O'Brien, 2013-10-08 Paul Hereford does not feel like someone who is coming home As he turns onto the two lane road leading into his hometown Chouteauville Missouri he has no idea he is about to embark on a life changing odyssey that will bring him both heartache and a redemption he didn't know he needed After decades of a political life and a literary career on the East Coast Paul buys a plot of land in Chouteauville and settles in his new haven to write one more book He is the author of numerous obscure novels but now he's trying something he's never done before serious nonfiction As he seeks out former friends and new acquaintances however the writing becomes more difficult the memories become clearer and the characters become more familiar Paul's childhood best friend his high school crush and the little neighbor girl are just a few of the people that create the seasoned writer's new world and help him understand exactly what he needs *The Vampires of Eden* shares one man's evocative journey of atonement and the pursuit of peace as he discovers the past is never really past [Field Flowers](#) Julia M.
