**Democracy in Myanmar** Tamas Wells,2025-10-01 This book analyses what Myanmar's struggle for democracy has signified to Burmese activists and democratic leaders and to their international allies In doing so it explores how understanding contested meanings of democracy helps make sense of the country's tortuous path since Aung San Suu Kyi's National League for Democracy won historic elections in 2015 Using Burmese and English language sources *Narrating Democracy* in Myanmar reveals how the country's ongoing struggles for democracy exist not only in opposition to Burmese military elites but also within networks of local activists and democratic leaders and international aid workers *Zinnia's Solstice* Daddy Raisa Greywood,2022-06-03 He was her light after so many months in the dark After years of being held prisoner by violent rebels Zinnia Turner is finally rescued and returned home But her nightmare doesn't end just because she's back on American soil When she flees her old life for a quiet small town in Vermont she's shocked to come face to face with the man who pulled her from captivity For the first time in months Zinnia really knows what she wants she wants Mitch despite the age difference and Mitch's own reservations And her attraction to the sexy commanding soldier only grows when he finally follows through on his threats to put her over his knee But the family she left behind isn't letting her go that easily When Zinnia's overbearing mother shows up she has a choice to make allow herself to be bullied into a life she no longer wants or finally face her fears with her Daddy by her side **The Historic Church**

**Angeles Transformed** Tom Sitton,2005 When Fletcher Bowron 1887 1968 ran for mayor of Los Angeles in 1938 his twelve years as a superior court judge with a reputation for honesty and fairness carried him to victory against a notoriously corrupt incumbent During his nearly fifteen years as a neo progressive mayor Bowron presided over fundamental reforms in the police department public utilities and other agencies charged with basic services rooting out bribery kickbacks and influence peddling World War II brought economic and population booms racial conflict social dislocation and environmental problems to Los Angeles and complicated Mayor Bowron s job After the war Bowron initiated massive public housing and

desegregation projects These forward looking programs alienated enough voters to cost him the 1953 election as his leftist supporters fell away under the influence of McCarthyism This political history of the mid twentieth century reform period in Los Angeles is also a case study of the ways outside events can affect municipal affairs As Tom Sitton demonstrates the choices made during Bowron s administration have had a direct bearing on how Los Angeles looks today and how its government operates
