A Study of the Doctrine of Divine Omnipotence

# Almighty God A Study Of The Doctrine Of Divine Omnipotence

**Anthony C. Thiselton**

## **Almighty God A Study Of The Doctrine Of Divine Omnipotence:**

**Almighty God** Gijsbert van den Brink, 1993 Peeters 1993      **The Death of Omnipotence and Birth of Amipotence** Thomas Jay Oord, 2023-04-27 Omnipotence is dead At least it should be It has no biblical support And it dies a death of a thousand qualifications in philosophy Those harmed and hurting wonder why an omnipotent God doesn't prevent pointless pain The problem of evil buries omnipotence six feet under But the death of omnipotence is not the death of God In this ground breaking book best selling and award winning author Thomas Jay Oord explains why omnipotence should be rejected But Oord offers a replacement amipotence the power of uncontrolling love If we think love shapes and guides God's power we make better sense of life And better sense of the Bible Amipotence explains why God doesn't prevent genuine evil and overcomes other obstacles to belief An amipotent Spirit empowers all that is loving true beautiful and good No book makes a bolder but more needed argument for why God is not all powerful In this book those who care about love scripture and logic find what they've been looking for Get a copy of *The Death of Omnipotence and Birth of Amipotence* Endorsements Omnipotence has long been considered a basic non negotiable characteristic of God But is it biblical And does it push us toward theological landmines that blow up faith In this book Oord with his typical gentle candor lays out the complex issues in clear and readable chunks In the end Oord points to the beauty and comfort of a God who is uncontrolling love Peter Enns professor of biblical studies at Eastern University author of *Curveball* Thomas Jay Oord challenges one of the most fundamental attributes of God omnipotence He discloses that a narrow view of God as Almighty is neither biblical nor adequately describes the God of Jesus Christ Oord offers a new view of God as amipotent The power of God is the power of love and the power of unconditional love is our strength Oord has made an important contribution to restoring the biblical God a God who is ever faithful in love not a power over us but the power beneath our wings Ilia Delio OSF Josephine C Connelly Endowed Chair in Theology Villanova University Omnipotence is widely believed to be one of the most important attributes of God In this book Thomas Jay Oord proposes a highly original and thought provoking thesis instead of omnipotent God should be considered amipotent This is an important book which can radically change the way we approach central problems in philosophy of religion and philosophical theology Yujin Nagasawa H G Wood Professor of the Philosophy of Religion University of Birmingham Finally God's love has been saved from God's control faithfully definitively attractively In this vibrantly accessible work Thomas Jay Oord puts to rest the demoralizing incoherent and by the way nonbiblical notion of controlling omnipotence used to justify endless injustice In its stead he unleashes amipotence code for the power of love Its time has come preach it teach it live it Catherine Keller Drew Theological School and Author of *Political Theology of Love* This book provides a provocative argument that cannot be easily dismissed This is the kind of nuance that contemporary debates over models of God need to consider R T Mullins Professor of Philosophical Theology University of Lucerne Oord charts a path to theological freedom from the tyranny of an omnipotent God This book is theology at its best grounded in

scripture rooted in love and engaged with brilliant and spirit filled minds If you have found yourself rightfully unable to accept the horrifying implications of omnipotence but struggle to conceive of a God worth calling God good news This is the book for you Sarah Lane Ritchie Science Religion Scholar     Petrus van Mastricht (1630-1706) Adriaan Neele,2009-02-28 This book is a first monograph on the life and work of Petrus van Mastricht 1630 1706 Expanding the new interest in Protestant scholasticism this book portrays Mastricht as a post Reformation reformed theologian philosopher and Christian Hebraist The result provides a fresh appraisal in particular on the relationship of biblical exegesis doctrine polemic and praxis     **The God Who Risks** John Sanders,2010-07-09 If God is all knowing and all powerful can he in any way be vulnerable to his creation Can God be in control of anything at all if he is not constantly in control of everything John Sanders says yes to both of these questions In The God Who Risks he mounts a careful and challenging argument for positive answers to both of these profound theological questions In this thoroughly revised edition Sanders clarifies his position and responds to his critics His book will not only contribute to serious ongoing theological discussion but will enlighten pastors and laypersons who struggle with questions about suffering evil and human free will     **The Hermeneutics of Doctrine** Anthony C. Thiselton,2007-11-08 Throughout the book Thiselton shows how perspectives that arise from hermeneutics shed fresh light on theological method reshape horizons of understanding and reveal the relevance of doctrine for formation and for life     A Kryptic Model of the Incarnation Andrew Ter Ern Loke,2016-03-03 The Incarnation traditionally understood as the metaphysical union between true divinity and true humanity in the one person of Jesus Christ is one of the central doctrines for Christians over the centuries Nevertheless many scholars have objected that the Scriptural account of the Incarnation is incoherent Being divine seems to entail being omniscient omnipotent and omnipresent but the New Testament portrays Jesus as having human properties such as being apparently limited in knowledge power and presence It seems logically impossible that any single individual could possess such mutually exclusive sets of properties and this leads to scepticism concerning the occurrence of the Incarnation in history A Kryptic Model of the Incarnation aims to provide a critical reflection of various attempts to answer these challenges and to offer a compelling response integrating aspects from analytic philosophy of religion systematic theology and historical critical studies Loke develops a new Kryptic model of the Incarnation drawing from the Greek word Kryptis meaning hiding and proposing that in a certain sense Christ's supernatural properties were concealed during the Incarnation     Genealogy of Nihilism Conor Cunningham,2005-06-29 This text re reads Western history in the light of nihilistic logic which pervades two millennia of Western thought From Parmenides to Alain Badiou via Plotinus Avicenna Duns Scotus Ockham Descartes Spinoza Kant Hegel Heidegger Sartre Lacan Deleuze and Derrida a genealogy of nothingness can be witnessed in development with devastating consequences for the way we live     *Ontology and Providence in Creation* Mark Ian Thomas Robson,2008-10-01 Examines and rejects a particular philosophical understanding of the processes of creation ex nihilo taking into account Leibniz's originating thesis and its

