Castle is at the heart of Northumberland England s most northerly county a land filled with ancient market towns golden
beaches moorland and the remains of Hadrian s Wall This imposing medieval castle sits by the River Aln on the edge of
Alnwick town overlooking a landscape by Capability Brown The home of the Duke and Duchess of Northumberland Alnwick
Castle has belonged to the Percy family for over seven centuries One of the largest inhabited castles in Britain it is also
visited by hundreds of thousands of people every summer Some visitors are intrigued by the staterooms some because the
castle was used as Hogwarts in the first two Harry Potter movies very few until now have seen the private rooms With unique
access to both the castle and the Percy family archives and the full cooperation of the Duke and Duchess their staff builders
and interior designers James McDonald takes the reader on a tour of twenty first century castle living He goes behind the
scenes to talk to those who help make the castle function as a home for a modern family and he visits both the extraordinary
garden and the surrounding Hulne park While describing the changes each generation of Dukes and Duchesses has bought
above all this is the story of Jane Northumberland who since becoming Duchess in 1995 has remade the private side and has
renovated the state rooms blending English country house style with the existing Italianate grandeur Illustrated with archive
