DE  
LIGUORI

SAINT  
of Bourbon Naples  
1696-1787

FOUNDER  
of the Redemptorists

FREDERICK M. JONES, C.Ss.R.

# Alphonsus De Liguori The Saint Of Bourbon Naples 1696 1787

**James F. Keenan**

## **Alphonsus De Liguori The Saint Of Bourbon Naples 1696 1787:**

**Alphonsus de Liguori** Frederick M. Jones,1992 Volume 93 of the acclaimed Classics of Western Spirituality is a significant one It offers new translations of a representative selection of the spiritual writings of Alphonsus de Liguori 1696 1787 saint bishop religious founder the Redemptorist Congregation and doctor of the church **15 Days of Prayer with Saint Alphonsus Liguori** Jean-Marie Segalen,2001 15 Days of Prayer with Saint Alphonsus Liguori is one of twenty titles in the series 15 Days of Prayer with This series provides an introduction to spiritual masters of both modern and historical times and gives the reader an opportunity to participate in a spiritual conference with a great teacher if only through the pages of a book Each volume contains a brief history of each spiritual guide an itinerary for each of the fifteen days an invitation for reflection in each chapter and a bibliography at the end of the book *Surprise of Reconciliation in the Catholic Tradition*, The Carney, J. J. Johnston, Laurie,2018 An examination of the contribution that could be made by the Catholic historical tradition to Christian social reconciliation The authors hope that their work will result in fruitful Christian peacebuilding *Journal of Moral Theology, Volume 1, Number 1* David M. Cloutier,William C. Mattison,2013-12-09 Formative Figures of Contemporary American Catholic Moral Theology Volume 1 Number 1 January 2012 Edited by David Cloutier and William C Mattison III Moral Theology in the Ruins Introducing the Journal of Moral Theology David Matzko McCarthy Bernard H ring s Influence on American Catholic Moral Theology James F Keenan S J Servais Pinckaers and the Renewal of Catholic Moral Theology Craig Steven Titus Religious Freedom Morality and Law John Courtney Murray Today David Hollenbach S J James M Gustafson and Catholic Theological Ethics Lisa Sowle Cahill The Luminous Excess of the Acting Person Assessing the Impact of Pope John Paul II on American Catholic Moral Theology John Grabowski Stanley Hauerwas s Influence on Catholic Moral Theologians Jana Marguerite Bennett Review Essay Method in American Catholic Moral Theology After Veritatis Splendor David Cloutier and William C Mattison III [A History of Christian Conversion](#) David W. Kling,2020-05-05 Conversion has played a central role in the history of Christianity In this first in depth and wide ranging narrative history David Kling examines the dynamic of turning to the Christian faith by individuals families and people groups Global in reach the narrative progresses from early Christian beginnings in the Roman world to Christianity s expansion into Europe the Americas China India and Africa Conversion is often associated with a particular strand of modern Christianity evangelical and a particular type of experience sudden overwhelming However when examined over two millennia it emerges as a phenomenon far more complex than any one dimensional profile would suggest No single unitary paradigm defines conversion and no easily explicable process accounts for why people convert to Christianity Rather a multiplicity of factors historical personal social geographical theological psychological and cultural shape the converting process A History of Christian Conversion not only narrates the conversions of select individuals and peoples it also engages current theories and models to explain conversion and examines recurring themes in the conversion process divine presence

gender and the body agency and motivation testimony and memory group and self identity authentic and nominal conversion and modes of communication Accessible to scholars students and those with a general interest in conversion Kling's book is the most satisfying and comprehensive account of conversion in Christian history to date this major work will become a standard must read in conversion studies      *The Encyclopedia of Saints* Rosemary Guiley, 2001 The Encyclopedia of Saints offers thorough and fascinating accounts of familiar and little known holy men and women of the Catholic and Orthodox churches Drawing from documented accounts and supplemented with additional extensive research      Butler's Lives of the Saints: August Alban Butler, Paul Burns, 1998-01-01 For more than two centuries Butler's has been one of the best known most widely consulted hagiographies In its brief and authoritative entries readers can find a wealth of knowledge on the lives and deeds of the saints as well as their ecclesiastical and historical importance since canonization      *Christianity Under the Ancien Régime, 1648-1789* W. R. Ward, 1999-04-15 A study of Christianity in Europe including importantly Britain in an important period of its development      *The Early Modern Papacy* A.D. Wright, 2014-07-10 A history of the Papacy covering the vital period from the Renaissance through the Counter Reformation to the period of the French Revolution Its a broad survey analysing the influence of Papal power not only across Europe but the wider world also      A History of Catholic Moral Theology in the Twentieth Century James F. Keenan, 2010-01-17 This is an historical survey of 20th Century Roman Catholic Theological Ethics also known as moral theology The thesis is that only through historical investigation can we really understand how the most conservative and negative field in Catholic theology at the beginning of the 20th could become by the end of the 20th century the most innovative one The 20th century begins with moral manuals being translated into the vernacular After examining the manuals of Thomas Slater and Henry Davis Keenan then turns to three works and a crowning synthesis of innovation all developed before during and soon after the Second World War The first by Odon Lottin asks whether moral theology is adequately historical Fritz Tillmann asks whether it's adequately biblical and Gerard Gilleman whether it's adequately spiritual Bernard Haering integrates these contributions into his Law of Christ Of course people like Gerald Kelly and John Ford in the US are like a few moralists elsewhere classical gate keepers censoring innovation But with Humanae vitae and successive encyclicals bishops and popes reject the direction of moral theologians At the same time moral theologians like Josef Fuchs ask whether the locus of moral truth is in continuous universal teachings of the magisterium or in the moral judgment of the informed conscience In their move toward a deeper appreciation of their field as forming consciences they turn more deeply to local experience where they continue their work of innovation Each continent subsequently gives rise to their own respondents In Europe they speak of autonomy and personalism in Latin America liberation theology in North America Feminism and Black Catholic theology and in Asia and Africa a deep post colonial interculturatism At the end I assert that in its nature theological ethics is historical and innovative seeking moral truth for the conscience by looking to speak crossculturally      *The Heart of Perfection* Colleen Carroll Campbell, 2020-08-25 Winner

