Allhallows Eve:

The Book of Hallowe'en Ruth Edna Kelley, 2016-09-25 The Book of Hallowe'en The History of Allhallows Eve By Ruth Edna Kelley Halloween or Hallowe'en also known as Allhalloween All Hallows Eve or All Saints Eve is a celebration observed in a number of countries on 31 October the eve of the Western Christian feast of All Hallows Day It begins the three day observance of Allhallowtide the time in the liturgical year dedicated to remembering the dead including saints hallows martyrs and all the faithful departed According to BBC Online it is widely believed that many Halloween traditions originated from the ancient Celtic harvest festival Samhain and that this Gaelic observance was Christianized by the early Church Samhain and other such festivals may have had pagan roots Some academics however support the view that Halloween began independently of Samhain and has solely Christian roots *Celtic Folklore* John Rhys, 2016-06-02 Published in 1901 this two volume work sheds light on folklore fieldwork and its difficulties providing English translations for each text

Celtic Folklore Welsh and Manx John Rhys, 2020-09-28 TOWARDS the close of the seventies I began to collect Welsh folklore I did so partly because others had set the example elsewhere and partly in order to see whether Wales could boast of any story tellers of the kind that delight the readers of Campbell's Popular Tales of the West Highlands I soon found what I was not wholly unprepared for that as a rule I could not get a single story of any length from the mouths of any of my fellow countrymen but a considerable number of bits of stories In some instances these were so scrappy that it took me years to discover how to fit them into their proper context but speaking generally I may say that as the materials such as they were accumulated my initial difficulties disappeared I was however always a little afraid of refreshing my memory with the legends of other lands lest I should read into those of my own ideas possibly foreign to them While one is busy collecting it is safest probably not to be too much engaged in comparison when the work of collecting is done that of comparing may begin But after all I have not attempted to proceed very far in that direction only just far enough to find elucidation here and there for

the meaning of items of folklore brought under my notice To have gone further would have involved me in excursions hopelessly beyond the limits of my undertaking for comparative folklore has lately assumed such dimensions that it seems best to leave it to those who make it their special study **Shropshire Folk-lore** Georgina Frederica Jackson,1883