development in the modern world      *A Subject Index to Current Literature* Australian Public Affairs Information Service, Critical Essays on Edward Schillebeeckx's Theology Cornelius C. Simut, 2010-02-18 This book presents the main teachings of Edward Schillebeeckx widely considered one of the most important Catholic thinkers of the twentieth century Schillebeeckx is known for his radical departure from traditional theology which he saw as no longer relevant to the modern world Because today's world has been shaped by a process of secularization heavily based on reason and progress in science technology economics urbanism etc modern people seek relevant answers to their deep existential questions that can be explained rationally In his quest to foster relevant and meaningful answers for today's world Schillebeeckx changed the traditional metaphysical content of Christian theology into explanations that radically reinterpret traditional Christian doctrines Primarily the supernatural essence of Christianity is given up as irrelevant and is replaced by a natural perspective on the world In Schillebeeckx's thoroughly historical and truly immanent theology God is man's terrestrial future Christ the symbol of universal human values and the Church is identified with the world as those communities which share these universal human values Schillebeeckx is convinced that these explanations emptied of metaphysical content can help today's people understand their existence in a new relevant and meaningful way      *Philosophische Gotteserkenntnis bei Suárez und Descartes* Aza Goudriaan, 1999-10-19 This volume deals with basic questions regarding the philosophical knowledge of God in Suárez and Descartes two very different but historically linked early modern philosophers It has two parts devoted to Suárez and Descartes respectively Each section examines the path along which philosophy can acquire knowledge of God the adequacy which is ascribed to this knowledge as well as selected topics of the doctrine of God's attributes Special attention has been given to both critical and positive reactions to Suárez and Descartes on the part of seventeenth century Dutch Reformed theologians The author argues that Descartes in comparison with Suárez reduced the theological interests of philosophy and also limited the starting points for attaining to a philosophical knowledge of God On the other hand Descartes elevated the presumed adequacy of this knowledge      *Als in Een Spiegel* Cornelis Van Der Kooi, 2005-01-01 What is meant by knowing God By sounding the work of John Calvin and Karl Barth as mirrors of reflection and experience justice is done to the tension between the premodern and postkantian situation and a stimulus is given for a contemporary position

*Scientific Theology: Nature* Alister E. McGrath, 2007-01-23 A Scientific Theology is a groundbreaking work of systematic theology in three volumes Nature Reality and Theory Now available as a three volume set      **Free Creatures of an Eternal God** Harm J. M. J. Goris, 1996 Peeters 1996      **Christianity and the Roots of Morality**, 2017-06-06 What is the role of religion especially Christianity in morality pro social behavior and altruism Are there innate human moral capacities in the human mind When and how did they appear in the history of evolution What is the real significance of Jesus teaching in the Sermon on the Mount does it set up unique moral standards or only crystallize humans innate moral intuitions What is the role of religious teachings and religious communities in pro social behavior Christianity and the Roots of Morality