of the 2020 Catholic Press Association Book Award In a book hailed as liberating Gary Chapman New York Times bestselling author an award winning author and mother of four weaves her own stories and struggles with those of seven ex perfectionist saints and one heretic who show us how to pursue a new kind of perfection freedom in Christ Spiritual perfectionism an obsession with flawlessness rooted in the belief that we can earn God s love is dangerous because so many of us mistake it for virtue Its toxic cycle of pride sin shame blame and despair distorts our vision dulls our faith and leads us to view others through the same hypercritical lens we think God is using to view us As a lifelong overachiever who drafted her first r sum in sixth grade and spell checked her high school boyfriend s love letters Colleen Carroll Campbell knows something about the perfectionist trap But it was only after she became a mother that she started to see how insidiously perfectionism had infected her spiritual life how lethal it could be to her happiness and her family and how disproportionately it afflicts the people working hardest to serve God In the ruins of her own mistakes Colleen dug into Scripture and the lives of the canonized saints for answers She discovered to her surprise that many holy men and women were in fact recovering perfectionists And their grace fueled victory oer this malady not perfectionist striving was the key to their heroic virtue and contagious joy In *The Heart of Perfection* Colleen weaves the stories and wisdom of seven ex perfectionist saints and one heretic with Scripture and beautifully crafted tales of her own trial and error experiments in applying that wisdom to her life Gorgeously written and deeply insightful Colleen Carroll Campbell s *The Heart of Perfection* is a must read Jeannie Gaffigan executive producer of *The Jim Gaffigan Show* that gives us permission to walk in the freedom of God s unconditional love Jennifer Fulwiler author of *One Beautiful Dream* For a free *Heart of Perfection* reading guide for book clubs visit Colleen Campbell com

**Selected Writings** Saint Alfonso Maria de' Liguori, 1999 This volume of the acclaimed *Classics of Western Spirituality* TM is a significant one It offers new translations of a representative selection of the spiritual writings of Alphonsus de Liguori 1696 1787 saint bishop religious founder the Redemptorist Congregation and doctor of the church The late Frederick M Jones principal editor of this volume and author of an acclaimed biography of Alphonsus has written an exceptional introduction that outlines this saint s life with particular emphasis on the political sociological and intellectual climate of Bourbon Naples in which he lived wrote and ministered The writings presented here demonstrate the wide range of his work and its relevance to Christian life and spirituality in our own day o *Spiritual Writings* o *Spiritual Direction* o *Devotional Writings* o *Prayer* o *Moral Theology* o *Letters* Alphonsus devotional writings had an enormous impact on the practices of Catholic piety right up to Vatican II In addition he played an influential role in the development of moral theology This collection of his works fills a demand for an English translation of Alphonsus major spiritual works Among the interested readers will be members of the Redemptorist order theology students and students of 18th century Italian church history and society

**An Irish-Speaking Island** Nicholas M. Wolf, 2014-11-25 This groundbreaking book shatters historical stereotypes demonstrating that in the century before 1870 Ireland was not an anglicized kingdom and was capable of

