Alone in the Dawn

The Life of Adelaide Crapsey

is Addressed To my Left Lung
on ~~un~~veniently Examoured of
out-Lies

was my Zune, most strange &
& break I cannot parolon.
thus to transform yourself in-
A vegetable - garden.

Though taking William
his seat on rural
I must deplore, I
your horticult

And as your ways I thus-
(which, plainly, I call crazy)
for all I know, serene, content,
You think yourself a daisy!

Alone In The Dawn The Life Of Adelaide Crapsey

M Lipman

Alone In The Dawn The Life Of Adelaide Crapsey:

Alone in the Dawn Karen Alkalay-Gut, 2008-09-01 *Alone in the Dawn* is the first full length study of life and work of Adelaide Crapsey an American poet who lived at the same time and often in the same places as Gertrude Stein H D Hilda Doolittle Ezra Pound W B Yeats and Virginia Woolf but whose artistic goals were antithetical to those of her literary contemporaries Dedicated to understanding the scientific basis of literature Crapsey invented the cinquain a poetic form based on principles of stress and meter and conducted an intensive critical study of prosody Placing Crapsey's work within its critical and historical context Karen Alkalay Gut's biography presents an inventive poet who worked outside the mainstream of twentieth century poetry The daughter of an Episcopal priest Crapsey was raised in a liberal environment that encouraged great expectations for women She excelled in her studies at a private girls school in Wisconsin and then at Vassar College Described as a bewitching wraithlike figure Crapsey captivated teachers and peers alike with her innocence wit and mischievous irreverence seeming to embody the very ideal of the 1900s new woman Her college roommate novelist Jean Webster later used Crapsey as a model for some of the progressive and spirited female protagonists in her fiction Crapsey never fulfilled the promise of her early success Before succumbing to tuberculosis at age thirty six she had to sacrifice years of her life in search of health rather than the pursuit of truth Her completion of a major article on her research and interpretation of metrics was followed by a devastating physical collapse In a last desperate attempt to find a cure Crapsey was sent to a famous sanatorium at Saranac Lake in upper New York state Though required to remain immobile and completely isolated she managed in the months before her death to collect her poems in a volume she called her funeral urn When Crapsey's posthumous book of selected poems appeared in 1914 readers were unable to separate the work from her death associating Crapsey with the popular literary stereotype of the beautiful young writer consumed by her fiery artist's soul Yet Crapsey's life was not romantic drama but a grim never ending encounter with illness grief and impecunity a losing struggle between ambition and death In *Alone in the Dawn* Alkalay Gut reveals within the lines of Crapsey's poetry the tragic truncated eloquence of her life

Resting among Us Steven Huff, 2023-10-15 Too often the lives and works of authors who called Upstate New York home are overshadowed by the icons of New York City *Resting among Us* uncovers the region's rich literary heritage through Steven Huff's journeys to the graves of writers both famous and celebrated as well as those that have been forgotten While most Upstate residents are aware that Mark Twain's grave is in Elmira and that James Fenimore Cooper's is in Cooperstown many people don't realize a noted author may be buried in their local cemetery For instance Paul Bowles is buried in Lakemont John Gardner in Batavia Rod Serling in Interlaken John Burroughs in Roxbury and Adelaide Crapsey in Rochester Interwoven with these remarkable literary lives are the connected stories of the region's history and Huff's own encounters and friendships with some of the writers included in the book With directions to each author's grave as well as photographs of the graves and authors themselves *Resting among Us* is the perfect companion for your own

enlightening literary pilgrimage **Ladies Night at the Dreamland** Sonja Livingston, 2016 In this lyrical collection Sonja Livingston weaves together strands of research and imagination to conjure figures from history literature legend and personal memory The result is a series of essays that highlight lives as varied troubled and spirited as America itself *A Study Guide for Jennifer Donnelly's "A Northern Light"* Gale, Cengage Learning, 2016 A Study Guide for Jennifer Donnelly's *A Northern Light* excerpted from Gale's acclaimed *Literary Newsmakers for Students* This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust *Literary Newsmakers for Students* for all of your research needs Encyclopedia of American Poetry: The Twentieth Century Eric L. Haralson, 2014-01-21 The *Encyclopedia of American Poetry: The Twentieth Century* contains over 400 entries that treat a broad range of individual poets and poems along with many articles devoted to topics schools or periods of American verse in the century Entries fall into three main categories poet entries which provide biographical and cultural contexts for the author's career entries on individual works which offer closer explication of the most resonant poems in the 20th century canon and topical entries which offer analyses of a given period of literary production school thematically constructed category or other verse tradition that historically has been in dialogue with the poetry of the United States **Psychoanalysis and Narrative Medicine** Peter L. Rudnytsky, Rita Charon, 2008-01-17 Contributors explore the significance of literature and psychoanalysis for medical education and practice **The Cambridge Companion to Victorian Poetry** Joseph Bristow, 2000-10-26 This *Companion to Victorian Poetry* provides an introduction to many of the pressing issues that absorbed the attention of poets from the 1830s to the 1890s It introduces readers to a range of topics including historicism patriotism prosody and religious belief The thirteen specially commissioned chapters offer insights into the works of well known figures such as Matthew Arnold Robert Browning and Alfred Tennyson and the writings of women poets like Michael Field Amy Levy and Augusta Webster whose contribution to Victorian culture has in more recent years been acknowledged by modern scholars Revealing the breadth of the Victorians' experiments with poetic form this *Companion* also discloses the extent to which their writings addressed the prominent intellectual and social questions of the day The volume which will be of interest to scholars and students alike features a detailed chronology of the Victorian period and a comprehensive guide to further reading Susan Glaspell Linda Ben-Zvi, 2002 The first book length critical assessment of American playwright and fiction writer Susan Glaspell **American National Biography**, 1999 *The Georgia Review*, 1989 **Algernon Sidney Crapsey** Dr. Stephen T. Neese, 2009-03-26 Algernon Sidney Crapsey *The Last of the Heretics* is a biography about a man whose life reflected the religious social and cultural conventions of late nineteenth and early twentieth century America The fascinating changes that Crapsey experienced in his personal life paralleled the intellectual developments that attended the nation as it moved from a Protestant Christian culture to a primarily secular one Recognizing those transformations in the life of Crapsey helps us to understand them at the societal

