Allgrown Its About Time:

All Grown Up Vi Keeland, 2019-07-08 A new sexy standalone from 1 New York Times Bestseller Vi Keeland When I first encountered Ford Donovan I had no idea who he was well other than the obvious Young gorgeous successful smart Did I mention young If I did it bears repeating Ford Donovan was too young for me Let s back up to how it all started My best friend decided I needed to start dating again So without my knowledge she set up a profile for me on a popular dating site one that invited men ages twenty one to twenty seven to apply for a date Those nicknamed Cunnilingus King were told they d go straight to the top for consideration The profile wasn t supposed to go live Another point that bears repeating it wasn t supposed to Nevertheless that s how I met Ford and we started messaging He made me laugh yet I was adamant that because of his age we could only be friends But after weeks of wearing me down I finally agreed to one date only my first after twenty years of being with my high school sweetheart I knew it couldn t last but I was curious about him Though you know what they say curiosity kills the cat My legs wobbled walking into the restaurant Ford was seated at the bar When he turned around he took my breath away His sexy smile nearly melted my panties But he looked so familiar As I got closer I realized why He was the son of the neighbor at our family s summer home The boy next door Only now he was all man I hadn t seen him in years I left the restaurant and planned to put the entire crazy thing behind me Which I did Until summer came And guess who decided to use his family s summer home this year All Grown Up April Hamilton, 2012-10 Following the first book Christmas Past to Christmas Present it is now twenty five years later Liz Watson s children are now grown up like many in their mid twenties they believe that the world is theirs for the taking Until one day when an unimaginable tragedy strikes which will wreck countless lives One of her children will not be able to face the consequences therefore will travel abroad in hope of purging the demons that haunts him or her daily making it impossible to get life back on track As each of Liz s children comes to a crossroad in his or her life it will bring mystery murder and corruption The worst being a case of sexual abuse to a minor as well as an eccentric kidnapping that will lead one to hope but demise for another This is a tale full of conspiracy suspense as well as an abiding love of family which altogether will leave the reader unable to put this book down If you enjoy reading this book you might be interested in reading Christmas Past to Christmas Present which is the first book in this series about the Watson Family Listings of all April Hamilton s books available books on www.AprilHamiltonbooks.com
