Alternative Tourism in Turkey Istvan Egresi,2016-12-08 This book takes inventory of and evaluates the available resources for the development of alternative tourism in Turkey It examines the role of alternative tourism in future tourism development plans and proposes public policies necessary to assure sustainability Although tourism started later in Turkey than in the Western Mediterranean countries it has grown very rapidly during the last three decades

and today the country ranks among the top ten countries in the world in terms of both arrivals and receipts However most of the tourism development has been in the mass tourism sector or the so called sun sea sand tourism While crucial for the economic development of Turkey mass tourism in the absence of proper planning has happened in a haphazard manner leading to numerous environmental and socio cultural problems This book argues that in order to mitigate these problems Turkey should encourage the development of alternative forms of tourism Alternative Performativity of Muslimness

Amina Alrasheed Nayel,2017-01-26 The book highlights issues related to the construction of gender in Africa and African identity politics It explores the limitations of the constructed category of African Muslim woman in West Yorkshire Amina Alrasheed Nayel uses Black feminist epistemology along with postcolonial feminist and critical race theory to examine the multiple identities that Sudanese women negotiate in the UK The diverse settings of Islam and Islamic culture circumscribed around issues of performativity of Islam and identity construction in the diasporic space are unpacked in this volume In addition this work analyzes specific practices and performances starting with the multifaceted nature of Islam and the problematic concepts of Sunni Sufi Muslim woman race and blackness The book reveals that exile nostalgia and racial ethnic differences within Islam and the wider UK community underpin the performativity of Muslimness of the Sudanese women living in West Yorkshire and reiterates the importance of moving beyond the homogeneity of the idea of Muslim woman towards investigating the complexities of this group *National Union Catalog* ,1978 Includes entries for maps and atlases

The Bold Alternative Gary W. Charles,2001-01-01 Despite the fact that mainline churches have been on a membership decline for the last generation there are still active and healthy congregations where bright able thinking people have decided to stay and serve In this book Gary Charles studies these folks to find out what motivates them to remain in the church Written in a readable conversational style this book describes these people what they believe how they understand God and faith and what prompts them to take what has become a counter cultural stance to stay in church **Grand**
