The Teenager with a Chameleon Soul Cindy McElroy, 2017-09-29 Meet Sadie MacPhearson. She's seventeen and lives in a ritzy artsy beach town called Mariposa Beach, California. Blond, bootylicious, and beautiful, she's a main chick of the Pop Crowd, the most flawless-looking, smartest, trendiest, richest, fabulous group of party animals at Mariposa Beach High School. She wants one thing to keep her secret, but it's always lingering above her head. When the administrators want to assess her for a learning disability, she coats inhibitions and fears with alcohol, which in turn causes serious damage in her life. Mostly her chameleon soul. After struggling to blend in senior year, Sadie finds herself without her dear grandmother, with disgusted parents, three hundred and sixty mandatory volunteer hours, and AA meetings. No driver's license or Jeep, zero friends, and cognitively low classes. Feeling like success is not an option with her learning disability, she sits behind building C next to an overweight military-loving book nerd, Jay Felix, on the first day of senior year. He pushes her to be her best self. But even at her best, can Sadie overcome her learning disability, her struggles with alcohol, and graduate from high school at the cutthroat Mariposa Beach High School, or will the lure of the Pop Crowd take her down?

On the Road Home Eunice Long, 2010-07-23 On the Road Home is proof that any family can have a great life with love and laughter. This family had some heartaches but never more than they could handle. Because of love, no hard feelings or grudges are held against anyone. Love and forgiveness is the answer. They live, love, and laugh. They picnic and play. They drift on the lake. They all have jobs and they work. They travel to see and to appreciate the awesome landscapes and they know who gets the credit. They lose a dear family member, but two more are born. If anyone needs help, there's someone near with hands out. The answer to a good life is to live, love, and laugh. But it only happens to those who are on the road home.

My Mind, My Thoughts, and My Reasons Allison Barrault, 2014-10-07 Allison, like so many individuals, had a sad childhood. As a teen, she felt very alone and unloved. As a young woman, she searched for answers not easily found. In love and in marriage, she failed not once but twice. Only this time, Allison is not alone; she has 3 children. Would they suffer as she did? Would history repeat itself? Will poor Allison ever find happiness and break free from her destructive cycle? Read and find out in the story of Allison.

Bel Air Katherine Stone, 2022-03-15 All that glitters isn't gold; sometimes it's love. In the lush, sun-bright splendor of southern California, three women, three friends, search for the courage to dream, to trust, to love. But there are dark secrets and hidden betrayals that must first be overcome. A terrible accident has stolen Allison Fitzgerald's dreams, and it has taught her that life is too precious and too fragile to waste. So when she meets a man who evokes a passion in her that she has never known before, she surrenders to his love without questioning his secretive past. Gifted and beautiful actress Winter Carlyle has learned from painful experience that the people she loves always leave her, and that it is far too dangerous to care and that she is only liked when she is pretending to be someone she is not. Still, she is willing to risk everything for the doctor who sees beyond

the pretense But is he willing to risk everything for her Emily Rousseau only feels safe only feels free when she is behind the lens of her camera safe and free from the men who want her and want to hurt her The portraits she takes are works of art and there is one man unlike any other man she has ever known who sees not only the talent in her work but the loveliness in her But can she accept the love and face the demons that will free her from her past Praise for the novels of Katherine Stone Remarkably romantic and thoroughly enchanting Rendezvous on Pearl Moon Poignant Cass is an intrepid heroine but it is Chase who wins our hearts when he refuses to allow Cass s seeming betrayal to stop him from protecting his beloved Midwest Book Review on Bed of Roses Fairytale elements mix with those of a present day romance for thoroughly enjoyable results Kirkus Reviews on Rainbows With this tightly woven suspenseful plot peopled with memorable characters Stone has produced another surefire hit Booklist on Imagine Love Sweeping drama Her most emotionally charged and intricate story of love yet Romantic Times on Imagine Love Alluring Fascinating Each page brings a new adventure every plot twist another question begging to be answered Rendezvous on Imagine Love Katherine Stone writes in the vein of Danielle Steel and Sandra Brown Library Journal Katherine Stone s high quality romance ranks right up there with Nora Roberts Booklist
