## **Alternative Gospel:**

**Hidden Gospels** Philip Jenkins, 2002-12-05 This incisive critique thoroughly and convincingly debunks the claims that recently discovered texts such as the Gospel of Thomas the Gospel of Mary and even the Dead Sea Scrolls undermine the historical validity of the New Testament Jenkins places the recent controversies surrounding the hidden gospels in a broad historical context and argues that far from being revolutionary such attempts to find an alternative Christianity date back at least to the Enlightenment By employing the appropriate scholarly and historical methodologies he demonstrates that the texts purported to represent pristine Christianity were in fact composed long after the canonical gospels found in the Bible Produced by obscure heretical movements these texts have attracted much media attention chiefly because they seem to support radical feminist and post modern positions in the modern church Indeed Jenkins shows how best selling books on the hidden gospels have been taken up by an uncritical drama hungry media as the basis for a social movement that could have powerful effects on the faith and practice of contemporary Christianity [The Liturgical Gospels](#) W. H. Frere, 2011-02-01

[The Fourfold Gospel, Volume 1](#) John DelHousaye, 2020-08-07 In the spirit of Ludolph of Saxony c 1295 1378 and Ignatius of Loyola 1491 1556 The Fourfold Gospel invites the reader into the mystery of God s redemption in Jesus Christ All the parallel passages in the Gospels are glossed together along with the unique material using a medieval interpretive approach called the Quadriga or the acronym PaRDeS in Hebrew Meditating on the literal canonical moral and theological senses of Scripture offers a scaffolding for the spiritual formation of the reader This volume in addition to a thorough introduction to the method and the Gospels focuses on the beginning of the story the birth baptism and temptations of Christ **Ancient Apocryphal Gospels** Markus Bockmuehl, 2017-01-17 In this reader friendly guide Markus Bockmuehl offers a sympathetic account of the ancient apocryphal Gospel writings showing their place within the reception history and formation of what was to become the canonical fourfold Gospel Bockmuehl begins by helping readers understand the early history behind these noncanonical Gospels before going on to examine dozens of specific apocryphal texts He explores the complex oral and intertextual relationships between the noncanonical and canonical Gospels maintaining that it is legitimate and instructive to read the apocryphal writings as an engagement with the person of Jesus that both presupposes and supplements the canonical narrative outline Appropriate for pastors and nonspecialists this work offers a fuller understanding of these writings and their significance for biblical interpretation in the church **Daily Graphic** , *Fight Valiantly* Tom Clammer, 2019-06-30 There is a clear lack in the Church of England of a coherent and thought through treatment of evil and the devil within the texts which the Church of England traditionally identifies as the repositories of doctrine Focusing on initiation healing and deliverance liturgies within the church *Fight Valiantly* seeks to rectify that deficit considering the Church of England s liturgical practice in the parishes and highlighting the present danger of worshippers receiving an inconsistent and potentially incoherent account of the relationship with evil *The Activist Impulse* Jared S.

Burkholder, David Cramer, 2012-04-04 Anabaptists have often felt suspicious of American evangelicalism and in turn evangelicals have found various reasons to dismiss the Anabaptist witness Yet at various points in the past as well as the present evangelicals and Anabaptists have found ample reason for conversation and much to appreciate about each other The Activist Impulse represents the first book length examination of the complex relationship between evangelicalism and Anabaptism in the past thirty years It brings established experts and new voices together in an effort to explore the historical and theological intersection of these two rich traditions Each of the essays provides fresh insight on at least one characteristic that both evangelicals and Anabaptists share an impulse to engage society through the pursuit of active Christian witness

