. It offers insightful analysis on women's political achievements in the United States including such topics as the campaign to secure nation wide suffrage pioneer women state officeholders women first elected to U S Congress governorships mayoralties and other offices and women first appointed as Cabinet officials judges and ambassadors. It also includes profiles of the women who have run for vice president and president. Women in American Politics is organized in a framework both logical and useful to readers and researchers. Original material offers students scholars teachers and other professionals a guide to understanding the complex struggle in women's progress toward achieving political parity with men in the United States. Each chapter is structured in three parts: part one features graphic information tables lists charts or maps detailing the historical record with data not compiled anywhere else on women officeholders; part two offers insightful narrative analysis describing how women achieved what they did; examines the complex and sometimes contradictory trends behind the facts of women's political milestones and explores how social and economic contexts affected the progress of their accomplishments; part three presents biographical entries describing in more personal terms women's struggle for political equality. Sidebars in each chapter illuminate the drama of political life and consider the evolving female electorate exploring how women voters have impacted particular issues specific elections or other key turning points and the tradition of appointing widows to open seats. The final chapter uniquely looks at women's political history and differences in achievement from a state and regional perspective. Entries on each state as well as on District of Columbia and Puerto Rico highlight milestones and provide insight into the unique aspects of each state. *The Politics of Democratic Inclusion* Christina Wolbrecht, Rodney E. Hero, 2005 How institutions foster and hinder political participation of the underrepresented. The Almanac Of Women And Minorities In American Politics 2002 Mart Martin, 2018. Who was the first African American senator? Who was the first woman to cast a vote in the New World? Have any gays or lesbians held state-wide office? Was 2000 a good year for women and minority office seekers? The answers to these questions are here in *The Almanac of Women and Minorities in American Politics 2002*. The culmination of Mart Martin's years of diligent research, this is the first comprehensive single-volume reference to all women, African Americans, Hispanics, Asian Americans, native minorities, gays, and lesbians who have served in state or national elected positions, with additional information on local elected positions. This valuable resource provides a complete, non-partisan reference on the political accomplishments of these people, as opposed to taking a biographical approach. In this volume, Mart Martin details which women and minority candidates succeeded in being elected or appointed in 2000 at the federal and state levels throughout the United States. This 2002 edition is thoroughly updated in each of the major content sections on Women, African Americans, Latinos, Asian Americans, Native Minorities, and Gay and Lesbians. Provided by publisher.

The Almanac Of Women And Minorities In World Politics Mart Martin, 2000-05-18. *The Almanac of Women and Minorities in World Politics* is a reference book that provides political and biographical details on the achievements of women and minorities in the executive, legislative, and judicial branches of every nation and most dependent territories in the world. The Executive section on a particular country might include information on that country's first woman president or its first minority prime minister, for example. It also includes information on the first female cabinet member and first female ambassador. Likewise, the Legislative section provides details on the first women and minority members of the national parliament. And the Judicial section might give data on the country's first women and minority judges. The book also features a number of shorter politically oriented biographical sketches that chronicle all the women and certain minority individuals who have influenced the political environment of their nation, either locally or internationally, both adversely and constructively, since 1900.

Cleghorn and Sarah Winnemucca the champion of rights of indigenous peoples who established Nevada's first school for Native Americans in 1884. The encyclopedia also explores the stories of early ranchers. Among them is Freda Ehmann who founded the California Ripe Olive Association where according to her grandson science and chemical exactness failed the experience and care of a skillful and conscientious housewife succeeded. Women in the American West have long thrived in the arts. This is evidenced by the work of authors such as Pulitzer Prize winner Willa Cather, Amy Tan and Linda Hasselstrom, poets such as Hildegard Flanner and journalist Molly Ivins. All are profiled in this comprehensive work. The arts are used to address both aesthetic and serious societal issues such as Maxine Hong Kingston's *The Woman Warrior*, the story of a woman's struggle with identity as a minority in American culture. Academics will appreciate a study of Ruth Underhill's *Autobiography of a Papago Woman* which deals with the role of feminist ideology in changing the discipline of anthropology during the first part of the twentieth century. Women in the American West have also achieved many firsts such as Utah's Ivy Baker Priest, the first woman to hold the office of Treasurer of the United States and Georgia Bullock, the first woman judge in the State of California. *The Many Roles of Women in the American West*. The *Encyclopedia of Women in the American West* covers nine diverse topical categories: Agriculture, Ranching, Arts and Letters, Education, Entrepreneurs, Law, Pioneers, Public Performance, Religion, Women's organizations. The West is often portrayed as a rough and tumble man's world but behind these men and often independently were women with the dreams, strength and determination to make a difference. The *Encyclopedia of Women in the American West* is a tribute to their independence, intelligence, courage, spirit, perseverance and daring. Key Features: Authoritative and in-depth articles on a wide range of salient issues in women's history. Suggested readings and interpretive materials for every entry.
