

Rainbows

Rainbows aren't what people think,
In my imagination, they have pink.
They have gray, and brown, and yellow.
Yellow is my favorite fellow.

They have black, and orange, and green.
Rainbows are a pretty scene.
Rainbows are sparkly and shiny too.
They are purple, red and blue.

A rainbow is what appeals to you.

Lucy Maud Montgomery

Almost A Rainbow A Of Poems:

Almost a Rainbow Joan Walsh Anglund, 1980 Joan Walsh Anglund shares her thoughts on life and love in a simple and deeply moving book of poems for adults *The Scroll of the Violin: Poems* 4 Jim Bennett, 2013-07-11 Poetry is about experience What it means to be alive and mortal is explored here These poems cover a range of philosophy religion belief and unbelief religious poems atheist poems questioning poems and answering ones There is trial failure success relationships and joy in this volume of 69 poems There are mirrors sonnets rondeaux some rhymed irregular one haiku and blank verse The title poem was a satisfying one to write I had tried this concept in other ways before As for religion I am convinced that there is deep value in all beliefs Perhaps in some sense every religion is true Or to slightly misquote Richard Dawkins if there is a God out there it could be a lot bigger and more complicated than what s in an easily stated religious description As always ambiguity may be present and it is deliberate Some poems will benefit from second and third readings You ll figure this out as these poems were written for us and that includes you

A Poet's High Argument Laurel Snow Corelle, 2008 In this original study of Elizabeth Bishop's lifelong engagement with Christianity Laurel Snow Corelle illuminates the ways in which Bishop's Protestant childhood and reading of Christian literature coupled with her deep commitment to agnosticism inform the works of this former poet laureate of the United States Corelle sees in Bishop's writing a sophisticated and sustained interrogation of orthodoxy that exquisitely balances Bishop's religious upbringing with her agnostic stance and that has until now escaped thorough examination To make her case Corelle immerses the reader in Bishop's works and world in order to convey the rigor subtlety and complexity of the poet's dialogue with historical Christianity and its literature At the heart of that engagement are some compelling peculiarities Bishop was a self-proclaimed nonbeliever yet she grew up in two devout Protestant homes and she studied Christian literature throughout her life As a result some of the perspectives and prejudices voiced in her verse are transparently Protestant This study illustrates how she incorporated allusions to scripture and Protestant sacraments in a subversive critique of organized Christianity and how her appropriation of three traditional genres common to Christian literature allegory pastoral elegy and spiritual autobiography advanced her own poetic purposes **BOOK JACKET**