Philosophical Early Christian and Empirical Perspectives casts light on these questions through interdisciplinary articles by scholars from social sciences cognitive science social psychology sociology of religion philosophy systematic theology comparative religion and biblical studies Contributors include Nancy T Ammerman Istv n Czachesz Grace Davie Jutta Jokiranta Simo Knuuttila Kristen Monroe Mika Ojakangas Sami Pihlstr m Antti Raunio Heikki R is nen Risto Saarinen Kari Syreeni Lauri Thur n Petri Ylikoski      Creation and Humanity Veli-Matti Karkkainen,2015-04-14      Evil and Providence in Maimonides'S Guide of the Perplexed Modestus Anyaegbu,2014-11-21 Maimonidess rationalist rejection and interpretation of anthropomorphism play a major part in his reading of the problem of evil and providence in the guide of the perplexed The debate has been on finding an explanation as to why the righteous suffer and the vicious prosper in a world under the providence of a divine Creator The anthropomorphic bent given to the legendary case of the biblical Job has given us the concept of God as a personal agent But confronted with the reality of his innocent suffering this image of God leaves much to be desired We shall argue that Maimonidess theory of providence as consequent upon the intellect and evil as consequent upon the absence of intellectual perfection are based on the concept of God as existence It is the absence of intellectual perfection that marks man qua animal and leaves him open to chance occurrences and evil A Promotional Write Up The present work places before us the strange position and it must be said a little bit shocking to us of the great Jewish thinker on the question of providence Only the intelligent that is to say the human beings who have effectively actualized their intellects and have come to an accomplished knowledge are considered and personally protected by the Eternal In other words the traditional piety that is usually asked of the believers by religious authorities is not sufficient This piety is still marked by illusion and does not procure for man the true knowledge of God which is worthy of him The individual ought to overcome pietistic representations in order to open himself to divine truth which is accessible only through knowledge This is what the Book of Job illustrates At the time when the actuality does not cease to present before us the question of the status of religion and the religious within modernity the attempt by Maimonides to articulate these two styles carries an indisputable force of conviction as shown with abundant evidence in the work presented by Modestus Anyaegbu Jean Michel Counet president of the Institut Suprieur de Philosophie Universit Catholique de Louvain Belgium      **The Heart of Biblical Theology** Mark W. Elliott,2016-03-09 Providing a model of how to do biblical theology this book also explores important emerging trends over the last five years including reception history as a means to grasping the theology of the bible theological interpretation as a new form of lectio divina meditative reading the place of Jewish interpretation in forming a biblical theology and the ever present problem of losing Old Testament theology in New Testament theology The second half of the book discusses the theme of Providence as found in both Testaments with insights gained from the history of biblical interpretation and from major attempts at working out a theology of Providence Elliott focuses on Providence as it has been perceived rather than the themes of God s goodness and powerfulness in themselves      The Mortgage of the Past Francis Oakley,2012-04-24 Francis

Oakley continues his magisterial three part history of the emergence of Western political thought during the Middle Ages with this second volume in the series Here Oakley explores kingship from the tenth century to the beginning of the fourteenth showing how under the stresses of religious and cultural development kingship became an increasingly secular institution A masterpiece and the central part of a trilogy that will be a true masterwork Jeffrey Burton Russell University of California Santa Barbara Politics and Eternity: Studies in the History of Medieval and Early-Modern Political Thought Francis Oakley, 2022-06-08 This collection of studies in the history of political thought from late antiquity to the early eighteenth century ranges broadly across themes of kingship political theology constitutional ideas natural law thinking and consent theory The studies are linked together by three shared characteristics First all of them explore the continuities that existed during those centuries between legal political thinking and theology Second nearly all of them transgress the sharp dividing line traditionally drawn between the medieval and the modern which did so much in the past to distort our understanding of intellectual developments in the sixteenth and seventeenth centuries Third all of them raise historiographic questions or probe the metahistorical methodological questions which have troubled the field for the past quarter century and more

Thank you very much for downloading **Almighty God A Study Of The Doctrine Of Divine Omnipotence**. Most likely you have knowledge that, people have look numerous time for their favorite books as soon as this Almighty God A Study Of The Doctrine Of Divine Omnipotence, but stop up in harmful downloads.

Rather than enjoying a good ebook once a mug of coffee in the afternoon, instead they juggled following some harmful virus inside their computer. **Almighty God A Study Of The Doctrine Of Divine Omnipotence** is understandable in our digital library an online access to it is set as public therefore you can download it instantly. Our digital library saves in combination countries, allowing you to get the most less latency epoch to download any of our books similar to this one. ## Almighty God A Study Of The Doctrine Of Divine Omnipotence Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Almighty God A Study Of The Doctrine Of Divine Omnipotence PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Almighty God A Study Of The Doctrine Of Divine Omnipotence PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Almighty God A Study Of The Doctrine Of Divine Omnipotence free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

### FAQs About Almighty God A Study Of The Doctrine Of Divine Omnipotence Books

**What is a Almighty God A Study Of The Doctrine Of Divine Omnipotence PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Almighty God A Study Of The Doctrine Of Divine Omnipotence PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Almighty God A Study Of The Doctrine Of Divine Omnipotence PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Almighty God A Study Of The Doctrine Of Divine Omnipotence PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf,

Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Almighty God A Study Of The Doctrine Of Divine Omnipotence PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
