Almost a Mensch David Gottlieb, 2014 **Being Spiritual while Doing Research** Volker Kessler, Marilyn Naidoo, Tanya van Wyk, Philipp Wenk, Although the topic of spirituality has been experiencing a renaissance since the end of the previous century it is not always associated with academic activities The book invites scholars from all fields to rethink this traditional divide between knowledge and spirituality offering fresh perspectives on how the two can coexist and enhance each other Twenty nine authors from across the world illustrate how scholarly pursuits in various disciplines can be deeply spiritual journeys *New York Magazine*, 1984-04-09 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea Witz (American Literature Series) Joshua Cohen, 2010-05-11 One of the great comic epics of our time the Last Jewish Novel about the Last Jew in the World On Christmas Eve 1999 all the Jews in the world die in a strange millennial plague with the exception of the firstborn males who are soon adopted by a cabal of powerful people in the American government By the following Passover however only one is still alive Benjamin Israelien a kindly innocent ignorant man child As he finds himself transformed into an international superstar Jewishness becomes all the rage matzo ball soup is in every bowl sidelocks are hip and the only truly Jewish Jew left is increasingly stigmatized for not being religious Since his very existence exposes the illegitimacy of the newly converted Israelien becomes the object of a worldwide hunt Meanwhile in the not too distant future of our own real world another last Jew the last living Holocaust survivor sits alone in a snowbound Manhattan providing a final melancholy witness to his experiences in the form of the punch lines to half remembered jokes Prinz David's Castle Daniel Richard Smith, 2018-12-03 Germany 1939 While Europe braces for the inevitable advancement of the Nazi war machine Hitler turns his hate filled agenda on his own people specifically the portion of the German population least able to defend itself the mentally and physically disabled Aktion T4 is enacted to disinfect mainstream Germany of this undesirable portion of its population by creating killing centres both in Germany and the

surrounding annexed countries most notably at Hartheim Castle in Alkoven Austria Here the Nazis headed by Karl Brandt and Phillip Bouhler perfect their art of mass murder using fake shower rooms as gas chambers nearly two full years before they are ever used in a death camp Felix Schmidt is a Jewish former medical doctor who was stripped of his station and rights by the Nuremberg Race Laws of 1935 Since that time Felix and his wife Claudia have struggled to raise their family amid the growing popularity of Aryan supremacy a challenge further complicated by their realization that their youngest son David has cerebral palsy Now Felix must not only deal with the brutal racism that is inflicted upon him but he must also hide David from view lest he be swallowed up by the Aktion T4 machinery When an unthinkable betrayal finds Felix alone and desperate he must race against time to find and save David from the inevitable end that has claimed so many abandoned souls
