Alternative American Religions:

Alternative American Religions Stephen J. Stein, 2003-04-24 Alternative religious groups have had a profound influence on American history they have challenged the old and opened up new ways of thinking about healing modes of meaning religious texts and liturgies the social and political order and the relationships between religion and race class gender and region Virtually always the dramatic dynamic history of alternative religions runs parallel to that of dissent in America *Communities of Dissent* is an evenhanded and marvelously lively history of New Religious Movements in America Stephen J Stein describes the evolution and structure of alternative religious movements from both sides the critics and the religious dissenters themselves Providing a fascinating look at a wide range of New Religious Movements he investigates obscure groups such as the 19th century Vermont Pilgrims who wore bearskins and refused to bathe or cut their hair alongside better known alternative believers including colonial America's largest outsider faith the Quakers 17th and 18th century Mennonites Amish and Shakers and the Christian Scientists Jehovah's Witnesses Black Muslims and Scientologists of today Accessible and comprehensive *Communities of Dissent* also covers the milestones in the history of alternative American religions from the infamous Salem witch trials and mass suicide murder at Jonestown to the positive ways in which alternative religions have affected racial relations the empowerment of women and American culture in general

Communities of Dissent Stephen J. Stein, 2003-04-24 The book also covers the milestones in the history of alternative American religions from the infamous Salem witch trials and mass suicide murder at Jonestown to the positive ways in which these religions have affected racial relations and the empowerment of women **BOOK JACKET** [America's Alternative Religions](#) Timothy Miller, 1995-07-01 This is a single volume source of reliable information on the most important alternative religions covering for each such essentials as history theology impact on the culture and current status The chapters of the book were written by experts who study the movements they have written about **Alternative American Religions** Stephen J. Stein, 2000 Through their role in the development of the First Amendment and their exercise of the freedoms it grants alternative religious groups have had a profound influence on American history As Stephen J Stein points out in this vivid overview the history of alternative religion from colonial Puritans to late 20th century Branch Davidians runs parallel to that of dissent in America Committed to fairness of representation Stein describes the evolution and structure of alternative religious movements from both sides the critics and the religious dissenters themselves He investigates obscure groups such as the 19th century Vermont Pilgrims who wore bearskins and refused to bathe or cut their hair alongside better known alternative believers including colonial America's largest outsider faith the Quakers 17th and 18th century Mennonites Amish and Shakers and the Christian Scientists Jehovah's Witnesses Black Muslims and Scientologists of today The book also covers the milestones in the history of alternative American religions from the infamous Salem witch trials and mass suicide murder at Jonestown to the positive ways in which these religions have affected racial relations and the empowerment of women

Religion in American Life explores the evolution character and dynamics of organized religion in America from 1500 to the present day Written by distinguished religious historians these books weave together the varying stories that compose the religious fabric of the United States from Puritanism to alternative religious practices Primary source material coupled with handsome illustrations and lucid text make these books essential in any exploration of America s diverse nature Each book includes a chronology suggestions for further reading and index America's Alternative Religions Timothy

Miller,1995-01-01 This is a source of reliable information on the most important new and alternative religions covering history theology impact on the culture and current status It includes a chapter on the Branch Davidians *Alternative*

Religions Stephen Hunt,2003 Outside the remit of traditional Christianity alternative religion is seen as controversial by many and equated with so called cults Stephen Hunt s study explains what these religions are and who believes what and practises what in their numerous manifestations **Introduction to New and Alternative Religions in America** William

M. Ashcraft,Eugene V. Gallagher,2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith s legitimacy beliefs methods of conversion and other facets of a religious movement s viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions

focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more

America's Religions Peter W. Williams, 2015-11-15 A classroom perennial and comprehensive guide America s Religions lays out the background beliefs practices and leaders of the nation s religious movements and denominations The fourth edition thoroughly revised and updated by Peter W Williams draws on the latest scholarship In addition to reconsidering the history of America s mainline faiths it delves into contemporary issues like religion s impact on politics and commerce the increasingly high profile of Buddhism Hinduism and Islam Mormonism s entry into the mainstream and battles over gay marriage and ordination

Alternative Religions Stephen J. Hunt, 2017-09-28 Title first published in 2003 Alternative religions attract great public academic and government interest in our apparently post Christian society Yet how did all the alternatives develop what are their beliefs and practices and how significant is their impact in terms of the world s religions and society This book presents a comprehensive introduction to the major forms of alternative religions Cults Sects New Religious Movements the New Age Fundamentalism Pentecostalism Ethnic Religions and Quasi religions Stephen Hunt presents sociological insights into the rise of alternative religions their beliefs and practices their impact who joins them and how they are being classified and could be re classified in the future Public and legal controversies surrounding some alternative religions such as the so called dangerous cults are also explored This book offers students insights into contemporary themes such as secularisation post modernity links between religion healing and and changes in our global culture

