The Almost Perfect Murder Hulbert Footner, 2017-09-05 **The Almost Perfect Murder Investigating the Almost Perfect Murders** Anthony Nott, 2020-03-30 A British detective superintendent recounts a remarkable ten year investigation and other compelling murder cases he worked in his long police career Anthony Nott joined the Metropolitan Police in 1971 in a very different world from that of today In this memoir he describes his early experiences in the Met including the arrest of a man for murdering a prostitute in Kings Cross He was present when a fellow police officer was almost stabbed to death and witnessed an act of police brutality when he interrupted the beating of a petty criminal in a cell by the CID In 1976 he transferred to the county force of Dorset where not long after his promotion to detective sergeant he engaged in what would be a ten year long investigation into the disappearance of Monica Taylor leading to the eventual conviction of her husband Peter for what was almost the perfect murder Monica s remains were never found He also recounts a series of other cases in which he was involved from the murder and decapitation of a woman in Bournemouth and the random killing of another to the extremely violent killing of a gay man in Boscombe Gardens Bournemouth in which it took two years to bring the perpetrators to justice While he served as a DCI in Bournemouth in 1994 the chance visit of a detective sergeant from Guernsey who was investigating a life insurance fraud led to the reopening of a missing person enquiry from eight years earlier and resulted in the conviction of Russell Causley for murder despite his wife s body also never being recovered This book provides an insight into the methodical and transparent way in which the police investigate complicated crimes from riots to almost perfect murders

Almost Perfect Murders Hy Conrad, 1997 Pit your wits against a shrewd detective who s trying to solve diabolical murders all over the world Follow the elegantly enigmatic plot twists keep track of the carefully laid out clues and see who s first to nab the culprit you or the pro At the end of each story are three questions you must answer to beat the seasoned gumshoe

Almost Perfect Greg Fogarty, 2011-02-25 On July 2 1970 tourists in Australia spotted a smashed car teetering precariously on a cliff edge overlooking the raging ocean below It seemed the car would fall into the water at any moment but the car lingered as did a mystery revealed when police traced the license plate to the Crawford household Here the police discovered the shocking truth a mother and her three children had been murdered with the husband and father now missing the main suspect The quadruple homicide sent a wave of panic through Australia Where

was the husband And what would make a father kill his own children There was much speculation but few answers as the Crawford patriarch remained missing Forty years passed forty years of Australia's Most Wanted police dead ends and silence until an unidentified body appears in a Texas morgue Almost Perfect is the firsthand look at a terrible crime from the perspective of Greg Fogarty a neighbor to the Crawford family and later a member of the Victoria Police Force Australia Using his skills of observation and investigation Fogarty has put together a tragic and detailed crime narrative with a shocking conclusion Could a morgue in San Angelo Texas hold the body of Australia's most sought after murderer or will the Crawford homicide remain unsolved forever *The Almost Perfect Murder* Hulbert Footner, 2018-10-10 The Almost Perfect Murder Large Print By Hulbert Footner The powder marks around the wound could be seen by all In his confusion and excitement the butler felt that he ought to notify his master of what had happened before sending for the police Nobody in the house knew where Mr Whittall was dining that night and the butler started telephoning around to his clubs and to the houses of his most intimate friends in the endeavour to find him He could not get any word of him He was still at the telephone when Mr Whittall returned home This would be about eleven Mr Whittall's first act was to telephone to the local police station He upbraided the butler for not having done so at once A few minutes later the police were in the house Mrs Whittall's own maid had identified the revolver as one belonging to her mistress She had testified that she had seen nothing strange in the behaviour of her mistress before she left the house *Almost Perfect Crimes* Hy Conrad, 1995 Presents seventeen short crime stories with sections giving clues and solutions for each **An Almost Perfect Murder** John Suter-Linton, 2006 On a Sunday evening Ricky Conway mother of two and estranged wife of a serving police officer was found deceased in her Canberra suburban home Police suspected Ricky had committed suicide as the day before she had tried but failed But one detective on the case noticed something unusual the toilet seat had been left up Ricky however had been home alone all weekend From this one observation suspicions grew and an exhaustive investigation was launched into her death Some thought the detectives were wasting their time particularly as they began to focus on one of their own Despite criticism the investigation continued uncovering an evil conspiracy of deceit and manipulation Even so there was no hard evidence to incriminate their prime suspect John Conway The pressure was on the investigators to find the evidence or disband It seemed Ricky's murder would be unsolved that was till a break through came from an unlikely source Without it Ricky's death would have been a perfect murder **Murder! Too Close To Home** JT Lewis, 2014-03-05 We both leaned against the old house peeling paint digging into my arms as I glanced into the window She was there Raising her gun toward the Sheriff she took careful aim as a maniacal sneer formed on her lips You disgust me she snarled with unbounded rage Throwing her head back suddenly she let loose a loud evil laugh straight from the bowels of hell At least this way I get to personally witness your last breath she grinned as she cocked her gun Quite the consolation prize I assure you I glanced over at Frank who nodded as he tensed himself to break through the door Cocking my own weapon I knew that this was the moment capture or kill this all

ended now I damn you to Hell Sheriff she shouted next You should feel right at home there Frank burst through the door with me close behind I had no way of knowing that this would be the moment that changed my life forever J T Lewis is the author of the Adventures of Gabriel Celtic series which includes Murder Too Close To Home Gabriel s Revenge In Case of Death and The Book of Gabriel Watch for the release of Murmansk coming the summer of 2015 And check out J T Lewis newest series The Nick Behr mysteries Being Crazy is all fun and games until somebody dies Includes previews of In Case of Death and The Artifact Hunter Herefordshire Murders and Misdemeanours David Phelps,2024-07-15 A look at the dark side of life in Herefordshire through the centuries This book will fascinate anyone with an interest in the history of crime as well as those who want to know more about the history of this area **Don't Bug Me; I'm Reading** Bill York,2012-05-31 My cathedral is in an isolated wilderness away from contemporary blight After several years of marriage my wife describes me as odd I prefer eccentric She calls me a cheapskate I am frugal I also choose to be different we put way too much emphasis on the words Hall of Fame legend glamour champion celebrity and famous I may admire but never idolize Heroes arent on golf courses nor in stadiums but in the uniforms of our firefighters military and police officers There are no idols in my life Stars are to be revered only in the night sky not in Hollywood Rather than sit in a night club involved in inane conversations I would rather see hummingbirds performing aerobatics canoe a rogue river watch a moose cavorting with her calf in a turbulent stream see the Aurora Borealis fire streamers of color across a darkening sky study undulating lines of snow geese buffeted by lofty winds honking their way to their mysterious destinations There are yet unseen wonders in nature My adventurous nature was established when I lived for a month on a Chipewyan reservation in Manitoba hunting seal and bear from a dog sled using harpoons and bow and arrows living the way of their ancestors Frogs in a well have a limited view of the limitless sky Beyond every horizon there is a horizon I have canoed the Mackenzie River in Canadas Northwest Territory the Churchill in Manitoba Fraser River in British Columbia the Deschutes in Oregon and the Wolverine in Nunavut I lust to explore each wilderness on earth where overpopulation has not contaminated the environment Time away from the fallacies of civilization is regenerative **Homicide** Bal K. Almost Perfect Murders Introduction

In the digital age, access to information has become easier than ever before. The ability to download Almost Perfect Murders has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Almost Perfect Murders has opened up a world of possibilities. Downloading Almost Perfect Murders provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Almost Perfect Murders has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Almost Perfect Murders. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Almost Perfect Murders. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Almost Perfect Murders, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Almost Perfect Murders has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a

popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
