stories of religious settlers and Indigenous peoples engineers and biologists and politicians and spiritual leaders Infrastructures of dispossession teach us that we cannot tell the stories of religious colonization scientific exploration regional engineering environmental transformation or political deal making as disconnected from Indigenous history This book is a provocative and essential piece of modern history particularly as water in the West becomes increasingly scarce and fights over access to it continue to unfold

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