New Age and Neopagan Religions in America Sarah M. Pike, 2004 Sarah Pike traces the history of New Age and Neopagan religions in the United States from their origins in the nineteenth century to their reemergence in the 1960s counterculture She also considers the differences and similarities between the New Age and Neopagan movements as well as the antagonistic relationship between these two practices and other religions in America particularly Christianity Covering such topics as healing gender and sexuality millennialism and ritual experience she offers a sympathetic yet critical treatment of religious practices often marginalized yet soaring in popularity Her book is a rich analysis of these spiritual worlds and social networks and questions why these faiths are flourishing at this point in American history

Mexican American Religions Gastón Espinosa, Mario T. García, 2008-07-08 A multidisciplinary collection of essays examining the influence of Mexican American religion on Mexican American literature art politics and popular culture

Introduction to New and Alternative Religions in America: Metaphysical, New Age, and neopagan movements

Eugene V. Gallagher, W. Michael Ashcraft, 2006 Annotation Most new or alternative religions are gravely misunderstood by members of the religious mainstream. Labeled cults or sects, groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large. Despite their efforts at educating the general public, the various anti and counter cult activists have in fact promoted much more misunderstanding than accurate understanding of the religious lives of some of their fellow citizens. Consequently, they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so-called mainstream. This set rectifies the situation by presenting accurate, comprehensive, authoritative, and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context. Determining what actually constitutes a new or alternative religion is a subject of constant debate. Questions arise as to a new faith's legitimacy, beliefs, methods of conversion, and other facets of a religious movement's viability and place in a given culture. How a religion gains recognition by the mainstream, which often labels such new movements as cults, is fraught with difficulty, tension, and fear. Here, experts delineate the boundaries and examine the various groups, beliefs, movements, and other issues related to new faiths and alternative beliefs. Readers will come away with a fuller understanding of the religious landscape in America today.

Volume 1: History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them. This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved.

Volume 2: Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths. Groups such as the Shakers, the People's Temple, the Branch Davidians, Jehovah's Witnesses, and others are examined.

Volume 3: Metaphysical, New Age, and Neopagan Movements looks at Shamanism, Spiritualism, Wicca, and Paganism among other movements as they have developed and grown in the U.S. These faiths have found new and devoted followers yet are often misunderstood.

Volume 4: Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions. From Baha'i to Soka Gakkai, from Adidam to the Vedanta Society, contributors look at a full range of groups practicing and worshiping in the U.S. today.

Volume 5: African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora, such as Rastafarianism, Santeria, and the Nation of Islam, alongside traditions that are truly American incarnations like Scientology, UFO religions, and Heaven's Gate. Some of the new and alternative religions covered in these pages include Shamanism, Wicca, Black Israelites, Santeria, Scientology, Elan Vital, Hare Krishna, Soka Gakkai, and many more.

Alternative Religions Stephen Hunt, 2017-12-15 This title was first published in 2003. Alternative religions attract great public, academic, and government interest in our apparently post-Christian society. Yet how did all the alternatives develop? What are their beliefs and practices, and how significant is their impact in terms of the world?

s religions and society This book presents a comprehensive introduction to the major forms of alternative religions cults sects new religious movements the New Age fundamentalism Pentecostalism ethnic religions and quasi religions Stephen Hunt presents sociological insights into the rise of alternative religions their beliefs and practices their impact who joins them and why and how they are being classified and could be re classified in the future Public and legal controversies surrounding some alternative religions such as the so called dangerous cults are also explored Offering a broad introduction to alternative religions this book offers students added insights into contemporary themes such as secularization post modernity links between religion healing and human potential and changes in our global culture

The Future of Metaphysical Religion in America Mark Silk, Christopher White, 2021-12-13 This collection of essays by leading scholars explores the present dynamic state of metaphysical religion in America It includes chapters that put survey data on this growing group in context clarify definitional issues in the study of spirituality in general and metaphysical spirituality in particular and assess the networks conferences rituals festivals retreat centers and periodicals recently developed by metaphysicals The contributors discuss characteristic practices of mental healing and meditation and show the reach of metaphysical ideas into public spaces and popular media cultures One particular chapter also addresses the growing controversy over the legitimacy of metaphysical individuals and movements that appropriate elements of Native American and Asian religious beliefs and practices to enrich or sustain their own practice This rich collection appeals to students researchers professionals and the layperson interested in knowing more about the history and more importantly the direction that American metaphysical religion is taking

