jobs offered me since we came back but routine work is entirely out of my line so what s the use in wasting someone else s good money and my own good time No I ve tried it and I can t be a good man Friday for any business concern not even for my dad s So you see you and I are in the same class everything going out and nothing coming in and I ve been wondering a lot lately what we could scare up that would make a noise like a million dollars Say Bill did you ever read Jack London s Call of the Wild Jack put the question without notice Call o the Wild mused Bill turning the phrase over in his dome of thought I ve heard all kinds o calls o wild men an wild women but never do I remember any wild call by this blokie Jack London Who is this guy anyway There s no use talking to a fellow like that thought Jack but then as in dozens of other instances in the past he patiently explained who Jack London was and repeated the tale as told by that past master of fiction for the benefit of his less well read pal Now the point I m driving at is this he went on Jack London tells us that white men who were prospecting in the land of the Yeehats a tribe of Indians in the gold country of Alaska found diggings where there was gold gold nothing but gold I tell you and they packed it in moosehide sacks so that they could get it back to civilization Then the Yeehats came upon and killed them and the shining yellow metal fell into their hands The gold must still be up there and you can t dispute it either
