## **Alone Together Voices Of Single Mothers:**

*Single Mothers and Their Children* Shurlee Swain, Renate Howe, 1995-12-11 This 1996 book is a comprehensive history of single motherhood in Australia. Shurlee Swain and Renate Howe tell the powerful if painful and often moving story of these women and their children and the lives they constructed. Starting in the 1850s when abandonment and infanticide were not uncommon, the book's main focus ends in 1975 when the legal status of illegitimacy was abolished. The book covers issues of baby farming, infanticide, abortion, sex education, birth control, adoption, and marriage, in effect becoming a history of sexual practice in Australia. While tracing profound changes from a time when single mothers were locked in gaol for discarding their babies to the establishment of state benefits, the authors find a good deal of continuity over the period. This book makes an important contribution to social welfare and women's history in Australia.

Single Women Tuula Gordon, 1994-03 The single woman is mistakenly seen to be a product of the twentieth century. Drawing on figures as diverse as Joan of Arc, Elizabeth I, and the Amazons, Gordon brings to light a powerful tradition of single womanhood and calls the marginality of single women into question.

**Female Forms** Thomas, Carol, 1999-08-01 What is the relevance of feminist ideas for understanding women's experiences of disability? How can the social model of disability be developed theoretically? What are the key differences between Disability Studies and medical sociology? In answer to these questions, this book explores and develops ideas about disability, engaging with important debates in disability studies about what disability is and how to theorize it. It also examines the interface between disability studies, women's studies, and medical sociology, and offers an accessible review of contemporary debates and theoretical approaches. The title *Female Forms* reflects two things about the book: first, its use of disabled women's experiences as told by themselves to bring a number of themes to life; and second, the author's belief in the importance of feminist ideas and debates for disability studies. The social model of disability is the book's bedrock, but the author both challenges and contributes to social modelist thought. She advances a materialist feminist perspective on disability, producing a book which is of multi-disciplinary relevance. *Female Forms* will be useful to the growing number of students on Disability Studies courses, as well as those interested in women's studies, medical sociology, and social policy. It will also appeal to those studying or working in the health and social care professions, such as nursing, social work, occupational therapy, and physiotherapy.

**Alone Together** Jenny Morris, 1992

**Hardship & Health Womens Lives** Hilary Graham, 2014-01-21 First published in 1993, there are around 16 million women in Britain aged 16 to 59. A total of 6,400,000 live in households with children under 16, representing 40 per cent of all women under retirement age. Employment Gazette 1990. The vast majority of women living in households with children are mothers looking after their own offspring. *Hardship and Health in Women's Lives* explores the lives of these 6 million women. It is particularly concerned with their domestic lives and with the responsibilities and routines that structure what they do at home.

Who's Fit to be a Parent? Mukti Jain Campion, 2005-06-29 In recent years, the notion of parenting and parenthood have increasingly come

under examination from the media and professionals and in particular government and politicians More and more parents are being held to account by society for their failure to deliver the sort of citizens it wants But what are parents supposed to be doing Are there some people that are inherently unfit to be parents and does there exist a body of knowledge that defines fit parenting Who s fit to be a parent covers this highly topical and important subject in a stimulating and accessible way that cuts across numerous professional disciplines and opens up the boundaries between professional and personal expertise on parenting It is essential reading for any professional or student of social work and social policy those working in the voluntary services concerned with the family social policy makers and for anyone interested in understanding what it means to be a parent today

**The Name of the Mother** Marie Maclean, 2022-09-12 In this original and highly accomplished study first published in 1994 Marie Maclean studies the writings of social rebels and explores the relationship between their personal narratives and illegitimacy The case studies which Maclean examines fall into four groups those which stress alternative family structures and female genealogies those which pair female illegitimacy and revolution those which question the deliberate refusal of the name of the father by the legitimate those which study the revenge of genius on the society which excludes it Skilfully interweaving feminist theory French literary criticism social and cultural history deconstruction and psychoanalytic theory Maclean traces the place of these personal narratives of illegitimacy in history and their use in theory from Elizabeth I to Freud Sartre and Derrida The Name of the Mother will be of vital interest and importance to any student of critical theory feminist philosophy French or cultural studies

