Alonis Travels Abroad , **Strangers at Home and Abroad** Adolf Wimmer,2000 In March 1938 Hitler s troops invaded Austria wildly cheered by thousands of spectators Following the consequent annexation a Greater Germany plebiscite recorded a 99 percent support for Austro German unification under Hitler By 1942 however Allied leaders at Yalta had declared the annexed country the first victim of Nazi aggression laying the groundwork for the suppression of Austria s collaboration in the Holocaust and establishing a grossly deficient culture of memory Among the forgotten were the 130 000 Austrian Jews who escaped the work camps and gas chambers only to find themselves in unfamiliar lands among unsympathetic people This book rising out of Austria s Year of Recollection in 1988 contains the narratives of 27 ex Austrian Jews who were forced into exile following the Anschluss Translated from the German by poet Ewald Osers the book includes accounts of anti-Semitism before Hitler the annexation flight from the homeland and life in exile **Consumer Protection**

**and Online Travel Platforms** Agnieszka Jabłowska,2025-04-26 Online platforms have transformed the travel sector by enhancing the availability of travel services and lowering transaction costs however they have also posed new challenges for consumer protection The book studies this transformation assesses the relevant EU acquis and explores how the legal framework could be improved to better protect consumer interests in a platform driven market The book examines the private governance mechanisms employed by leading platform operators and identifies their strengths and weaknesses Building upon these insights it then delves into the EU legal framework including the Digital Services Act and the Package Travel Directive It identifies gaps in the protection of consumers concluding contracts through online travel platforms and proposes strategies for addressing these gaps through horizontal and sectoral rules In this context the book reflects on key notions of consumer law such as information safety and performance as well as the associated role of platform providers Focusing on stand alone contracts for individual travel services this study offers new perspectives on consumer protection the digital economy and EU law It will appeal to both legal researchers and practitioners seeking to navigate digital markets and the complexities of their regulation By showing how EU law can better protect consumers in connection with online travel platforms the book offers a valuable resource for legal interpretation and future policy evolution **World Theatre** E.

J. Westlake,2017-03-31 World Theatre The Basics presents a well rounded introduction to non Western theatre exploring the history and current practice of theatrical traditions in Asia Africa the Middle East Oceania the Caribbean and the non English speaking cultures of the Americas Featuring a selection of case studies and examples from each region it helps the reader to understand the key issues surrounding world theatre scholarship and global postcolonial and transnational performance practices An essential read for anyone seeking to learn more about world theatre World Theatre The Basics provides a clear accessible roadmap for approaching non Western theatre **Public Administration in Israel and Abroad** ,1967

Living Eran Aloni, 2014-05-14 He looked at them noting their stress and their body language which indicated anxiety and uncertainty It seemed like the only logical thing crossing their minds at that moment was to jump out of the window and spend a few seconds in the air falling straight down to the street below From the book *No Boundaries Living In the heart of Shanghai* on the 52nd floor of an exclusive office building a group of senior managers has just been informed about the collapse of their giant firm They are gathered for a meeting with Ron Costi a well known young psychologist and expert in business crises Ron shares with them his tools and insights for coping with the threat of layoff and the crises they face using his own life story as an example from his childhood in a small fishing village in Italy to Zen monasteries in Asia to being the father of a disabled child and running a successful international career His story is interwoven with the managers stories crossing continents and sharing experiences ambitions self fulfillment and dreams to create a unique narrative that takes the reader on a journey of self discovery and personal empowerment Eran Aloni is a student of psychology a start up entrepreneur and a stress management consultant to public and government organizations He is also a social activist who works with communities at risk Eran lived for seven years in the Caribbean Islands and Hawaii fulfilling his dream of surfing the world s best waves For ten years while serving in a variety of senior management positions in international firms he studied Eastern philosophy spent his time off in Zen monasteries became a yoga teacher and studied at the Warrior Monks Academy in Shaolin Ron s story is based on Eran s life story which is revealed to the reader as an autobiographical novel This is Eran Aloni s first book

*Beyond Bystanders* Nimrod Aloni, Lori Weintrob, 2017-04-17 *Beyond Bystanders* calls for a shift in the professional self image of teachers from agents of socialization to active advocates of human flourishing social justice and world betterment The editors propose that it is irresponsible for teachers to posit themselves as bystanders and to conceive of globalization as something happening to them Their role as educators in all disciplines must be to establish educational leadership that would empower students to critically evaluate developing global realities mass migrations socioeconomic inequalities global warming and the dehumanizing effects of submission to social media and consumerism and achieve the overarching goals of humanization and facilitation of the fulfilling life A shared commitment to humanist ethics pedagogical activism and social engagement at Kibbutzim College of Education Tel Aviv and Wagner College New York sparked this collaboration The authors of the book include educational thinkers such as Nel Noddings Michael Apple David Hansen Pasi Sahlberg and Wiel Veugelers as well as scholars and practitioners from six different countries and diverse professional and cultural backgrounds An essential part of our educational enterprise must involve promoting intercultural opportunities confronting cultural ills and ensuring that civic engagement is more attuned to political realities Educators in all disciplines can reframe their teaching and schools to be more cooperative and civic minded and challenge views of marginalized immigrant undocumented and refugee communities as strangers Education is not only about teaching people to read and to write It is about teaching human rights and cultural diversity nourishing peace and fostering inclusive and

sustainable development I wish to commend Kibbutzim College of Education and Wagner College for joining forces to compile this volume to inspire readers in crafting new models of intellectual and intercultural understanding Irina Bokova Director General of UNESCO from the Foreword Newsview ,1985 A Home for All Jews Orit Rozin,2016-07-05 Sheds new light on the inner workings of the early Israeli state and the sensibilities of its population **Playing across a Divide** Benjamin Brinner,2009-12-21 In the last decade of the twentieth century and on into the twenty first Israelis and Palestinians saw the signing of the Oslo Peace Accords the establishment of the Palestinian Authority the assassination of Israeli Prime Minister Yitzhak Rabin and the escalation of suicide bombings and retaliations in the region During this tumultuous time numerous collaborations between Israeli and Palestinian musicians coalesced into a significant musical scene informed by these extremes of hope and despair on both national and personal levels Following the bands Bustan Abraham and Alei Hazayit from their creation and throughout their careers as well as the collaborative projects of Israeli artist Yair Dalal *Playing Across a Divide* demonstrates the possibility of musical alternatives to violent conflict and hatred in an intensely contested multicultural environment These artists music drew from Western Middle Eastern Central Asian and Afro diasporic musical practices bridging differences and finding innovative solutions to the problems inherent in combining disparate musical styles and sources Creating this new music brought to the forefront the musicians contrasting assumptions about sound production melody rhythm hybridity ensemble interaction and improvisation Author Benjamin Brinner traces the tightly interconnected field of musicians and the people and institutions that supported them as they and their music circulated within the region and along international circuits Brinner argues that the linking of Jewish and Arab musicians networks the creation of new musical means of expression and the repeated enactment of culturally productive musical alliances provide a unique model for mutually respectful and beneficial coexistence in a chronically disputed land
