Alphabetical Hook Up List:

The Alphabetical Hookup List A-J Phoebe McPhee,2002-07-17 How 3 girls tried to hook up with 78 guys in 1 semester the first installment Our heroes Jodi Stein cheerleader bat mitzvah and sorority hopeful whose life plan prominently features her high school sweetheart Buster Celeste Alexander tormented intellectual and virgin the daughter of a former Buddhist monk and ex nun Ali Sheppard a soul lost in a sea of lollipops and glow sticks whose long distance boyfriend is a trip hop hypnotica DJ named Sensei It doesn't seem as if these three roommates have much in common Not at first But then a night of misery brings them together a night when Jodi finds Buster in a compromising position Celeste discovers an unexpected side to her date Jordan and Ali has a distressing phone call with Sensei What starts as a simple game a game born of heartbreak a bottle of tequila and a Scrabble board evolves into a three woman sexual revolution Forget boyfriends Forget life partners This is the future This is the Alphabetical Hookup List The ABCs will never be the same **The Alphabetical Hookup List**

R-Z Phoebe McPhee,2002-09-25 How 3 girls tried to hook up with 78 guys in 1 semester the final Installment It's coming down to the wire Jodi has taken a job as a cab driver What better way to meet random guys Celeste still just wants to meet Mr Right No matter what letter his name starts with Ali maintains a commanding lead Unfortunately she's stuck on R But the girls have bigger worries than hooking their way up through the end of the alphabet Somebody knows all about their little contest Somebody sleazy And if they don't do exactly what he tells them to they're all going to lose Who would have thought the ABCs could be so dangerous **The Alphabetical Hookup List K-Q** Phoebe McPhee,2002-09-13 How 3 girls tried to

hook up with 78 guys in 1 semester the second installment So Maybe freshman year isn't all it's cracked up to be Jodi won't be joining a sorority any time soon Celeste isn't so innocent anymore Ali is on the verge of flunking out of PU But who cares Our heroines are hooking up with all sorts of Andys and Busters and Captains slowly but surely making their way toward that elusive Z And when they decide to take the Alphabetical Hookup List on the road to Paris no less it looks as though they can finally forget about their troubles For one long weekend anyway Unfortunately thanks to a series of mishaps including scandalous behavior in the library stacks a guitar shaped tattoo and a missing 6 000 their troubles just got a lot worse And the ABCs just got a lot more complicated

Hooking Up Kathleen A. Bogle,2008-01-01 A closer look into the new sexual culture on college campuses It happens every weekend In a haze of hormones and alcohol groups of male and female college students meet at a frat party a bar or hanging out in a dorm room and then hook up for an evening of sex first questions later As casually as the sexual encounter begins so it often ends with no strings attached after all it was just a hook up While a hook up might mean anything from kissing to oral sex to going all the way the lack of commitment is paramount Hooking Up is an intimate look at how and why college students get together what hooking up means to them and why it has replaced dating on college campuses In surprisingly frank interviews students reveal the circumstances that have led to the rise of the booty call and the death of dinner and a movie Whether it is an expression of postfeminist independence or a form of youthful

rebellion hooking up has become the only game in town on many campuses In *Hooking Up* Kathleen A Bogle argues that college life itself promotes casual relationships among students on campus The book sheds light on everything from the differences in what young men and women want from a hook up to why freshmen girls are more likely to hook up than their upper class sisters and the effects this period has on the sexual and romantic relationships of both men and women after college Importantly she shows us that the standards for young men and women are not as different as they used to be as women talk about friends with benefits and one and done hook ups Breaking through many misconceptions about casual sex on college campuses *Hooking Up* is the first book to understand the new sexual culture on its own terms with vivid real life stories of young men and women as they navigate the newest sexual revolution

The Real Rules for Girls Mindy Morgenstern, 2002-06 Provides wisdom and quotes on the everyday trials and struggles young women face in the modern world offering them tips for dealing with relationships sex employment friends family and more
