Als Hitlers Adjutant 1937-45:

Als Hitlers Adjutant, 1937-45 Nicolaus von Below, 1980 Major Nicolaus von Below der var officer i det tyske flyvevæben Luftwaffe var Hitlers adjutant fra 1937-1945. Som adjutant hjalp han til Hitlers nærmeste medarbejdere og fik derfor en indgående viden til mange af de forhold og problemer der optog Hitler. Von Belows optegnelser fra hans tid som adjutant giver væsentlige oplysninger om Hitler og hans nærmeste hjælpere. KGB har også bogen oversat til engelsk: At Hitler's Side Inside Hitler's High Command Geoffrey P. Megargee, 2000-06-08 Challenging previous accounts Geoffrey Megargee shatters the myth that German generals would have prevailed in World War II if only Hitler had not meddled in their affairs. Indeed Megargee argues the German high command was much more flawed than many have suspected or acknowledged. Inside Hitler's High Command reveals that while Hitler was the central figure in many military decisions his generals were equal partners in Germany's catastrophic defeat. Megargee exposes the structure, processes and personalities that governed the Third Reich's military decision making and shows how Germany's presumed battlefield superiority was undermined by poor strategic and operational planning at the highest levels. His study tracks the evolution of German military leadership under the Nazis from 1933 to 1945 and expands our understanding of the balance of power within the high command, the role of personalities in its organizational development and the influence of German military intellectuals on its structure and function. He also shows how the organization of the high command was plagued by ambition, stubbornness, political intrigue and overworked staff officers. And his a week in the life chapter puts the high command under a magnifying glass to reveal its inner workings during the fierce fighting on the Russian Front in December 1941. Megargee also offers new insights into the high command crises of 1938 and shows how German general staff made fatal mistakes in their planning for Operation Barbarossa in 1941. Their arrogant dismissal of the Soviet military's ability to defend its homeland and virtual disregard for the extensive intelligence and sound logistics that undergirded successful large scale military campaigns ultimately came back to haunt them. In the final assessment observes Megargee the generals' strategic ideas were no better than Hitler's and often worse. Heinz Guderian, Franz Halder and the rest were as guilty of self-deception as their Führer, believing that innate German superiority and strength of will were enough to overcome nearly any obstacle. Inside Hitler's High Command exposes these surprising flaws and illuminates the process of strategy and decision making in the Third Reich. Hitler's Court Heike B. Görtemaker, 2022-01-12 This revelatory history examines the loyal inner circle that followed and enabled Hitler's rise to power and continued on after WWII. Hitler was not a lonely aloof dictator. Throughout his rise in the NSDAP he gathered a loyal circle around him and was surrounded by people who celebrated, flattered and intrigued him. Who belonged to this inner circle around Hitler? What function did this court fulfill? And how did it influence the perception of history after 1945? Using previously unknown sources Heike Görtemaker explores Hitler's private environment and shows how this inner circle made him who he was. Hitler's inner circle, the Berghof Society, was his private retreat. But the court was more than that.

It provided him with the support he needed to take on the role of Führer at all while at the same time allowing him to use its members as political front men. Most of all it represented a conspiratorial community whose lowest common denominator was anti-Semitism. In this book Heike Grätemaker asks new questions about the truth behind Hitler's inner circle and for the first time also examines the circle without leaders: the networking of the inner circle after 1945.

Hitler's Panzer Generals

David Stahel, 2023-05-04 Germany's success in the Second World War was built upon its tank forces; however, many of its leading generals, with the notable exception of Heinz Guderian, are largely unknown. This biographical study of four German panzer army commanders serving on the Eastern Front is based upon their unpublished wartime letters to their wives. David Stahel offers a complete picture of the men conducting Hitler's war in the East with an emphasis on the private fears and public pressures they operated under. He also illuminates their response to the criminal dimension of the war as well as their role as leading military commanders conducting large-scale operations. While the focus is on four of Germany's most important panzer generals—Guderian, Hoepner, Reinhardt, and Schmidt—the evidence from their private correspondence sheds new light on the broader institutional norms and cultural ethos of the Wehrmacht's Panzertruppe.