articulating modernity in the Irish language It gives a dynamic account of the complexity of Ireland in the nineteenth century developments in church and state and the adaptive bilingualism found across all regions social levels and religious persuasions **The Oxford Dictionary of Saints, Fifth Edition Revised** David Farmer, 2011-04-14 The renowned Oxford Dictionary of Saints returns in a revised and updated form providing concise accounts of the lives cults and artistic associations of over 1 400 saints from the famous to the obscure Featuring new entries on recently canonized saints from around the world and a new appendix on pilgrimages [Guide for Confessors](#) Alphonsus Liguori, 2017-09-22 This rich classic passed out of common usage years ago but here we find it restored for the first time to the benefit of the English reader St Alphonsus transformed the landscape of the experience of this Reconciliation and our confessional experience would be unthinkable without his saintly intellectual and pastoral prowess While the cultural and historical context is amazingly fascinating it necessitates peeling back those layers to see the glimmering treasure within For that reason this edition provides an introductory essay that steps lightly to take note of these difference for a fruitful reception of the saint s genius May all readers benefit for the greater glory of God **Cooperation with Evil** Kevin L. Flannery, SJ, 2019-10-04 Contemporary society very often asks of individuals and or corporate entities that they perform actions connected in some way with the immoral actions of other individuals or entities Typically in the attempt to determine what would be unacceptable cooperation with such immoral actions Christian scholars and authorities refer to the distinction which appears in the writings of Alphonsus Liguori between material and formal cooperation the latter being connected in some way with the cooperator s intention in so acting While expressing agreement with most of Alphonsus s determinations in these regards Cooperation with Evil also argues that the philosophical background to these determinations often lacks coherence especially when compared to related passages in the writings of Thomas Aquinas Having compared the philosophical approaches of these two great moralists Cooperation with Evil then describes a number of ideas in Thomas s writings that might serve as more effective tools for the analysis of cases of possible immoral cooperation The book also includes as appendixes translations of relevant passages in both Alphonsus and Thomas *Rethinking Cooperation with Evil* Ryan Connors, 2023-12-15 Rethinking Cooperation with Evil A Virtue Based Approach applies Thomistic virtue theory to today s most challenging questions of cooperation with evil For centuries moralists have struggled to determine the conditions necessary to justify moral cooperation with evil The English Jesuit Henry Davis even observed T here is no more difficult question than this in the whole range of Moral Theology This important book addresses this challenge by applying the virtue based method of moral reasoning of St Thomas Aquinas to issues of cooperation with evil Those who pastor souls report frequently receiving questions from attentive believers about whether a particular human action inadvertently contributes to some moral evil Examples of potentially immoral cooperation with evil include whether one may shop at a particular franchise known for its support of abortion whether Catholics may attend civil marriages outside the Church or whether an

organization may submit to government mandates that health insurance include payment for immoral practices Although recent moralists have tackled specific topics related to cooperation with evil agreement on an overall common paradigm has not yet been reached Rethinking Cooperation with Evil proposes a method for Christian believers and others to approach these questions from the foundation of the thought of St Thomas Aquinas and the magisterial teaching of the Catholic Church This text provides both an overall method for how to understand the issue of cooperation as well as practical counsel for specific cases Rethinking Cooperation with Evil advances the theological conversation on this topic from both speculative and practical vantage points To facilitate his argument Connors utilizes historical analyses that contrast Aquinas s method of moral reasoning with that of the casuist treatment of cooperation Consequently the book includes numerous case studies that will be of interest both to moral theologians and readers new to the topic Redemption and Renewal Paul

Laverdure,1996-09-18 This history of the personalities institutions ideas and Canadian missions that formed the Redemptorists of English Canada is written to commemorate the 300th anniversary of the birth of their founder Alphonsus Liguori a doctor of the Church and patron saint of moralists and confessors While challenged and changing with Canada itself the Redemptorists created a distinctive English Canadian Catholic organization set apart from French Canadian and American models **Loyal Dissent** Charles E. Curran,2006-05-01 Loyal Dissent is the candid and inspiring story of a Catholic priest and theologian who despite being stripped of his right to teach as a Catholic theologian by the Vatican remains committed to the Catholic Church Over a nearly fifty year career Charles E Curran has distinguished himself as the most well known and the most controversial Catholic moral theologian in the United States On occasion he has disagreed with official church teachings on subjects such as contraception homosexuality divorce abortion moral norms and the role played by the hierarchical teaching office in moral matters Throughout however Curran has remained a committed Catholic a priest working for the reform of a pilgrim church His positions he insists are always in accord with the best understanding of Catholic theology and always dedicated to the good of the church In 1986 years of clashes with church authorities finally culminated in a decision by the Congregation for the Doctrine of the Faith headed by then Cardinal Josef Ratzinger that Curran was neither suitable nor eligible to be a professor of Catholic theology As a result of that Vatican condemnation he was fired from his teaching position at Catholic University of America and since then no Catholic university has been willing to hire him Yet Curran continues to defend the possibility of legitimate dissent from those teachings of the Catholic faith not core or central to it that are outside the realm of infallibility In word and deed he has worked in support of more academic freedom in Catholic higher education and for a structural change in the church that would increase the role of the Catholic community from local churches and parishes to all the baptized people of God In this poignant and passionate memoir Curran recounts his remarkable story from his early years as a compliant pre Vatican II Catholic through decades of teaching and writing and a transformation that has brought him today to be recognized as a leader of progressive Catholicism throughout

the world     **Visits to the Most Holy Sacrament and to Most Holy Mary** Saint Alfonso Maria de' Liguori, 2007 A new addition to the popular Classics with Commentary series Visits to the Most Holy Sacrament and to Most Holy Mary is the first complete and faithful English translation from its original Italian of this devotional classic by St Alphonsus de Liguori Visits to the Most Holy Sacrament and to Most Holy Mary is a collection of meditations created by Alphonsus one of the greatest figures of eighteenth century Catholic spirituality to help believers pray on a daily basis before Jesus in the Sacrament His simple and accessible writings are dedicated to helping the faithful have a heart to heart conversation with Jesus and his mother Mary
