Almost Home Images Of America Series:

Books in Series ,1985 Vols for 1980 issued in three parts Series Authors and Titles **Almost Home - America's Love-Hate Relationship with Community** David L. Kirp,2002 For David Kirp a gifted storyteller and journalist the concept of community stretches beyond a cliched figure of speech to describe what happens when people make decisions that reshape one another s lives He has collected a fascinating variety of such stories from across America to re create the immediate experience of community tales that signify in their particulars giving meaning to the much bandied about idea of civic virtue They paint a rich picture of how for better and for worse Americans live together We meet two San Francisco families one Nicaraguan and the other black trying to live peacefully with each other residents in the fire ravaged Berkeley hills whose greed and architectural ambitions thwart attempts to build the new Eden of their dreams parents and teachers fighting against long odds to improve the East Harlem public schools residents of a small southern town caring for a parentless teenager with AIDS residents of the New Jersey suburb of Mount Laurel deciding whether poor families will be allowed to live in our town and neighbors choosing sides when a black teenager kills his gay white neighbor While there are real heroes Ethel Lawrence the Rosa Parks of the affordable housing movement and Deborah Meier tireless advocate for better schools the stories are mainly about ordinary people caught up in extraordinary events These beautifully written tales reveal individuals in the process of forming new alliances or falling back on familiar ones bowling alone or promoting the common good They show us past all self delusion who we really are **Americans in the Treasure House** Jason Ruiz,2014-01-06 This book examines travel to Mexico during the Porfiriato the long dictatorship of Porfirio Diaz 1876 1911 focusing especially on the role of travelers in shaping ideas of Mexico as a logical place for Americans to extend their economic and cultural influence in the hemisphere Overland travel between the United States and Mexico became instantly faster smoother and cheaper when workers connected the two countries rail lines in 1884 creating intense curiosity in the United States about Mexico its people and its opportunities for business and pleasure As a result so many Americans began to travel south of the border during the Porfiriato that observers from both sides of the border began to quip that the visiting hordes of tourists and business speculators constituted a foreign invasion a phrase laced with irony given that it appeared at the height of public debate in the United States about the nation s imperial future These travelers created a rich and varied record of their journeys constructing Mexico as a nation at the cusp of modernity but requiring foreign intervention to reach its full potential The American Amateur Photographer ,1904 American Fiction, 1901-1925 Geoffrey D. Smith,1997-08-13 A 1997 bibliography of American fiction from 1901 1925 **The American Missionary** ,1884 Vols 13 62 include abridged annual reports and proceedings of the annual meetings of the American Missionary Association 1869 1908 v 38 62 include abridged annual reports of the Society s Executive committee 1883 84 1907 1908 *The Anglo American* ,1847 Living Art as Life, and Life as Art David Cavagnaro,2023-06-21 About the Book In the late 1930s with World War II

looming the famous German Bauhaus art school closed and many of its teachers migrated to America greatly influencing the course of modern art and architecture in the 1940s and 1950s Influenced by the work of Bauhaus painters such as Lyonel Feininger Paul Klee and Wassily Kandinsky a young artist named Milton Cavagnaro began what would become a lifetime art career in San Francisco that spanned abstract painting commercial design college teaching jewelry making gardening and landscaping During this journey many famous mid century artists beginning their own careers would grace his family s life as friends or visitors including photographers Ansel Adams Imogen Cunningham Ernest Braun Margaret Bourke White and Yohana Meith the first women photographers for Life and close associates of Diego Rivera and Frida Kahlo Milton s history as told here by son David Cavagnaro became in the writing the much larger story of five generations in the family all passing along the torch of creativity via a plethora of media Lavishly illustrated this journey demonstrates that the definition and expression of art can permeate all of life if we also live life itself as art About the Author DAVID CAVAGNARO is the author of six previous books and a widely published writer and photographer in the fields of natural history and horticulture Having spent most of his life in Northern California his former home and land in Northeast Iowa have become The Pepperfield Project a nonprofit devoted to sustainable food gardening seed saving and personal growth body mind and spirit His work and activities may be viewed at www.naturalight.net **Catalog of Copyright Entries** Library of Congress.