Operation

Barbarossa and Germany's Defeat in the East David Stahel, 2009-09-10 Operation Barbarossa, the German invasion of the Soviet Union, began the largest and most costly campaign in military history. Its failure was a key turning point of the Second World War. The operation was planned as a Blitzkrieg to win Germany its Lebensraum in the east, and the summer of 1941 is well known for the German army's unprecedented victories and advances. Yet the German Blitzkrieg depended almost entirely upon the motorised Panzer groups, particularly those of Army Group Centre. Using archival records, in this book David Stahel presents a history of Germany's summer campaign from the perspective of the two largest and most powerful Panzer groups on the Eastern front. Stahel's research provides a fundamental reassessment of Germany's war against the Soviet Union, highlighting the prodigious internal problems of the vital Panzer forces and revealing that their demise in the earliest phase of the war undermined the whole German invasion.

Hitler's Volkssturm David K. Yelton, 2002-10-29 Pressed by advancing enemy armies on both fronts, Adolf Hitler played his final card in World War II by mobilizing all German civilian males between sixteen and sixty and indoctrinating them for a final apocalyptic defense of the Reich. The Volkssturm created as much to boost national morale as to bolster sagging defenses; has been viewed as a negligible factor in the war. David Yelton counters that view with new insights into why the German high command sought this means to prolong an unwinnable war and why so many civilians chose to fight to the bitter end. *Hitler's Volkssturm* is the only book in English and the most comprehensive in any language on the German militia, illuminating its role and contributions to the Nazi war effort and shedding new light on the last days of the Third Reich. It examines the militia's strategic purpose, organization, training, and combat performance on both war fronts and explores factors contributing to its sporadic tactical successes and its overall failure. Yelton reveals why the Nazi leadership chose to assemble such last-ditch units rather than negotiating for peace and

also why civilians in these units were more than willing to serve The Volkssturm was in fact part of a broader ideologically based strategy intended to turn the tide of the war Yelton tracks the impact of this ideology on Nazi decision making throughout the war's final year and illustrates how ideological assumptions were often a major reason for the failure of Nazi policies and strategies In an unprecedented examination of the Volkssturm at the local level Yelton also shows the negative impact of national power struggles and demonstrates how the Wehrmacht industry and public opinion exerted influence on the militia in ways often contrary to its official objectives His extensive and insightful analysis illuminates German mobilization priorities reveals that a substantial number of its commanders had experience in both the military and the Nazi Party and clarifies the impact of Volkssturm mobilizations on the overall German war economy Pathbreaking in both scope and depth Hitler's Volkssturm stresses the factional lines and conflicting centers of power within the Nazi bureaucracy clarifies policy formulation and implementation in the late Third Reich and assesses the shifting power relationships among various groups and individuals Ultimately it gives us a more complete portrait of the Third Reich during the final phase of a devastating war and conveys important lessons about the use of militia forces in modern warfare **The Unmaking of**

Adolf Hitler Eugene Davidson, 2004 The Unmaking of Adolf Hitler which includes dozens of photos from German collections covers literally every aspect of Hitler's life from his success after he came to power in 1933 to his self destruction Renowned author Eugene Davidson describes in detail Hitler's stratagems in reviving morale and undoing the inequitable treaties imposed on Germany after World War I and his shrewd moves to take advantage of the fatal miscalculations of the coalition that had been aligned against the Reich Once Hitler had brutally improved Germany's desperate state there followed mortal errors and fateful mistakes of judgment arising from his own inadequacies Compelling well researched and eminently readable The Unmaking of Adolf Hitler strives to explain how and why Hitler's empire collapsed from his own actions Available only in the USA and Canada **Baldur von Schirach** Oliver Rathkolb, 2022-11-04 Though three of his four

grandparents were from America and the first language he learned at home was English Baldur von Schirach became one of the Third Reich's most influential individuals He joined the Nazi Party as early as 1925 at the age of eighteen and three years later became a member of its National Leadership He also married Henriette the daughter of Hitler's personal photographer Heinrich Hoffmann Von Schirach continued to rise through the ranks of the Nazi Party reaching the rank of SA Gruppenführer It was as the leader of the Hitler Youth organization however for which von Schirach is best remembered becoming Reichsführer of the Hitler Youth on 16 June 1932 and the following year was given responsibility for all youth organizations in Germany He also became a member of the Reichstag as a representative of the Party Despite his influential position he was called up for military service and served in the French campaign of 1940 Following this he became Reich Governor and the Nazi's Gauleiter Reichsstatthalter in Vienna powerful positions he retained until the final collapse of the Third Reich in May 1945 His responsibilities as Gauleiter and Reichsstatthalter included overseeing the deportation of Vienna's Jews to ghettos

