Alternative Media

Kirsten Kozolanka

Alternative Media:

Alternative Media in Canada Kirsten Kozolanka, Patricia Mazepa, David Skinner, 2012-04-25 Alternative media hold the promise of building public awareness and action against the constraints and limitations of media conglomeration and cutbacks to public broadcasting. These media are becoming key venues for community expression and political debate but what is it that makes them alternative? The contributors to this path-breaking volume answer this question by examining the evolution of various kinds of alternative media including indigenous, anarchist, ethnic and feminist media against the backdrop of political, economic and cultural developments in Canada. They get at the heart of alternative media by focusing on the three interconnected dimensions that define them: structure, participation and activism. *Alternative Media in Canada* not only reveals how alternative media are enabled and constrained within Canada's complex media and policy environment, it also shows that in the context of globalization the Canadian experience parallels media and policy challenges in other nations.

Understanding Alternative Media Bailey, Olga, Cammaerts, Bart, Carpentier, Nico, 2007-12-01 This clear and concise text offers a one-stop guide through the complex political, social and economic debates that surround alternative media and provides a fresh and insightful look at the renewed importance of this form of communication. **EBOOK: Understanding**

Alternative Media Olga Bailey, Bart Cammaerts, Nico Carpentier, 2007-12-16 What are alternative media? What roles do alternative media play in pluralistic democratic societies? What are the similarities and differences between alternative media, community media, civil society media and rhizomatic media? How do alternative media work in practice? This clear and concise text offers a one-stop guide through the complex political, social and economic debates that surround alternative media and provides a fresh and insightful look at the renewed importance of this form of communication. Combining diverse case studies from countries including the UK, North America and Brazil, the authors propose an original theoretical framework to help understand the subject. Looking at both old and new media, the book argues for the importance of an alternative media and suggests a political agenda as a way of broadening its scope. *Understanding Alternative Media* is valuable reading for students in media, journalism and communications studies, researchers, academics and journalists. *Alternative Media* Chris Atton, 2002 In this book Chris Atton offers a fresh introduction to alternative media, one which is not limited to radical media but can also account for newer cultural forms such as zines, fanzines and personal websites. *Alternative Media* Examines how and why people produce and use alternative media to make meaning, to interpret and to change the world in which they live. Encompasses a wide range of alternative media and draws on examples from both the United States and United Kingdom. Locates contemporary alternative media in their cultural, historical and political contexts. **Alternative Media and**

Taiwan's Socio-Political Transformation, 1970s-1990s Junhao Hong, Cheng-Nan Hou, 2023-08-31 This book systematically and comprehensively studies on alternative media in Taiwan using a historical approach and primary data and first-hand collected materials to examine how political openness and social movement in the 1980s through the 1990s in

Taiwan enabled the rapid growth and wide development of Taiwan's alternative media what impact the alternative media in Taiwan had on its socio political transformation and what implications Taiwan's case of alternative media has for other societies especially for other Asian societies This book would be a good reading for intellectuals media professionals government analysts and the general public as well who are interested in this topic Right-Wing Alternative Media Kristoffer Holt,2019-07-23 This book offers a fresh perspective on central questions related to right wing alternative media Can right wing media be alternative Why do they exist Are they a threat to the existing order and what have the reactions been from mainstream politicians and media actors The rise and success of right wing populism in the political life of many western countries along with several new and apparently successful alternative media operations on the right has caused surprise and confusion among researchers and debaters How should this challenge to mainstream politics and media be understood Journalistic political and academic discourse has struggled to explain these tendencies and tend to focus on sensational and extreme examples with little attention directed towards other aspects This book critically discusses existing theoretical frameworks related to alternative media in general analysing a wide scope of cases to illustrate the diversity of voices in alternative media on the right and highlighting the importance of intellectual coolness and common sense in discussions about this important but ideologically and politically charged area An important addition to the current discourse of contemporary media Right Wing Alternative Media is ideal for researchers students and anyone interested in politics and public discourse Beyond Mainstream Media Stephen Cushion,2023-09-26 Offering one of the most comprehensive assessments of alternative media to date Beyond Mainstream Media examines the rise of alternative media over the last decade analysing their changing content and editorial strategies and exploring why many people go beyond the mainstream media for news and information Considering the differences in agenda between alternative and mainstream media coverage Cushion sheds light on why right wing alternative media have become a more prominent part of national media systems than left wing sites in the Western World In doing so he argues that alternative left wing media should place less emphasis on attacking professional journalism and focus more on converging into the world of mainstream news to promote their politics This book draws on over 3 500 articles and 17 000 social media posts produced by alternative media extensive interviews with editors and contributors and a survey of over 2 700 media users It develops a comparative international perspective by explaining how findings and concepts can be applied to understanding much broader issues such as public distrust in the mainstream media or the influence different media and political systems have on the production of alternative media Providing both an introduction to and a critical analysis of the state of alternative media today this book is written in clear jargon free language and is recommended reading for advanced students undertaking courses in Alternative Media and Political Journalism **Digital-Native News and the Remaking of Latin American Mainstream and Alternative Journalism** Summer Harlow,2022-10-06 Winner of the Frank Luther Mott Kappa Tau Alpha Research Award Digital Native

