*The Complete Demon Hunter Series* Justus Roux, 2011-11-03 This is Justus Roux's complete Demon Hunter Series put together in one book. Asurul, a General of Hell, falls in love with the guardian angel Isa. Their love is forbidden, and yet it is. The Creator allows this if Asurul and Isa can prove their love for each other by becoming mortal. If they fail, they will become lesser demons and live out eternity slithering around in Hell. If they succeed, they will be granted their own paradise. Isa agrees to the test right away, but Asurul, not wanting to risk Isa's soul, questions the Creator. Isa convinces Asurul that she knows they can succeed, so he reluctantly agrees. However, since Asurul doubted, even if he was thinking of Isa's soul, their future son Ayden will be cursed to suffer love lost over and over until he finds his soul mate. Lasax, the ruler of Hell, and Prolo, the ruler of Heaven, are forbidden from harming Asurul or Isa. Ayden doesn't have this protection, so Asurul is granted the right to train Demon hunters to protect his son. Isa begs the Creator to grant these Demon Hunters the right to earn their redemption for their service to Ayden. The Creator agrees and states that if a Demon Hunter finds their soul mate or if Ayden finds his, then their soul will be free. Asurul's Demon Hunters will literally go through Heaven, Hell, and Purgatory for their soul mates. And they willingly give their souls to protect Ayden. They all believe Ayden was meant to be something great, and our willing to risk all for him.

Alosha Christopher Pike, 2004-10-01 Every young girl dreams that she's secretly a princess of a far-off land and that someday her true parents will come to claim her and usher her into a life of luxury, a fabulous existence where she might even have magical powers and be swept off her feet by a handsome prince. Teenager Ali Warner has reason to cling to such a fantasy. Her mother died in a car accident a year ago. Her father, a trucker, determined to work through his grief hasn't acknowledged Ali's burgeoning figure or complicated emotions. Her friends still aren't sure how to talk about her mother's death. And the Southern California forest that has always been Ali's refuge is about to be ravaged by logging. Ali is about to discover that she is a princess, a fairy princess. And that she has to save the world. For real. To claim her fairy powers, Ali must overcome seven potentially lethal challenges. Then she must scale a mountain and confront the King of the Dwarves and the King of the Elves whose armies are poised to invade Earth. With her bemused 21st-century friends, a sly leprechaun, and an extremely loyal, extremely ugly troll by her side, Ali begins the most momentous journey of her young life, a journey during which she will learn much about herself and the past she thought she knew. She will conquer fire and water, earth and air, and even time itself. She will be both betrayer and betrayed, will see death close at hand, and will snatch victory from the jaws of defeat. Ali Warner is Alosha. Welcome to her world.