and concentration camps in occupied Poland Though a confirmed anti Semite later in the war he pleaded for a moderate treatment of the eastern European peoples and criticized the conditions in which Jews were being deported This caused a breach with Hitler and the Nazi leadership though he managed to retain his position in Vienna Following his capture by US troops von Schirach was among the major war criminals put on trial at Nuremburg Found guilty of crimes against humanity on 1 October 1946 von Schirach was sentenced to twenty years imprisonment He served out his time in the company of Rudolf Hess and Albert Speer in Spandau prison He admitted his crimes and his role in the deportations and in his autobiography I Believed in Hitler he explained how he was drawn into the world of the Nazis He also said that his aim was destroy any belief in the rebirth of Nazism as well as blaming himself for not having done more to prevent the concentration camps This detailed and balanced analysis of Baldur von Schirach reveals the true and ambivalent nature of a complex and fascinating individual who played a key role in the events leading up to and during the Second World War

Mussolini and Hitler Christian Goeschel,2018-09-25 This fresh treatment of Fascist Italy and Nazi Germany reveals how the close relationship between Mussolini and Hitler influenced both men From 1934 until 1944 Mussolini met Hitler numerous times and the two developed a relationship that deeply affected both countries While Germany is generally regarded as the senior power Christian Goeschel demonstrates just how much history has underrepresented Mussolini s influence on his German ally A scholar of twentieth century Germany and Italy Goeschel revisits all of Mussolini and Hitler s key meetings to examine how they constructed a powerful image of a strong Fascist Nazi relationship that still resonates with the general public His portrait of Mussolini draws on sources ranging beyond political history to reveal a leader who at times shaped Hitler s decisions and was not the gullible buffoon he s often portrayed as The first comprehensive study of the Mussolini Hitler relationship this book is a must read for scholars and anyone interested in the history of European fascism World War II or political leadership

Becoming Hitler Thomas Weber,2017 In Becoming Hitler Thomas Weber continues from where he left off in his previous book Hitler s First War stripping away the layers of myth and fabrication in Hitler s own tale to tell the real story of Hitler s politicization and radicalization in post First World War Munich It is the gripping account of how an awkward and unemployed loner with virtually no recognizable leadership qualities and fluctuating political ideas turned into the charismatic self assured virulently anti Semitic leader with an all or nothing approach to politics with whom the world was soon to become tragically familiar As Weber clearly shows far from the picture of a fully formed political leader which Hitler wanted to portray in Mein Kampf his ideas and priorities were still very uncertain and largely undefined in early 1919 and they continued to shift until 1923

Hitler's Northern War Adam R. A. Claassen,2001 Adolf Hitler had high hopes for his conquest of Norway which held both great symbolic and great strategic value for the Fuhrer Despite early successes however his ambitious northern campaign foundered and ultimately failed Adam Claassen for the first time reveals the full story of this neglected episode and shows how it helped doom the Third Reich to defeat Hitler and Raeder the chief of the German navy

were determined to take and keep Norway By doing so they hoped to preempt Allied attempts to outflank Germany protect sea lanes for German ships access precious Scandinavian minerals for war production and provide a launchpad for Luftwaffe and naval operations against Great Britain Beyond those strategic objectives Hitler also envisioned Norway as part of a pan Nordic stronghold a centerpiece of his new world order But as Claasen shows Hitler's grand expectations were never realized Gring's Luftwaffe was the vital spearhead in the invasion of Norway which marked a number of wartime firsts Among other things it involved the first large scale aerial operations over sea rather than land the first time operational objectives and logistical needs were fulfilled by air power and the first deployment of paratroopers Although it got off to a promising start the German effort particularly against British and arctic convoys was greatly hampered by flawed strategic thinking interservice rivalries between the Luftwaffe and navy the failure to develop a long range heavy bomber the diversion of planes and personnel to shore up the German war effort elsewhere and the northern theater's harsh climate and terrain Claasen's study covers every aspect of this ill fated campaign from the 1940 invasion until war's end and shows how it was eventually relegated to a backwater status as Germany fought to survive in an increasingly unwinnable war His compelling account sharpens our picture of the German air force and widens our understanding of the Third Reich's way of war