Good Enough Mothering? Elizabeth Bortolaia Silva, 1996 Currently lone mothers and their children make up almost 20 per cent of families with dependent children in the UK a threefold increase since 1970 Yet while they are often cited by politicians as both a symptom and cause of social breakdown relatively little is known of the causes consequences and conditions of lone motherhood in Britain and throughout Europe Good Enough Mothering provides accounts of historical patterns of mothering and ideologies of the family with cross national comparisons of policies and experience of lone motherhood in developed and developing countries Countries include Britain US Norway South Africa Kenya Thailand India Brazil and the Caribbean This engaging edited collection will appeal to students of social policy women s studies and social work

EBOOK: Researching Disability Issues Michelle Moore, Sarah Beazley, June Maelzer, 1998-03-16 This book is designed to meet a growing need for clear illustrations of how to carry out research which seeks to explore disability issues It aims to demonstrate the value of a critical attention to social rather than medical starting points for researching disability through reviewing a variety of studies which look at different aspects of disabled people s lives Different methodological approaches and research techniques are considered ranging from analysis of observation data concerning disabled children in schools to rich conversation based data which focuses on family life A central theme concerns the pivotal role of disabled people in research The book provides substantive examples of the dilemmas which face researchers and connects these to ideas for individual personal action

Disabled and non disabled researchers professionals and students from a wide range of disciplines will find the presentation of both research findings and debates informative and of interest *Feminist Review* Feminist Review Collective,1995 A unique combination of the activist and the academic Feminist Review has an acclaimed place within women s studies courses and the women s movement Feminist Review is produced by a London based editorial collective and publishes and reviews work by women featuring articles on feminist theory race class and sexuality women s history cultural studies black and third world feminism poetry photography letters and much more Feminist Review is available both on subscription and from bookstores For a Free Sample Copy or further subscription details please contact Terry Sleight Routledge Subscriptions ITPS Ltd Cheriton House North Way Andover SP10 5BE UK

**Disabled Children and the Law** Janet Read,Luke Clements,David Ruebain,2006-02-20 Now in its completely updated second edition this accessible guide provides essential information about how the law can be used to promote good practice and policy development for disabled children and young people The authors take an anti discriminatory and inclusive approach that involves parents and children in decision making and advocacy

*Changing Family Values* Gill Jagger,Caroline Wright,2003-12-16 Changing Family Values offers a comprehensive introduction to contemporary debates and new research surrounding the family It explores how we define traditional family values and how these values are perceived as being under threat in contemporary society Ranging across politics social policy law and sociology the contributors focus on the diverse realities of contemporary family life Issues covered include the recent backlash against single mothers lesbian and gay families and the law men s changing roles within the family the future of the nuclear family This book is ideal for courses covering the family a central topic in sociology and women s studies

*(Dis)embodied Form* Anita Ghai,2003 With reference to India

**Childfree and Sterilized** Annily Campbell,1999-01-01 This book examines the relatively new social and medical phenomenon of women in the developed countries of the world choosing to remain childfree and electing for sterilization rather than continuing with other forms of contraception Twenty three voluntarily childfree sterilized women aged 22 to 51 years tell their stories revealing the struggles they faced in being women without children in a society which expects women to be mothers They describe the many barriers encountered on the way to being sterilized including prejudice from those around them as well as hostility and refusal from the medical profession The women recall how their reasons and decisions were ignored or pathologized by doctors who held unquestioned assumptions about how women should be Feminist and sociological perspectives are employed to highlight that voluntarily childfree women are perceived as abnormal not real women and are often the target of negative and critical comment

**Feminist Review** The Feminist Review Collective,2005-07-18 In this issue each article addresses a topical and controversial theme in contemporary feminist debate pornography the veil HRT disability and the Inkatha Women s Brigade