Introduction to New and Alternative Religions in America Eugene V. Gallagher, William M. Ashcraft, 2006-10-30 Most new or alternative religious are gravely misunderstood by members of the religious mainstream Labeled cults or sects groups and their members are often ridiculed or otherwise disregarded as weird and potentially dangerous by the populace at large Despite their efforts at educating the general public the various anti and counter cult activists have in fact promoted much more mis understanding than accurate understanding of the religious lives of some of their fellow citizens Consequently they have helped to create a very hostile environment for anyone whose religious practices do not fit within a so called mainstream This set rectifies the situation by presenting accurate comprehensive authoritative and accessible accounts of various new and alternative religious movements that have been and are active in American society and it addresses ways of understanding new and alternative religions within a broader context Determining what actually constitutes a new or alternative religion is a subject of constant debate Questions arise as to a new faith's legitimacy beliefs methods of conversion and other facets of a religious movement's viability and place in a given culture How a religion gains recognition by the mainstream which often labels such new movements as cults is fraught with difficulty tension and fear Here experts delineate the boundaries and examine the various groups beliefs movements and other issues related to new faiths and alternative beliefs Readers will come away with a fuller understanding of the religious landscape in America

today Volume 1 History and Controversies discusses the foundations of new and alternative religions in the United States and addresses the controversies that surround them This volume helps readers better understand what makes a new or alternative belief system a religion and the issues involved Volume 2 Jewish and Christian Traditions explores the various new religions that have grown out of these two Abrahamic faiths Groups such as the Shakers the People s Temple the Branch Davidians Jehovah s Witnesses and others are examined Volume 3 Metaphysical New Age and Neopagan Movements looks at Shamanism Spiritualism Wicca and Paganism among other movements as they have developed and grown in the U S These faiths have found new and devoted followers yet are often misunderstood Volume 4 Asian Traditions focuses on those new and alternative religions that have been inspired by Asian religious traditions From Baha i to Soka Gakkai from Adidam to the Vedanta Society contributors look at a full range of groups practicing and worshiping in the U S today Volume 5 African Diaspora Traditions and Other American Innovations examines the various traditions linked to the African diaspora such as Rastafarianism Santeria and the Nation of Islam alongside traditions that are truly American incarnations like Scientology UFO religions and Heaven s Gate Some of the new and alternative religions covered in these pages include Shamanism Wicca Black Israelites Santeria Scientology Elan Vital Hare Krishna Soka Gakkai and many more

A Documentary History of Religion in America Since 1877 Edwin S. Gaustad, Mark A. Noll, 2003-09-19 A richly variegated selection of short documents illustrative of the history of religion in America The best source book available to contemporary students and general readers

The Blackwell Companion to Religion in America Philip Goff, 2010-03-25 This authoritative and cutting edge companion brings together a team of leading scholars to document the rich diversity and unique viewpoints that have formed the religious history of the United States A groundbreaking new volume which represents the first sustained effort to fully explain the development of American religious history and its creation within evolving political and social frameworks Spans a wide range of traditions and movements from the Baptists and Methodists to Buddhists and Mormons Explores topics ranging from religion and the media immigration and piety though to politics and social reform Considers how American religion has influenced and been interpreted in literature and popular culture Provides insights into the historiography of religion but presents the subject as a story in motion rather than a snapshot of where the field is at a given moment

Alternative Sociologies of Religion James V Spickard, 2018-03-06 Uncovers what the sociology of religion would look like had it emerged in a Confucian Muslim or Native American culture rather than in a Christian one Sociology has long used Western Christianity as a model for all religious life As a result the field has tended to highlight aspects of religion that Christians find important such as religious beliefs and formal organizations while paying less attention to other elements Rather than simply criticizing such limitations James V Spickard imagines what the sociology of religion would look like had it arisen in three non Western societies What aspects of religion would scholars see more clearly if they had been raised in Confucian China What could they learn about religion from Ibn Khaldun the famed 14th century Arab scholar What would

they better understand had they been born Navajo whose traditional religion certainly does not revolve around beliefs and organizations Through these thought experiments Spickard shows how non Western ideas understand some aspects of religions even of Western religions better than does standard sociology The volume shows how non Western frameworks can shed new light on several different dimensions of religious life including the question of who maintains religious communities the relationships between religion and ethnicity as sources of social ties and the role of embodied experience in religious rituals These approaches reveal central aspects of contemporary religions that the dominant way of doing sociology fails to notice Each approach also provides investigators with new theoretical resources to guide them deeper into their subjects The volume makes a compelling case for adopting a global perspective in the social sciences World Religions in America, Fourth Edition Jacob Neusner, 2009-10-07 The fourth edition of World Religions in America continues its lauded tradition of providing students with reliable and nuanced information about America s religious diversity while also reflecting new developments and ideas Each chapter was updated to reflect important changes and events and current statistics and information New features include a timeline of key events and people for each tradition sidebars on major movements or controversies personal stories from members of various faiths a theme based organization of subjects more subheads three new chapters exploring America s increasing religious diversity and suggestions for further study

Whispering the Secrets of Language: An Mental Quest through **Alternative American Religions**

In a digitally-driven world wherever monitors reign supreme and quick interaction drowns out the subtleties of language, the profound strategies and psychological subtleties concealed within words often get unheard. Yet, located within the pages of **Alternative American Religions** a captivating literary prize pulsating with organic emotions, lies an exceptional journey waiting to be undertaken. Alternative American Religions Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Alternative American Religions free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Alternative American Religions free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced

search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Alternative American Religions free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Alternative American Religions. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Alternative American Religions any PDF files. With these platforms, the world of PDF downloads is just a click away.
