Along The Cactus Border:

Along the Cactus Border Peter R. Odens, 1978-01-01 Border security agencies need to better coordinate their strategies and operations on federal lands : report to congressional requesters. , **Cabeza Prieta National Wildlife Refuge (N.W.R.), Comprehensive Conservation Plan and Wilderness Stewardship Plan** , 2007 Border Security United States. General Accounting Office, 2004 **Violent Borders** Reece Jones, 2016-10-11 Forty thousand people died trying to cross international borders in the past decade with the high profile deaths along the shores of Europe only accounting for half of the grisly total Reece Jones argues that these deaths are not exceptional but rather the result of state attempts to contain populations and control access to resources and opportunities We may live in an era of globalization he writes but much of the world is increasingly focused on limiting the free movement of people In Violent Borders Jones crosses the migrant trails of the world documenting the billions of dollars spent on border security projects and their dire consequences for countless millions While the poor are restricted by the lottery of birth to slum dwellings in the aftershocks of decolonization the wealthy travel without constraint exploiting pools of cheap labor and lax environmental regulations With the growth of borders and resource enclosures the deaths of migrants in search of a better life are intimately connected to climate change environmental degradation and the growth of global wealth inequality **National Parks** , 2002-11 The flagship publication of the National Parks Conservation Association National Parks Magazine circ 340 000 fosters an appreciation of the natural and historic treasures found in the national parks educates readers about the need to preserve those resources and illustrates how member contributions drive our organization s park protection efforts National Parks Magazine uses images and language to convey our country s history and natural landscapes from Acadia to Zion from Denali to the Everglades and the 387 other park units in between *Cross Border Waters* G. J. Gottfried, C. B. Edminster, Madelyn C. Dillon, 1999-08 Brought together scientists water resources fisheries protection conservation Contains 126 papers abstracts usually in English Spanish **Interior, Environment, and Related Agencies Appropriations For 2007, Part 8, February 15, 2006, 109-2 Hearings, *** , 2006 **Federal Register** , 2013-10 **The impact of the drug trade on border security and national parks** United States. Congress. House. Committee on Government Reform. Subcommittee on Criminal Justice, Drug Policy, and Human Resources, 2003 The Quiet Extinction Kara Rogers, 2015-10-22 In the United States and Canada thousands of species of native plants are edging toward the brink of extinction and they are doing so quietly They are slipping away inconspicuously from settings as diverse as backyards and protected lands The factors that have contributed to their disappearance are varied and complex but the consequences of their loss are immeasurable With extensive histories of a cast of familiar and rare North American plants The Quiet Extinction explores the reasons why many of our native plants are disappearing Curious minds will find a desperate struggle for existence waged by these plants and discover the great environmental impacts that could come if the struggle continues Kara Rogers relates the stories of some of

North America's most inspiring rare and threatened plants She explores as never before their significance to the continent's natural heritage capturing the excitement of their discovery the tragedy that has come to define their existence and the remarkable efforts underway to save them Accompanied by illustrations created by the author and packed with absorbing detail *The Quiet Extinction* offers a compelling and refreshing perspective of rare and threatened plants and their relationship with the land and its people *Department of the Interior and Related Agencies Appropriations for ...* United States. Congress. Senate. Committee on Appropriations, 2003 **I & N Reporter** United States. Immigration and Naturalization Service, 1963 U.S. Geological Survey Bulletin , 1983 **U.S. Borders : Safe Or Sieve?** United States. Congress. Senate.
