

Life's Tragedy

**It may be misery not to sing at all,
And to go silent through the brimming day;
It may be misery never to be loved,
But deeper griefs than these beset the way.**

**To sing the perfect song,
And by a half-tone lost the key,
There the potent sorrow, there the grief,
The pale, sad staring of Life's Tragedy.**

**To have come near to the perfect love,
Not the hot passion of untempered youth,
But that which lies aside its vanity,
And gives, for thy trusting worship, truth.**

**This, this indeed is to be accursed,
For if we mortals love, or if we sing,
We count our joys not by what we have,
But by what kept us from that perfect thing.**

Paul Laurence Dunbar

Allpurpose Tragedy Poems

Gilbert Keith Chesterton

Greek Tragedy and the Modern World Leo Aylen,2025-02-03 First published in 1964 Greek Tragedy and the Modern World begins with the question what is Tragedy Most discussion assumes some essence of Tragedy in certain plays at certain periods and discussion today centres on whether it is possible or desirable for contemporary plays to attend to this essence There is considerable agreement about what this essence of Tragedy is But when we examine closely the works of Aeschylus Sophocles and Euripides we find that none of the important aspects of this essence of Tragedy applied to them Greek tragedies are not Tragedy Yet if we read or perform them we do discover a special attitude to life which they present By examining each of the works of the three Greek masters in turn the author has tried to define what this attitude to life consists of He then turns his attention to dramatists who have attempted with varying degrees of success to present aspects of this attitude in contemporary terms Buchner Ibsen Strindberg Miller Cocteau Gide Giraudoux Anouilh Sartre Gh on and Eliot He pays particular attention to such key concepts as myth and discusses the various forms of poetic language used by these writers The author assumes that one cannot criticise literature still less drama except in terms of a complete view of life and goes on to examine the claims of different philosophical systems and methods to provide this He believes that such a view is both possible and desirable in our time and indeed a necessary prerequisite for the emergence of modern tragedy This is a must read for scholars and researchers of Greek literature theatre studies and literature in general **Lectures on English History and Tragic Poetry** Henry Reed,1855 The Theatre of the Greeks ,1830 The Theatre of the Greeks, or the History, literature, and criticism, of the Grecian drama; with an original treatise by James Tate on the principal tragic and comic metres. Second edition. Altered and much enlarged by John William Donaldson Philip Wentworth BUCKHAM,1830

The Plays and Poems of William Shakspeare William Shakespeare,1853 *Lectures n English History and Tragic Poetry* Henry Reed,2020-09-10 Reprint of the original first published in 1869 Aristotle on the Function of Tragic Poetry Gregory Michael Sifakis,2001