Doctors Under Hitler Michael H. Kater, 2005-10-12 A brilliant attempt to explain the profound historical crisis into which medicine had plummeted during the Nazi period with the tried methods of social history *Historische Zeitschrift* The author has drawn from an extraordinary range of sources and the weight of evidence he compiles will certainly give pause to anyone who still wants to believe that professionals kept their hands clean in this era of great and methodical crimes *Journal of Modern History* Kater's important book deserves close attention from historians of medicine and German historians alike *Isis* In this history of medicine and the medical profession in the Third Reich Michael Kater examines the career patterns educational training professional organization and political socialization of German physicians under Hitler His discussion ranges widely from doctors who participated in Nazi atrocities to those who actively resisted the regime's perversion of healing to the vast majority whose ideology and behavior fell somewhere between the two extremes He also takes a chilling look at the post Hitler medical establishment's problematic relationship to the Nazi past **Myth and the Human**

Sciences Angus Nicholls, 2014-12-05 This is the first book length critical analysis in any language of Hans Blumenberg's theory of myth Blumenberg can be regarded as the most important German theorist of myth of the second half of the twentieth century and his *Work on Myth* 1979 has resonated across disciplines ranging from literary theory via philosophy religious studies and anthropology to the history and philosophy of science Nicholls introduces Anglophone readers to Blumenberg's biography and to his philosophical contexts He elucidates Blumenberg's theory of myth by relating it to three important developments in late nineteenth and early twentieth century German philosophy hermeneutics phenomenology and philosophical anthropology while also comparing Blumenberg's ideas with those of other prominent theorists of myth such as

Vico Hume Schelling Max Müller Frazer Sorel Freud Cassirer Heidegger Horkheimer and Adorno According to Nicholls Blumenberg's theory of myth can only be understood in relation to the human sciences since it emerges from a speculative hypothesis concerning the emergence of the earliest human beings For Blumenberg myth was originally a cultural adaptation that constituted the human attempt to deal with anxieties concerning the threatening forces of nature by anthropomorphizing those forces into mythic images In the final two chapters Blumenberg's theory of myth is placed within the post war political context of West Germany Through a consideration of Blumenberg's exchanges with Carl Schmitt as well as by analysing unpublished correspondence and parts of the original Work of Myth manuscript that Blumenberg held back from publication Nicholls shows that Blumenberg's theory of myth also amounted to a reckoning with the legacy of National Socialism **The**

First Soldier Stephen G. Fritz, 2018-11-13 An expert account of Nazi war strategy that concludes that Hitler was not without military talent Kirkus Reviews After Germany's humiliating World War II defeat numerous German generals published memoirs claiming that their country's brilliant military leadership had been undermined by the Führer's erratic decision making The author of three highly acclaimed books on the era Stephen Fritz upends this characterization of Hitler as an ill informed fantasist and demonstrates the ways in which his strategy was coherent and even competent That Hitler saw World War II as the only way to retrieve Germany's fortunes and build an expansionist Thousand Year Reich is uncontroversial But while his generals did sometimes object to Hitler's tactics and operational direction they often made the same errors in judgment and were in agreement regarding larger strategic and political goals A necessary volume for understanding the influence of World War I on Hitler's thinking this work is also an eye opening reappraisal of major events like the invasion of Russia and the battle for Normandy Perhaps the best account we have to date of Hitler's military leadership It shows a scrupulous and imaginative historian at work and will cement Fritz's reputation as one of the leading historians of the military conflicts generated by Hitler's Germany Richard Overy author of The Bombing War Original insightful and authoritative David Stahel author of The Battle for Moscow **Hitler** Ian Kershaw, 2014-06-06 Adolf Hitler has left a lasting mark on the twentieth century as the dictator of Germany and instigator of a genocidal war culminating in the ruin of much of Europe and the globe This innovative best seller explores the nature and mechanics of Hitler's power and how he used it

Wenn es gegen den Satan Hitler geht ... Georg von Witzleben, 2016-01-21 Erwin von Witzlebens Widerstand begann bereits 1937 Sieben Jahre vor dem Attentat vom 20 Juli 1944 war er erstmals bereit gewaltsam gegen den Diktator vorzugehen Er war damit einer der frühesten und konsequentesten Gegner Hitlers innerhalb der Generalität Während der Sudetenkrise 1938 plante Witzleben die Absetzung Hitlers durch einen Staatsstreich der allerdings durch die Ergebnisse der Münchner Konferenz nicht mehr durchführbar war In den folgenden Jahren wich Erwin von Witzleben nie von seiner Überzeugung ab dass Hitlers Regime verbrecherisch sei auch nicht nach den größten militärischen Erfolgen Diese Überzeugung bezahlte er mit dem Leben AUTORENPORTRÄT Georg von Witzleben 1977 in München geboren aufgewachsen in Berlin ist ein