level as well After a short stint in the military during the Civil War Crapsey began his career as a young man caught up in the pomp and ritual of the Oxford Movement and Anglo Catholicism He maintained a long romance with the medieval communitarian based Anglican institution He eventually became a leading missionary or one who brought instruction and Episcopal evangelism to various places both at home and abroad He was at one point the leading candidate for the Bishopric of Omaha Nebraska though he ultimately declined the offer But as he became more successful at one point traveling to Great Britain he eventually witnessed the discrepancies between the hierarchical church and the laity The seeds of socialism both Christian and secular were set at this point He became more and more broad minded and liberal in his thinking leading to his utterances of heresy and eventual excommunication between 1905-07 His trial captivated the nation twenty years before the Scopes Monkey Trial and every major newspaper carried its developments As he moved on in years his life deepened becoming more interesting and legendary as a favorite circuit speaker author avowed communist and New York State's first youth probation officer For many his death at the end of the decade of the twenties marked the end of an era of modernism in America As a true progressive Crapsey had not only helped to initiate a process that brought successive modification to society but he also helped to establish a tradition of liberality within the Episcopal Church The subsequent controversies surrounding Bishops Pike and Spong attest to this tradition as does the current controversy concerning the openly gay Bishop Gene Robinson

Clarence H. White and His World Anne McCauley, 2017-01-01 Restoring a gifted art photographer to his place in the American canon and in the process reshaping and expanding our understanding of early 20th century American photography Clarence H White 1871-1925 was one of the most influential art photographers and teachers of the early 20th century and a founding member of the Photo Secession This beautiful publication offers a new appraisal of White's contributions including his groundbreaking aesthetic experiments his commitment to the ideals of American socialism and his embrace of the expanding fields of photographic book and fashion illustration celebrity portraiture and advertising Based on extensive archival research the book challenges the idea of an abrupt rupture between prewar soft focus idealizing photography and postwar modernism to paint a more nuanced picture of American culture in the Progressive era Clarence H White and His World begins with the artist's early work in Ohio which shares with the nascent Arts and Crafts movement the advocacy of hand production closeness to nature and the simple life White's involvement with the Photo Secession and his move to New York in 1906 mark a shift in his production as it grew to encompass commercial portraiture and an increasing commitment to teaching which ultimately led him to establish the first institutions in America to combine instruction in both technical and aesthetic aspects of photography The book also incorporates new formal and scientific analysis of White's work and techniques a complete exhibition record and many unpublished illustrations of the moody outdoor scenes and quiet images of domestic life for which he was revered

American Literary Realism, 1870-1910, 1989 *Researching the Song* Shirlee Emmons, Wilbur Watkin Lewis, 2008 Original publication and copyright date 2006 **Amerikastudien**, 1991

Twentieth-century American Poetry Dana Gioia, David Mason, Meg Schoerke, 2004 Publisher Description The American Humanities Index Stephen H. Goode, 1993 *The Encyclopedia of New York State* Peter Eisenstadt, 2005-05-19

The Encyclopedia of New York State is one of the most complete works on the Empire State to be published in a half century. In nearly 2 000 pages and 4 000 signed entries this single volume captures the impressive complexity of New York State as a historic crossroads of people and ideas as a cradle of abolitionism and feminism and as an apex of modern urban suburban and rural life. The Encyclopedia is packed with fascinating details from fields ranging from sociology and geography to history. Did you know that Manhattan's Lower East Side was once the most populated neighborhood in the world but Hamilton County in the Adirondacks is the least densely populated county east of the Mississippi? New York is the only state to border both the Great Lakes and the Atlantic Ocean; the Erie Canal opened New York City to rich farmland upstate and to the west. Entries by experts chronicle New York's varied areas, politics and persuasions with a cornucopia of subjects from environmentalism to higher education to railroads weaving the state's diverse regions and peoples into one idea of New York State. Lavishly illustrated with 500 photographs and figures, 120 maps and 140 tables, the Encyclopedia is key to understanding the state's past, present and future. It is a crucial reference for students, teachers, historians and business people for New Yorkers of all persuasions and for anyone interested in finding out more about New York State. **Signs**

University of Chicago. Press, 1989 American Studies International, 1989
