Worship: Beyond the Hymnbook Charles H. Kraft,2015-01-19 What is worship Are the things we do in worship mere ritual or do they have meaning Why do we do these things anyway Worship is one of our most important acts and it serves several purposes In worship we honor the God who has done so much for us We communicate to him that we are on his side We educate our children leading them into a deeper relationship with Jesus And we communicate to Satan that we re on God s side for worship is both an act of solidarity and an act of war But how best to communicate in worship Traditional singing is often simply a transition to another part of the service and for some worshippers the songs very familiarity can be deadening Into this context of familiarity comes contemporary worship with guitars and drums as well as the new life found in new appreciation for a contemporary understanding of God New music spawns renewal of our excitement our appreciation of our relationship with Jesus and our involvement in his program We can no longer sit heads down as we read old thoughts in old hymnals He is alive and so are we *The Sunday-school Times* ,1887 Trusting God More John Covach,2025-05-30 How do I trust God when life gets tough Reflecting on a father s desperate plea from Mark 9 24 I do believe help me overcome my unbelief author John Covach realized he needed greater faith to get through the trials of life Maybe you ve voiced a similar plea Lord I believe in you but life often overwhelms me Doubt fear and worry they constantly eat away at my trust in you Help me overcome my unbelief Help me trust you more In My 180 Trusting God More Pastor Covach invites you to set out on a journey of discovery Wherever you find yourself pursue a confidence in God that life s circumstances cannot shake and discover where deeply rooted trust can be found in knowing who walks beside you every step of the way **Pastor and Professor** Donald Blosser,2012-08-17 Pastor and Professor is one pastor s story of a rich life filled with experiences that tested his faith and demanded growth that was both exhilarating and painful It is the personal story of moving from faith as right doctrinal belief to faith as a liberating response to a loving God a God who is always with us continually drawing us into the future This dynamic understanding of faith is based on the belief that the kingdom of God is a present reality where followers of Jesus are to be pastoral in spirit while prophetic in living Don Blosser weaves personal experience with public expression of an emerging faith that wrestles candidly with the realities of life and deals with the pastor professor tension of integrating academic scholarship in the classroom with pastoral proclamation in the pulpit Pastor and Professor invites the reader to share a journey where faith is often challenged sometimes doubted yet lived with enthusiasm as it is shared from the pulpit and in the college classroom It invites the reader to find fresh insights in the Scriptures and to live with new hope to embrace life more fully and to share more gently one s own story with others **Sunday School Teachers' Magazine, and Journal of Education** ,1847 *Good Words* ,1868 Youth's Penny Gazette ,1850 **The Journal of Sacred Literature** John Kitto,1857 the sunday school teachers' magazine, and journal of education The Proprietors,1857