Motherhood in Literature and Culture Gill Rye,Victoria Browne,Adalgisa Giorgio,Emily Jeremiah,Abigail Lee Six,2017-06-26 Motherhood remains a complex and contested issue in feminist research as well as

public discussion This interdisciplinary volume explores cultural representations of motherhood in various contemporary European contexts including France Italy Germany Portugal Spain and the UK and it considers how such representations affect the ways in which different individuals and groups negotiate motherhood as both institution and lived experience It has a particular focus on literature but it also includes essays that examine representations of motherhood in philosophy art social policy and film The book s driving contention is that through intersecting with other fields and disciplines literature and the study of literature have an important role to play in nuancing dialogues around motherhood by offering challenging insights and imaginative responses to complex problems and experiences This is demonstrated throughout the volume which covers a range of topics including discursive and visual depictions of pregnancy and birth the impact of new reproductive technologies on changing family configurations the relationship between mothering and citizenship the shaping of policy imperatives regarding mothering and disability and the difficult realities of miscarriage child death violence and infanticide The collection expands and complicates hegemonic notions of motherhood as the authors map and analyse shifting conceptions of maternal subjectivity and embodiment explore some of the constraining and or enabling contexts in which mothering takes place and ask searching questions about what it means to be a mother in Europe today It will be of interest not only to those working in gender women s and feminist studies but also to scholars in literary and cultural studies and those researching in sociology criminology politics psychology medical ethics midwifery and related fields

**Researching Disability Issues** Moore, Michelle, Beazley, Sarah, Maelzer, June, 1998-03-01 This book is designed to meet a growing need for clear illustrations of how to carry out research which seeks to explore disability issues It aims to demonstrate the value of a critical attention to social rather than medical starting points for researching disability through reviewing a variety of studies which look at different aspects of disabled people s lives

Redeeming Singleness HyoJu Lee, 2017-02-16 Have you made a New Year s resolution to get married out of nowhere Did it work When the author turned thirty she put getting married on her New Year s resolution list not because she wanted to get married or had a boyfriend but because of social pressure in which she lived Social pressure made her think that if she wanted to ever get married it was better to do so sooner than later For three consecutive years she prayed about it and made efforts to form relationships After three years passed by she was still single and unhappy As she reflected on her unhappiness she finally realized that she was not happy because she was not able to accomplish a goal that was ultimately out of her control How absurd it was to put get married on my New Year s resolution As she eliminated marriage from her New Year s resolutions and focused on what she really wanted to do with her life her energy level was boosted Although she did not have any tool to frame her singleness she happened to choose the best course for her Only if she knew the socially constructed characteristics of marriage the first three years of her thirties would have been different The author hopes ministers and never married single women can learn what we think is normal is a very contextual product The author invites never married single women to own their own stories

instead of being owned by metanarratives in their lives      *Parenting and Disability* Olsen, Richard,Clarke, Harriet,2003-04-16 This book reports on the first substantial UK study of parenting disability and mental health which examines the views of parents and children in 75 families It provides a comprehensive review of relevant policy issues explores the barriers to full participation in parenting that disabled parents face examines the complex ways in which broader social issues interact with disability and advocated measures to support disabled parents and their families

Disability, Politics and the Struggle for Change Len Barton,2013-11-19 This book seeks to explore how disability is understood and the position and experiences of disabled people both within and across different societies The authors explore the question of politics in relation to specific struggles providing a wealth of insights and ideas and examine the nature and value of a social model of disability They criticize exclusionary barriers while advancing a more democratic and participatory society based on principles of equality offer cross cultural insights and present stimuli for debate and further research The text is accessible topical and provides new and innovative thinking This book will appeal to undergraduate and postgraduate students lecturers and researchers with interests in education social policy sociology and disability studies

## **Alone Together Voices Of Single Mothers Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Alone Together Voices Of Single Mothers has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Alone Together Voices Of Single Mothers has opened up a world of possibilities. Downloading Alone Together Voices Of Single Mothers provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Alone Together Voices Of Single Mothers has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Alone Together Voices Of Single Mothers. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Alone Together Voices Of Single Mothers. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Alone Together Voices Of Single Mothers, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Alone Together Voices Of Single Mothers has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

## FAQs About Alone Together Voices Of Single Mothers Books

**What is a Alone Together Voices Of Single Mothers PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Alone Together Voices Of Single Mothers PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Alone Together Voices Of Single Mothers PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Alone Together Voices Of Single Mothers PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Alone Together Voices Of Single Mothers PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