*Jesus Tried and True* H. H. Drake Williams III, 2013-01-11 Are the gospels found within the New Testament superior to others Has the church unfairly chosen Matthew Mark Luke and John while leaving out many others Are there truly lost Christianities that would enrich our understanding of Jesus Would modern day seekers as well as followers of Jesus be better served by including gospels outside of the New Testament in their understanding of Jesus *Jesus Tried and True* answers these questions by examining the date source and reception of the canonical gospels of Matthew Mark Luke and John and then comparing this data with the other gospels It assesses this information by looking within these gospels and also evaluating early church history examining the writings of early church writers such as Papias Ignatius of Antioch Justin Martyr Irenaeus and Eusebius It then compares these findings with the date source and reception of the non canonical gospels that have received the most attention lately such as the Gospel of Thomas Gospel of Mary Gospel of Judas Gospel of Philip and Gospel of Peter There is also a brief survey of thirteen of the most important non canonical gospels The survey provides an opinion on the dependence of these upon the gospels within the New Testament *Jesus Tried and True* affirms the superiority of the New Testament gospels It concludes by addressing whether non canonical gospels are lost Christianities and also whether the designation apocryphal is appropriate for other gospels

*Mission Shaped Questions* Steven J. L. Croft, 2008 In 2004 Mission shaped Church presented a challenge to church leaders Now Mission Shaped Questions addresses the big theological and practical issues that have arisen Drawn from a range of Anglican and Methodist backgrounds the highly respected contributors take an incisive look at church and its future They tackle questions such as What exactly is church Can we develop churches that can transform culture Can we be mission shaped and kingdom focused too These contributions are an essential read for anyone committed to the future of church and mission

**Studies in Early Roman Liturgy** W. H. Frere, 2011-02-01

**The Gospel of Peter** Dr. Samuel Wyndham, 2025-05-15 The Hidden Gospels Exploring the Lost Texts of Early Christianity The Gospel of Peter In The Gospel of Peter part of the Hidden Gospels series discover a dramatic and supernatural retelling of Jesus Passion and Resurrection This ancient fragmentary text rediscovered in the 19th century presents a vivid and otherworldly account that contrasts sharply with the canonical Gospels including the striking image of a talking cross Explore how this gospel challenges traditional Christian views with its cosmic portrayal of

the Resurrection and uncover the mystical elements that have been overlooked in mainstream Christianity Through this book you ll gain insight into early Christian diversity and the radical spiritual ideas that were suppressed by the early Church Ideal for those seeking a deeper transformative understanding of faith The Gospel of Peter invites readers to explore the mystical and supernatural dimensions of Christianity

**Justification in a Post-Christian Society** Carl-Henric Grenholm, Goran Gunner, 2014-11-04 Since the Reformation in the sixteenth century Lutheran traditions have had a great impact on culture and politics in many societies At the same time Lutheran churches have impacted personal faith basic morality and ethics Modern society however is quite different from the time of the Reformation How should we evaluate Lutheran tradition in today s Western multicultural and post Christian society Is it possible to develop a Lutheran theological position that can be regarded as reasonable in a society that evidences a considerable weakening of the role of Christianity What are the challenges raised by cultural diversity for a Lutheran theology and ethics Is it possible to develop a Lutheran identity in a multicultural society and is there any fruitful Lutheran contribution to the coexistence of different religious and nonreligious traditions in the future

**The Go-To Church** Bryan D. Collier, 2013 Gone are the days when churches could simply sit on the corner and attract passers by But people still long for the peace and confidence faith in God provides every church has the potential to grow How By taking the church to the people becoming a 3Go To Church3 rather than a 2Come Here Church3 Multi site church strategy may seem new but it s as old as the 1st Century Jesus followers didn t stay in the Upper Room waiting for nonbelievers to find them They struck out and went where God led throughout the world to all people They created a multi site church model Using the strategies and guidance of this book you can customize the mission and ministry of your church to connect with people where they are You will not only grow your church but enhance God s Kingdom and accomplish the mission of the Great Commandment Description from back cover of book

