recent newcomers should minimize the influence of Hawaii's unique history on the developments taking place in the state today. Yet for decades the study and translation of century-old documents, Royal Patents, Land Commission Awards, and deeds to name a few, have been hampered by the lack of a comprehensive research tool. Now in a single volume, readers have an overview of commonly used words and phrases, survey practices, and documents that were recorded in Hawaiian before the turn of the century. The book also includes Hawaii's appellate cases that have defined such terms. With the publication of *A Dictionary of Hawaiian Legal Land Terms*, both professionals and non-professionals, Hawaiians and non-Hawaiians, have gained a valuable key to unlocking and understanding the past.

Hawaiian Dictionary Mary Kawena Pukui, Samuel H. Elbert, 1986-03-01. For many years *Hawaiian Dictionary* has been the definitive and authoritative work on the Hawaiian language. Now this indispensable reference volume has been enlarged and completely revised. More than 3,000 new entries have been added to the Hawaiian-English section, bringing the total number of entries to almost 30,000 and making it the largest and most complete of any Polynesian dictionary. Other additions and changes in this section include a method of showing stress groups to facilitate pronunciation of Hawaiian words with more than three syllables; indications of parts of speech; current scientific names of plants; use of metric measurements; additional reconstructions; classical origins of loan words; and many added cross-references to enhance understanding of the numerous nuances of Hawaiian words. The English-Hawaiian section, a complement and supplement to the Hawaiian-English section, contains more than 12,500 entries and can serve as an index to hidden riches in the Hawaiian language. This new edition is more than a dictionary. Containing folklore, poetry, and ethnology, it will benefit Hawaiian studies for years to come.

The Oxford Handbook of Indigenous American Literature James Howard Cox, Daniel Heath Justice, 2014. Over the course of the last twenty years, Native American and Indigenous American literary studies has experienced a dramatic shift from a critical focus on identity and authenticity to the intellectual, cultural, political, historical, and tribal nation contexts from which these Indigenous literatures emerge. *The Oxford Handbook of Indigenous American Literature* reflects on these changes and provides a complete overview of the current state of the field. The Handbook's forty-three essays, organized into four sections, cover oral traditions, poetry, drama, non-fiction, fiction, and other forms of Indigenous American writing from the seventeenth through the twenty-first century. Part I attends to literary histories across a range of communities, providing, for example, analyses of Inuit, Chicana/o, Anishinaabe, and M'is literary practices. Part II draws on earlier disciplinary and historical contexts to focus on specific genres as authors discuss Indigenous non-fiction, emergent trans-Indigenous autobiography, Mexican and Spanish poetry, Native drama in the U.S. and Canada, and even a new Indigenous children's literature canon. The third section delves into contemporary modes of critical inquiry to expound on politics of place, comparative Indigenism, trans-Indigenism, Native rhetoric, and the power of Indigenous writing to communities of readers. A final section thoroughly explores the geographical breadth and expanded definition of

Indigenous American through detailed accounts of literature from Indian Territory the Red Atlantic the far North Yucat n Amerika Samoa and Francophone Quebec Together the volume is the most comprehensive and expansive critical handbook of Indigenous American literatures published to date It is the first to fully take into account the last twenty years of recovery and scholarship and the first to most significantly address the diverse range of texts secondary archives writing traditions literary histories geographic and political contexts and critical discourses in the field **Kū Kanaka—Stand Tall** George S. Kanahele, 2021-05-25 Outstanding thinkers of the Western world are pulled into his creation adding luster interest and academic panache to this highly readable book

Obama - President & Kahuna? Erich J. Kreutzer , This book is no political book It explains in its first part the ancient Polynesian traditions of Huna and its Seven Principles Ho oponopono Ohana Talk Story and Dragon Dreaming and shows how to use them in our modern times In its second part it raises the question if President Obama can be seen as a Kahuna an expert in his field Not only because of his Hawaiian descent but also because of using consciously or unconsciously many elements of the Polynesian traditions in his speeches and books Kreutzer has analyzed Obama s books and more than forty speeches by Barack Obama He relates the results to the Seven Huna Principles Ho oponopono Ohana Dragon Dreaming and other Polynesian elements and shows that Barack Obama embodies a new type of leader The book illustrates that words and messages stripped bare of political meanings and brought into right context are timeless and can better our lives families communities and our entire world if we only would listen **The**

Our Hawaii: Islands and islanders Charmian London, 2006-01-01 Once upon a time only the other day when jovial King Kalakaua established a record for the kings of earth and time there entered into his Polynesian brain as merry a scheme of international intrigue as ever might have altered the destiny of races and places The time was 1881 the place of the intrigue

the palace of the Mikado at Tokio The record must not be omitted for it was none other than that for the first time in the history of kings and of the world a reigning sovereign in his own royal person put a girdle around the earth The intrigue It was certainly as international as any international intrigue could be Also it was equally as dark while it was precisely in alignment with the future conflicting courses of empires Manifest destiny was more than incidentally concerned When the manifest destinies of two dynamic races move on ancient and immemorial lines toward each other from east to west and west to east along the same parallels of latitude there is an inevitable point on the earth's surface where they will collide In this case the races were the Anglo Saxon represented by the Americans and the Mongolian represented by the Japanese The place was Hawaii the lovely and lovable beloved of countless many as Hawaii Nei Kalakaua despite his merriness foresaw clearly either that the United States would absorb Hawaii or that allied by closest marital ties to the royal house of the Rising Sun Hawaii could be a brother kingdom in an empire That he saw clearly the situation to day attests Hawaii Nei is a territory of the United States There are more Japanese resident in Hawaii at the present time than are resident other nationalities not even excepting the native Hawaiians The figures are eloquent In round numbers there are twenty five thousand pure Hawaiians twenty five thousand various Caucasians twenty three thousand Portuguese twenty one thousand Chinese fifteen thousand Filipinos a sprinkling of many other breeds an amazing complexity of intermingled breeds and ninety thousand Japanese And most amazingly eloquent of all statistics are those of the race purity of the Japanese mating In the year 1914 the Registrar General is authority for the statements that one American male and one Spanish male respectively married Japanese females that one Japanese male married a Hapa Haole or Caucasian Hawaiian female and that three Japanese males married pure Hawaiian females When it comes to an innate antipathy toward mongrelization the dominant national in Hawaii the Japanese proves himself more jealously exclusive by far than any other national Omitting the records of all the other nationals which go to make up the amazing mongrelization of races in this smelting pot of the races let the record of pure blood Americans be cited In the same year of 1914 the Registrar General reports that of American males who intermingled their breed and seed with alien races eleven married pure Hawaiians twenty five married Caucasian Hawaiians three married pure Chinese four married Chinese Hawaiians and one married a pure Japanese To sum the same thing up with a cross bearing in the same year 1914 of over eighteen hundred Japanese women who married only two married outside their race of over eight hundred pure Caucasian women who married over two hundred intermingled their breed and seed with races alien to their own Reduced to decimals of the females who went over the fence of race to secure fathers for their children 25 of pure Caucasian women were guilty 0014 of Japanese women were guilty in vulgar fraction one out of four Caucasian women one out of one thousand Japanese women