News and the Remaking of Latin American Mainstream and Alternative Journalism explores the rise of independent digital native news outlets in Latin America and their role in social change protest participation and the refinement of the concept of alternative media Drawing upon a decade of original research including interviews surveys focus groups and content analyses this book questions how the emergence of online native news sites in Latin America is redefining our understanding of what it means to be mainstream and what it means to be alternative By analyzing a wide range of elements from business models and audience behaviors to social media use and the role of gender this text examines how these sites are challenging traditional hegemonic mainstream news media and its service to political and economic elites The result is a discerning investigation into the new brand of journalism these sites have innovated This insightful study will be of interest to journalism communication and Latin American scholars particularly those interested in how technology is moulding journalistic practices and changing conceptions of journalism itself

Hong Kong Media Chi Kit Chan,Gary Tang,Francis L. F. Lee,2022-08-11 This book explores the challenges to news professionalism and media autonomy stemming from the state market pressure the digitalization of communication and a polarized civil society in Hong Kong China is tightening its control over post handover Hong Kong which includes press freedom Harsh market competition coupled with shifting readership from mainstream media to digital platforms is squeezing the business viability of media organizations The polarization of civil society in post handover Hong Kong had degraded consensual values upon which news professionalism relies Journalists have had to reorient news professionalism and media power in the midst of state society tension market pressure and the shifting communication mode driven by digitalization These are the key questions for Hong Kong media This dynamic intervention will be of interest to journalists scholars of civil society and scholars of Asian politics

MEDIA OMNIPRESENCE A Study of Media, Marketing, Development and Politics Francis Arackal , **Alternative Media in Contemporary Turkey** Murat Akser,Victoria McCollum,2021-10-06 The transformations in alternative media journalism and social protest in contemporary Turkey have largely occurred due to the upsurge in use of social media Some of the most fervent users of social media in the world come from Turkey where forms of social media are frequently banned by the Turkish government This book looks at the structural economic and political reasons why the current media system fails urban educated young professionals in Turkey and led them to a month long resistance and protest through the use of social media during OccupyGezi movement The book outlines the history of alternative media use and the ways in which it has become a tool for the critics of the neoliberal economic system in Turkey The collection concentrates on social media use within social movements and applies interdisciplinary approaches and research methods ranging from cinema and visual arts to sociology political science content analysis and ethnographic study

Multicultural Journalism Margaret E. Thompson,2024-01-31 This book introduces a more collaborative and reflexive way of producing news that incorporates concepts of cultural identity and cultural positioning of both journalists and sources using a feminist approach to inclusion of

all voices and perspectives This text proposes a feminist collaborative model of journalism that incorporates critical reflexivity requiring journalists not only to be aware of their own cultural positionality but also that of their sources as a means of producing more authentic and balanced news coverage The model is intended for use by journalists as well as journalism education programs to educate future journalists on how to effectively serve audiences with scrupulously investigated reported and crafted stories Chapters explore journalism during the Obama and Trump years current journalistic trends and alternative media and feature topics such as fake news racism sexism in news production and content and immigration and media Thompson addresses issues of power and privilege amongst journalists and marginalized groups and how these implicate power dynamics of journalism practice and reinforce social inequality particularly relating to race and gender This book is ideal for advanced undergraduate and graduate students of journalism and media studies as well as scholars journalists and media practitioners

Alternative Media Meets Mainstream Politics Joshua D. Atkinson, Linda Kenix, 2019-05-20 *Alternative Media Meets Mainstream Politics* Activist Nation Rising demonstrates the rising role that alternative media play in contemporary mainstream political communication The rise of the modern Internet and social media platforms have allowed for the proliferation of alternative media across society in ways that were not possible twenty years ago Today alternative media have become more intertwined with mainstream media and have become increasingly relevant in mainstream political communication Contributors focus on three primary sites where such media seem to have established growing influence in recent years political parties mainstream political news and the production of participatory media that allow for engagement Scholars of communication political science sociology and media studies will find this collection useful

Publicity and the Canadian State Kirsten Kozolanka, 2014-01-01 *Publicity and the Canadian State* is the first sustained study of the contemporary practices of political communication focusing holistically on the tools of the publicity state and their ideological underpinnings advertising public opinion research marketing branding image consulting and media and information management as well as related topics such as election law and finance privacy think tank lobbying and non election communication campaigns Publishers website

