**Public Crisis Management** Michael J. Hillyard, 2000 Public Crisis Management is an inter organizational primer In detail it describes the strengths and limitations of organizations that work together to resolve some of mankind s worst shared dilemmas Wildland firefighting emergency and disaster management and public safety networks are studied to uncover what each network form does well and not so well Those networks are also used to provide a general management framework that other crisis management networks will find useful The book s five principles identify ingredients necessary to form and maintain relationships of multiple organizations in pursuit of public health safety and security Public Crisis Management is useful for both the academic and practitioner communities as so many key business government and international decisions rest on the cooperation and coordination of more than one organization to resolve modern problems

Community Social Work Practice in an Urban Context Melvin Delgado, 1999-09-16 Community social work practice based on a capacity enhancement model offers tremendous potential for unifying communities consisting of groups from very different cultural backgrounds and in the process of doing so make physical changes in the community Community Social Work Practice in An Urban Context aims to teach graduate students with an emphasis on community and urban social work how to create positive community environments in marginalized urban based communities The use of murals gardens playgrounds and sculptures for example provide social workers with an opportunity to identify engage and plan services with communities These projects in turn are based upon a community s strengths and represent an effort at developing a community s capacity to help itself with assistance from professionals

*Challenging the Prison-Industrial Complex* Stephen John Hartnett, 2010-10-01 Boldly and eloquently contributing to the argument against the prison system in the United States these provocative essays offer an ideological and practical framework for empowering prisoners instead of incarcerating them Experts and activists who have worked within and against the prison system join forces here to call attention to the debilitating effects of a punishment driven society and offer clear eyed alternatives that emphasize working directly with prisoners and their communities Edited by Stephen John Hartnett the volume offers rhetorical and political analyses of police culture the so called drug war media coverage of crime stories and the public school to prison pipeline The collection also includes case studies of successful prison arts and education programs in Michigan California Missouri Wisconsin and Pennsylvania that provide creative and intellectual resources typically denied to citizens living behind bars Writings and artwork created by prisoners in such programs richly enhance the volume Contributors are Buzz Alexander
