over thirty kanikau dirges poetic chants written and published from 1845 to 1931 to honor deceased Ni ihau residents These compositions of deep emotion are treasuries of language history genealogy cultural knowledge and especially place names Another important contribution in this volume is the identification of lelo no eau proverbs and poetical sayings with demonstrations of their use in everyday conversation The book is divided into two main sections Ni ihau Place Names is an alphabetical list of prominent place names on the island accompanied by relevant passages in Hawaiian and their English translations The list also includes Lehua the small island near the northwest tip of Ni ihau Ni ihau History is an additional collection of articles that includes many lesser known place names and elucidates other topics deemed worthy by reporters and contributors of the time Following the main text readers will find helpful indexes of general terms place names and personal names
