Berman, 2011-02-16 With crisp dialog outrageous characters and an absurd sense of humor it's no wonder British sitcoms are so well loved **Best of the Britcoms** covers the most noteworthy situation comedies ever to cross the pond Each entry combines a show summary with descriptions of standout episodes and behind the scenes details plus gives you production data and full cast listings And now the revised edition of this Britcom classic contains seven new chapters on programs that have aired in the U S since the original edition was published such as *The Office* *Extras* and *My Family* Fans of old school Britcoms won't be disappointed either as the revised edition also includes the later developments of older series storylines and detailed information on specials and cast reunions that have occurred in the intervening years Pick up this book kick back and get to know a Britcom **Coward Plays: 3** Noël Coward, 2014-05-01 The third volume of Coward's plays contains

some of his best work from the thirties *Design for Living* is about a triangular alliance between two men and a woman based on friends of Coward's which he waited to write until she and he and I had arrived by different roads in our careers at a time and a place when we felt we could all three play together with a more or less equal degree of success *Cavalcade* was Coward's most ambitious stage project set during the Boer War which cost 30 000 in its day and which includes scenes of the relief of the sinking of the Titanic and the coming of the Jazz Age *Conversation Piece* is a musical comedy that Noël wrote for the Parisian star Yvonne Printemps and includes the song *I'll Follow My Secret Heart* Also in the volume are three short plays from *Tonight at 8.30* including *Hands Across the Sea* a gentle satire of colonials and *London Society* *Still Life* which became the film *Brief Encounter* and *Fumed Oak* a suburban comedy about a worm who turns **Design for Living** Noël

Coward, 2023-05-04 Its fusion of passion and mischief remains striking and there is something undeniably heady about its celebration of a kind of sexual liberation that looks a lot like flippancy *Evening Standard* From 1930s bohemian Paris to the dizzying heights of Manhattan society a tempestuous love triangle unravels between a vivacious interior designer Gilda playwright Leo and artist Otto three people unashamedly and passionately in love with each other But can such a lavish love

affair survive the real world Exploring themes of bisexuality celebrity success and self obsession Design for Living is a stylish and scandalous comedy that is often revered as Coward s most controversial and risqu work This new edition is published in Methuen Drama s iconic Modern Classics series to coincide with the 50th anniversary of Coward s death and features a new introduction by Oliver Soden **'Allo, 'allo!** Jeremy Lloyd,1989 2nd volume of popular TV comedy show **Screening Ireland** Lance Pettitt,2000 Analysing historical and contemporary examples this book offers a thematically informed synthesis of influential research on Irish audio visual culture **The Sword of Ponsonby** David Mosey,2005-10-14 As head of the Guild of the Black Mages Guildmaster Ponsoby knows that you have to move with the times and thats what hes trying to do Hes opened negotiations with Titus Handcarte the First Speaker of East Castellian and not only has he won two enormously profitable research contracts but also has got Handcarte to repeal the age old prohibition that barred occult professionals from practising in East Castellian So everything in the garden should be lovely And it would be except for Montmorency Mage Montmorency the most expert and powerful of the Black Mages is dead set against Ponsonbys plan But to the creative manager such opposition is an opportunity not a problem With the enthusiastic support of his other colleagues Ponsonby binds Montorency imprisons him behind countless tons of solid rock So now everything in the garden is lovely Well not exactly no Just as the rock closed about him Montmorency managed to get a message off to Mission Implausible the scruffiest bunch of anarchical heroes ever to disgrace the pages of a fantasy novel Never mind their addiction to beer and gratuitous violence Never mind their cavalier attitude to property that isnt bolted down And never mind the fact that Andrew Cruickshank their mercurial magic user combines the reliability of the weather forecast with the destructive potential of Chernobyl The big question is whether Mission Implausible can get their production of Blood on the Rooftops Blood on the Tiles into workable shape by opening night And get the Guild of the Black Mages sorted out too of course Ponsonby doesnt know anything about their play but he does know Cruickshank and his band of hooligans are on the way and so does Titus Handcarte Ponsonby can call upon the awesome occult forces of the Guild and Handcarte has at his beck and call the economic and military might of East Castellian so theyre confident Playing at home they should be able to send Mission Implausible down to a four nil defeat at the very least But there are a number of things theyve left out of their calculations They havent reckoned on the power of an aroused student body They havent understood the influence of thousands of years of theatrical tradition They havent the faintest idea of just how implacably devious disruptive and destructive Mission Implausible can be And theyve totally neglected air defence Mission Implausible doesnt bother with calculation When theyre not in rehearsals or instigating disgraceful scenes at disreputable taverns they get to work fomenting student unrest and bombarding the Guild precincts with surplus theatrical equipment while Andrew Cruickshank infiltrates the Guild itself in search of Montmorency All the ingredients are there for one of the most shambolic episodes ever to be expunged from Guild records **The Passions of Fabienne** Mircea Colesnic,2017-11-03 This is the story spanning 25 years of Fabienne s passion