Media Independence James Bennett, Niki Strange, 2014-11-20 *Media independence* is central to the organization make up working practices and output of media systems across the globe Often stemming from western notions of individual and political freedoms independence has informed the development of media across a range of platforms from the freedom of the press as the fourth estate and the rise of Hollywood s Independent studios and Independent television in Britain through to the importance of Indy labels in music and gaming and the increasing importance of independence of voice in citizen journalism Media independence for many therefore has come to mean working with freedom from state control or interference from monopoly from market forces as well as freedom to report comment create and document without fear of persecution However far from a stable concept that informs all media systems the notion of media independence has long been contested forming a crucial tension point in the regulation shape

size and role of the media around the globe Contributors including David Hesmondhalgh Gholam Khiabany Jos van Dijck Hector Postigo Anthony Fung Stuart Allan and Geoff King demonstrate how the notion of independence has remained paramount but contested in ideals of what the media is for how it should be regulated what it should produce and what working within it should be like They address questions of economics labor relations production cultures ideologies and social functions

Library Juice Concentrate Rory Litwin, 2006 *Library Juice Concentrate* is a compilation of the best of *Library Juice* an e zine published by Rory Litwin between 1998 and 2005 that dealt with foundational questions of librarianship during a period of rapid change *Library Juice* served as the record for the library left during this period including its veterans and newcomers while at the same time offering original reflections on traditional questions The book includes essays and other artifacts that investigate professional neutrality intellectual freedom alternative literature the social effects of technological change the cultural identity of the librarian anarchist librarianship the Cuba debate Google s scanning project subject heading reform and other issues The aim of the essays in *Library Juice Concentrate* is to provoke original thought and to encourage newcomers in the field to participate in professional discourse with confidence and with attention to the intellectual and political struggles of the past

The Handbook of Journalism Studies Karin Wahl-Jorgensen, Thomas Hanitzsch, 2009-01-13 This Handbook charts the growing area of journalism studies exploring the current state of theory and setting an agenda for future research in an international context The volume is structured around theoretical and empirical approaches and covers scholarship on news production and organizations news content journalism and society and journalism in a global context Emphasizing comparative and global perspectives each chapter explores Key elements thinkers and texts Historical context Current state of the art Methodological issues Merits and advantages of the approach area of studies Limitations and critical issues of the approach area of studies Directions for future research Offering broad international coverage from top tier contributors this volume ranks among the first publications to serve as a comprehensive resource addressing theory and scholarship in journalism studies As such the *Handbook of Journalism Studies* is a must have resource for scholars and graduate students working in journalism media studies and communication around the globe

Digital Activism in Zimbabwe Tenford Chitanana, 2024-10-21 This book investigates the role of the internet and social media in political processes in non western and non democratic contexts Using Zimbabwe as a case study the book demonstrates how activists and ordinary people deploy social media particularly Facebook to subvert an enduring hegemonic state However the book also highlights how authoritarian regimes are in turn learning and adapting to the information age challenging the impact of digital activism Studies of digital activism in the Global South are often centred around democracy but this book paints a more complex picture examining the role and effect of digital activism in challenging state hegemony in authoritarian contexts The book notes that while communication technologies help mediate activism they are also simultaneously constrained by pre existing and emergent challenges tied to the social and political context and the inherent

limitations of those technologies The book investigates the tactics used by digital activists the contextual factors and restrictive political environment they operate in including the role of pro government activists and ultimately the impact of digital activism given these constraints From the case of Zimbabwe the book builds out a broader theoretical analysis of the evolution of third world protest in the digital age examining the limitations of activists actions and the ideological deficit in online activism to ferment a virulent counter hegemony

Representation Jenny Kidd,2015-10-23 Written especially for undergraduate students Representation synthesises and updates our understandings of representation and the tools for its analysis for use in the new mediascape Jenny Kidd uses an engaging range of current examples and a lively style to explore a number of key questions reflecting existing and contemporary debates about representation These key questions include Who owns and manages representations Whose realities are foregrounded and whose are consigned to invisibility To what extent are increased opportunities for self representation altering the landscape And what happens to representation within the noisy playful and often subversive communications of the Internet Kidd considers the political social and cultural importance of representation across a broad spectrum of cultural and creative industries This examination of the relationship between media cultural representations and the construction of reality identity and society makes it an ideal text for students that need to get to grips with this core thematic of media and cultural studies

An ANTi-History about Transgender

Inclusion in the Brazilian Labor Market Camilla Pinto Luna,Denise Franca Barros,2023-03-29 An ANTi History about Transgender Inclusion in the Brazilian Labor Market answers repeated calls to correct the neglect of voices from the global south and the scarcity of work on gender and transgender peoples in organizational history
