## **Alun Llywelyn Williams:**

*Alun Llywelyn-Williams* Elwyn Evans,1991 Poet critic infantry officer professional broadcaster university teacher Alun Llywelyn Williams had been all of these things and more when he died in 1988 He was a perceptive disciplined poet with a coherent personal philosophy catholic in spirit scholarly and humane Alun Llywelyn Williams wrote almost exclusively in Welsh and the aim of this essay is to introduce his life and work to the wider English speaking community *Bywyd a Gwaith Alun Llywelyn-Williams, 1913-1988* Non Indeg Evans,1995 *The Oxford Handbook of British and Irish War Poetry* Tim Kendall,2007-02-22 The Handbook ranges widely and in depth across 20th century war poetry incorporating detailed discussions of some of the key poets of the period It is an essential resource for scholars of particular poets and for those interested in wider debates Contributors include some of the most important international poetry critics of our time

**Bangor University 1884-2009** David Roberts,2009-09-01 This book relates to one of Wales s most important institutions of higher education covering its history from its creation in 1884 as the University College of North Wales its incarnation as the University of Wales Bangor and to its 125th anniversary in 2009 The book traces the institution s origins as an 18th century coaching inn with just 58 students to its current status as an institution enjoying multi million pound investment in staff and buildings in the twenty first century The story is one of heroic struggle personal endeavour financial crises political unrest academic distinction and student devotion This account traces the growth and development of the institution focusing on the personalities who shaped its direction and the changing nature of student life on the campus The underlying theme of the book is academic progress placed within the context of Welsh political social and economic development during the last century and also covers the first few years of the twenty first **Black Skin, Blue Books**

Daniel G. Williams,2012-09-15 Williams analyses and compares the ways in which African Americans and the Welsh have defined themselves as minorities within larger nation states the UK and US The study is grounded in examples of actual friendships and cultural exchanges between African Americans and the Welsh such as Paul Robeson s connections with the socialists of the Welsh mining communities and novelist Ralph Ellison s stories about his experiences as a GI stationed in wartime Swansea This wide ranging book draws on literary historical visual and musical sources to open up new avenues of research in Welsh and African American studies Kate Roberts Katie Gramich,2011-02-15 When the Welsh writer Kate Roberts died in 1985 at the age of 94 the Times obituary noted that she was felt by many to rank with Maupassant as one of the leading European short story writers Roberts is widely acknowledged as the major twentieth century novelist and short story writer to have written in the Welsh language being known and revered in Wales as the Queen of our Literature Much of her work has been translated into English and other languages and yet she remains today relatively little known and under appreciated in comparison for example with other female contemporaries who wrote in English such as Virginia Woolf Katherine Mansfield and Elizabeth Bowen This volume seeks to redress the balance bringing the life and work of this

extraordinary novelist playwright short story writer journalist and ardent political campaigner to the attention of the wider world audience that the sheer quality of her writing deserves

**Man, Myth and Museum** Eurwyn Wiliam, 2023-07-15 This is the first book to critically examine the professional work of the pioneer of open air museums in Britain and the self proclaimed founder of the Welsh Folk Museum at St Fagans and a major figure in Welsh cultural life This book places Peate's life in the context of Welsh history and assesses his impact on helping to create a particular view of Welsh culture placing great emphasis on the importance of the Welsh speaking rural craftsman and ignoring the contribution of industry to Welsh life It makes extensive use of quotation synopsis and translation for the first time giving non Welsh speakers access to his Welsh language publications about museums and folk life

**General Catalogue of Printed Books** British Museum. Department of Printed Books, 1969

T. H. Parry-Williams Robert Gerallt Jones, 1978

Writing a Small Nation's Past Neil Evans, 2016-02-17 This is the first volume to examine how the history of Wales was written in a period that saw the emergence of professional historiography largely focused on the nation across Europe and in the United States It thus sets Wales in the context of recent work on national history writing in the nineteenth and twentieth centuries and more particularly offers a Welsh perspective on the ways in which history was written in small mainly stateless nations The comparative dimension is fundamental to the volume's aim highlighting what was distinctive about Welsh historical writing and showing how the Welsh experience mirrors and illuminates broader historiographical developments The book begins with an introduction that uses the concept of historical culture as a way of exploring the different strands of historiography covered in the collection providing orientation to the chapters that follow These are divided into four sections Contexts and Backgrounds Amateurs and Popularizers Creating Academic Disciplines and Comparative Perspectives All these themes are then drawn together in the conclusion to examine how far Welsh historians exemplify widespread trends in the writing of national history and thereby point up common themes that emerge from the volume and clarify its broader significance for students of historiography

**A History of Independent Television in Wales** Jamie Medhurst, 2015-02-20 Despite the growing body of work on the media in Wales very little exists on the history of commercial television in Wales This book seeks to address this imbalance by tracing the growth and development of ITV in Wales and assessing its contribution to the life of the nation ITV has been a powerful force in British broadcasting since its inception in 1955 When commercial television came to Wales for the first time in 1958 it immediately got caught up in with matters of national identity language and geography Compared with the BBC it is a relative newcomer its growth was slower than that of the BBC and it took until 1962 to complete the network across the UK Once it had arrived however its impact was considerable The book will provide an historical narrative and critical analysis of independent television ITV in Wales from 1958 up until the present day

**Studies in Modern French Literature** Percy Mansell Jones, 1961

**Eutopia** M. Wynn Thomas, 2021-01-15 This book is a timely Welsh antidote to Brexit It is packed with original materials but is written in a highly accessible style by an author who recently won a Welsh Book of the Year award It throws a wholly new light on Wales revealing a country that has long been internationalist in cultural outlook well prepared to look in directions other than that of England

**Revolution to Devolution** Kenneth O. Morgan, 2014-09-15 This is an integrated range of studies focusing on Wales by a long established and internationally recognised academic authority and member of the House of Lords on the advance of democracy and the evolving idea of national identity in modern Britain It casts back to the impact of change in Europe and the wider world from the 1789 Revolution in France onwards covering key personalities such as Lloyd George and the impact of the First World War in Wales and relates to contemporary debates on Scottish independence and the connections with Europe to open up wider issues of open government foreign policy the rule of law and cultural diversity

*The Expansion of England* Bill Schwarz, 2005-08-04 The organized study of history began in Britain when the Empire was at its height Belief in the destiny of imperial England profoundly shaped the imagination of the first generation of professional historians But with the Empire ended do these mental habits still haunt historical explanation Drawing on postcolonial theory in a lively mix of historical and theoretical chapters *The Expansion of England* explores the history of the British Empire and the practice of historical enquiry itself There are essays on Asia Australasia the West Indies South Africa and Britain Examining the sexual racial and ethnic identities shaping the experiences of English men and women in the nineteenth century the authors argue that habits of thought forged in the Empire still give meaning to English identities today

**Medieval Crime Fiction** Anne McKendry, 2019-05-14 Combining elements of medievalism the historical novel and the detective narrative medieval crime fiction capitalizes upon the appeal of all three the most famous examples being Umberto Eco's *The Name of the Rose* one of the best selling books ever published and Ellis Peters' endearing Brother Cadfael series Hundreds of other novels and series fill out the genre in settings ranging from the so called Celtic Enlightenment in seventh century Ireland to the ruthless Inquisition in fourteenth century France to the mean streets of medieval London The detectives are an eclectic group including weary ex crusaders former Knights Templar enterprising monks and nuns and historical poets such as Geoffrey Chaucer This book investigates the enduring popularity of the largely unexamined genre and explores its social cultural and political contexts