entfernter Verwandter Erwin von Witzlebens Nach Ausbildung zum Reserveoffizier studierte er Politikwissenschaften Geschichte Psychologie und BWL und promovierte zum Dr phil Er war mehrere Jahre Unternehmer anschließend wechselte er in die Industrie Zwischenzeitlich baute er ehrenamtlich die Hilfsorganisation ALEDURAS e V auf *Hitler's Ethic* R. Weikart,2009-07-20 In this book Weikart helps unlock the mystery of Hitler's evil by vividly demonstrating the surprising conclusion that Hitler's immorality flowed from a coherent ethic Hitler was inspired by evolutionary ethics to pursue the utopian project of biologically improving the human race Hitler Peter Longerich,2019 From one of the most prominent biographers of the Nazi period a new and provocative portrait of the figure behind the century's worst crimes Acclaimed historian Peter Longerich author of Goebbels and Heinrich Himmler now turns his attention to Adolf Hitler in this new biography While many previous portraits have speculated about Hitler's formative years Longerich focuses on his central role as the driving force of Nazism itself You cannot separate the man from the monstrous movement he came to embody From his ascendance through the party's ranks to his final hours as Führer in April 1945 Longerich shows just how ruthless Hitler was in his path to power He emphasizes Hitler's political skills as Germany gained prominence on the world's stage Hitler's rise to and ultimate hold on power was more than merely a matter of charisma rather it was due to his ability to control the structure he created His was an image constructed by his regime an essential piece self created of propaganda This comprehensive biography is the culmination of Longerich's life long pursuit to understand the man behind the century's worst crimes **All or Nothing** Jonathan Steinberg,2002-09-11 German and Italian fascist armies treated the Jews quite differently during the Second World War Jonathan Steinberg unravels the motives and force underpinning Nazism and Fascism and discusses the roots of atrocity during war *Swansong 1945* Walter Kempowski,2014-11-06 *Swansong 1945* chronicles four significant days in the last three weeks of WWII 20 April Hitler's last birthday 25 April when American and Soviet troops first met at the Elbe 30 April the day Hitler committed suicide and 8 May the day of the German surrender Side by side in these pages we encounter the voices of civilians fleeing on foot to the west British and American POWs dreaming of home concentration camp survivors loyal soldiers from both sides of the conflict and national leaders including Churchill Hitler and Mussolini A monumental account of survival suffering hope and despair *Swansong 1945* brings vividly to life a conflict whose repercussions are felt today

Als Hitlers Adjutant 193745 Book Review: Unveiling the Magic of Language

In an electronic era where connections and knowledge reign supreme, the enchanting power of language has become more apparent than ever. Its power to stir emotions, provoke thought, and instigate transformation is really remarkable. This extraordinary book, aptly titled "**Als Hitlers Adjutant 193745**," published by a highly acclaimed author, immerses readers in a captivating exploration of the significance of language and its profound effect on our existence. Throughout this critique, we will delve in to the book is central themes, evaluate its unique writing style, and assess its overall influence on its readership.

Als Hitlers Adjutant 193745 Introduction

Als Hitlers Adjutant 193745 Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Als Hitlers Adjutant 193745 Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Als Hitlers Adjutant 193745 : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Als Hitlers Adjutant 193745 : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Als Hitlers Adjutant 193745 Offers a diverse range of free eBooks across various genres. Als Hitlers Adjutant 193745 Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Als Hitlers Adjutant 193745 Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Als Hitlers Adjutant 193745, especially related to Als Hitlers Adjutant 193745, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Als Hitlers Adjutant 193745, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Als Hitlers Adjutant 193745 books or magazines might include. Look for these in online stores or libraries. Remember that while Als Hitlers Adjutant 193745, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Als Hitlers Adjutant 193745 eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Als Hitlers Adjutant 193745 full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Als Hitlers Adjutant 193745 eBooks, including some popular titles.

FAQs About Als Hitlers Adjutant 193745 Books

What is a Als Hitlers Adjutant 193745 PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Als Hitlers Adjutant 193745 PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Als Hitlers Adjutant 193745 PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Als Hitlers Adjutant 193745 PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Als Hitlers Adjutant 193745 PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