**Theology and the Future** Trevor Cairney, David Starling, 2014-07-31 Theology was once queen of the sciences the integrating centre of Christendom s conceptual universe In our own time the very idea of systematic theology is frequently called into question derided as an arcane and superstitious pseudo discipline Even within the church it is commonly disregarded in favour of unreflective piety and pragmatism At the same time the southward shift in world Christianity s centre of gravity prompts crucial questions about the future form and content of theology Within this context Theology and the Future offers a case for the continuing viability of theology exploring how it might adapt to changing circumstances and discussing its implications for how we are to imagine and help shape our shared human future Beginning with the question of God this book explores what might be meant by the future of God and what its implications are for Christian theology Chapters follow on the location of theology in global Christianity the church and the academy and on its sources and method The second half of the book explores a wide variety of dimensions of the human future that theology might address and illuminate The essays bring together a mix of specialist theologians and interdisciplinary thinkers to support the assertion that there can be no more critical endeavor to

the future than understanding God and all things in relationship to him      **Participation and Covenant** Dick Moes,2024-03-13 In *Participation and Covenant: Contours of a Theodramatic Theology* Moes develops a theological framework that has participation in the life of God in Christ through the Spirit as its integrative center In doing so he enters into conversation with covenant or federal theology particularly as it has been presented by Michael Horton in which the integrative center is the concept of the covenant He argues that God's fundamental relationship with humanity does not entail a covenant ontology a fundamentally legal and ethical relationship to God as we find in Horton's presentation but rather an ontology of participating in God's loving presence in Christ through the Holy Spirit For this relationship we were created and this participation is therefore natural to us Accordingly a theodramatic framework that incorporates a reframed understanding of divine human covenants and that has participation in the life of God in Christ by the Spirit as its integrative center is better able to give direction for clearly communicating the gospel in our secular culture and for properly shaping our Christian identity and practice in the face of the secularism that affects the church too than Horton's framework of covenant theology      Common Worship Daily Eucharistic Lectionary Kershaw Simon,2015-11-02 A resource for use wherever weekday celebrations of the Eucharist take place It includes scripture readings from the NRSV and psalms from the Common Worship Psalter and provides all the readings for the two year cycle of the weekday lectionary in one place

**Right Thinking in a Church Gone Astray** Nathan Busenitz,2017-03-01 *Keeping the Church on Track in a Secular World* The church today faces great challenges both from without and from within Popular culture tempts Christians to compromise truth in the name of relevance and to ignore sin under the guise of tolerance At the same time serious doctrinal errors threaten to undermine the authority of God's Word leading to all sorts of unbiblical practices *Right Thinking in a Church Gone Astray* offers responses from trusted evangelical voices on 15 timely issues With a careful look at God's Word you'll gain wisdom and insights on highly relevant topics such as measuring true success in ministry countering the church's celebrity culture responding biblically to homosexuality reclaiming the essentials of the Christian faith discerning God's ultimate priority for the church With biblical guidance on these and other vital matters this resource provides much needed clarity for today's church      Billboard ,1995-04-29 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends

*The Origin and Meaning of Ekklesia in the Early Jesus Movement* Ralph J. Korner,2017-06-06 In *The Origin and Meaning of Ekklesia in the Early Jesus Movement* Ralph J. Korner explores the ideological implications of Christ follower associations self-designating collectively as *ekklesiai* Politically Korner's inscriptional research suggests that an association named *ekklesia* would have been perceived as a positive rather than as a counter-imperial participant within Imperial Greek cities Socio-religiously Korner argues that there was no universal *ekklesia* to which all first-generation Christ followers belonged *ekklesia*

was a permanent group designation used by Paul's associations. Ethno-religiously, Korner contends that *ekklesia* usage by intra-muros groups within pluriform Second Temple Judaism problematizes suggestions not least at the institutional level that Paul was parting ways with Judaism's Jewishness or Jewish organizational forms.

**Resolutions of a Pastor** Michael E. Pohlman, 2025-03-12

With the promise of numerical growth, pastors are annually bombarded with new leadership techniques and paradigms for ministry. Many of these are influenced more by secular business philosophy, pragmatic thinking, and homespun advice than the Bible. The church is left spiritually impoverished and ill-equipped to face the challenges of secularization for want of a biblical theological vision for ministry. This book fills a gap in the literature by being exegetically vigorous and obviously informed by biblical, historical, and systematic theology. The result is a robust work of pastoral theology able to meet the ministry challenges of the twenty-first century. There is no more important institution in the world than the church. And the best way to strengthen the church is to strengthen her shepherds. This is the aim of *The Resolutions of a Pastor*.
