Science Fiction and the Dismal Science Gary Westfahl, Gregory Benford, Howard V. Hendrix, 2019-12-10 Despite the growing importance of economics in our lives literary scholars have long been reluctant to consider economic issues as they examine key texts This volume seeks to fill one of these conspicuous gaps in the critical literature by focusing on various connections between science fiction and economics with some attention to related fields such as politics and government Its seventeen contributors include five award winning scholars five science fiction writers and a widely published economist Three topics are covered what noted science fiction writers like Robert A Heinlein Frank

Herbert and Kim Stanley Robinson have had to say about our economic and political future how the competitive and ever changing publishing marketplace has affected the growth and development of science fiction from the nineteenth century to today and how the scholars who examine science fiction have themselves been influenced by the economics of academia Although the essays focus primarily on American science fiction the traditions of Russian and Chinese science fiction are also examined A comprehensive bibliography of works related to science fiction and economics will assist other readers and critics who are interested in this subject

Collected

Ancient Greek Novels B. P. Reardon, 2019-05-07 Prose fiction although not always associated with classical antiquity flourished in the early Roman Empire not only in realistic Latin novels but also and indeed principally in the Greek ideal romance of love and adventure Enormously popular in the Renaissance these stories have been less familiar in later centuries Translations of the Greek stories were not readily available in English before B P Reardon's first appeared in 1989 Nine complete stories are included here as well as ten others encompassing the whole range of classical themes romance travel adventure historical fiction and comic parody A foreword by J R Morgan examines the enormous impact this groundbreaking

collection has had on our understanding of classical thought and our concept of the novel **Re-examining the Holocaust through Literature** Aukje Kluge,Benn E. Williams,2009-03-26 In the late 1980s Holocaust literature emerged as a provocative but poorly defined scholarly field The essays in this volume reflect the increasingly international and pluridisciplinary nature of this scholarship and the widening of the definition of Holocaust literature to include comic books fiction film and poetry as well as the more traditional diaries memoirs and journals Ten contributors from four countries engage issues of authenticity evangelicalism morality representation personal experience and wish fulfillment in Holocaust literature which have been the subject of controversies in the US Europe and the Middle East Of interest to students and instructors of antisemitism national and comparative literatures theater film history literary criticism religion and Holocaust studies this book also contains an extensive bibliography with references in over twenty languages which seeks to inspire further research in an international context **Narrative Fiction and Death** Sabine Köllmann,2023-09-29 Narrative Fiction and Death Dying Imagined offers a new perspective on the study of death in literature It focuses on narrative fiction that conveys the experience of dying from the internal perspective of a dying protagonist Writers from Victor Hugo in the early 1800s to Elif Shafak in the present day have imagined the unknowable final moments on the threshold to death This literary study examines the wide range of narrative strategies used to evoke the transition from life to death and to what effect revealing not only each writer s unique way of representing the dying experience the comparative reading also finds common concerns in these texts and uncovers surprising parallels and unexplored intertextual relations between works across time and space that will interest comparatists as well as specialists in the literatures discussed Students of individual texts examined here will benefit from detailed analyses of these works The fictional evocation of dying addresses our basic human fears offering catharsis consolation and a greater cognitive and emotional understanding of that unknowable experience Presented in an engaging and highly readable manner this study argues for literature s potential to challenge our assumptions about the end of life and change our approach to dying an aspect that will interest students and researchers of the health humanities palliative caregivers and all those interested in questions of the end of life *American Jewish Year Book, 1996.* ,1995 The Library owns the volumes of the American Jewish Yearbook from 1899 current *AB Bookman's Yearbook* ,1984 **Cassette Books** Library of Congress.
