Realist Critiques of Visual Culture Edward Barnaby, 2018-05-10 Have industrial age technologies and visual discourses transformed us into spectators of the real and can realist fiction make that transformation visible to us This book brings Situationist Guy Debord's *Society of the Spectacle* and an array of cultural criticism into dialogue with novels by Hardy Forster Woolf Rushdie Carey and Barnes to foreground literary realism's critique of visual culture including Gothic architectural revival neoclassicism tourism historical pageantry postcolonial cinema and photography museums preservationism urbanism and artisanal neo folk movements Barnaby advances the concept of meta spectacle to distinguish realist fiction that engages ethically with visual discourses from realist fiction that reproduces the visible veneer of reality for aesthetic consumption He highlights the limitations of artistic critiques of spectacle considers their resilience toward a

culture industry that continuously repackages iconoclasm as iconicity and reflects upon the process of reorienting the reader to comprehend realist gestures By heightening the capacity to recognize our own immersion within objectified representations of the real Realist Critiques of Visual Culture demonstrates how literary realism remains vital within a society that is so deeply invested in visually replicating and archiving lived experience **Spatial Cultures** Sam Griffiths,Alexander von Lünen,2016-06-10 What is the relationship between how cities work and what cities mean Spatial Cultures Towards a New Social Morphology of Cities Past and Present announces an innovative research agenda for urban studies in which themes and methods from urban history social theory and built environment research are brought into dialogue across disciplinary and chronological boundaries The collection confronts the recurrent epistemological impasse that arises between research focussing on the description of material built environments and that which is concerned primarily with the people who inhabit govern and write about cities past and present A reluctance to engage substantively with this issue has been detrimental to scholarly efforts to understand the urban built environment as a meaningful agent of human social experience Drawing on a wide range of historical and contemporary urban case studies as well as a selection of theoretical and methodological reflections the contributions to this volume seek to historically geographically and architecturally contextualize diverse spatial practices including movement encounter play procession and neighbourhood The aim is to challenge their tacit treatment as universal categories in much writing on cities and to propose alternative research possibilities with implications as much for urban design thinking as for history and the social sciences **Review of Contemporary Fiction** John O'Brien,2003-01-08 Joseph Dewey Rick Moody Brian Evenson Joanna Howard Ann Quin Zachary Hamner Ed Casebook Study of Silas Flannery *Videogame, player, text* Barry Atkins,Tanya Krzywinska,2024-07-30 Videogame player text examines the playing and playful subject through a series of analytical essays focused on particular videogames and playing experiences With essays from a range of internationally renowned game scholars the major aim of this collection is to show how it is that videogames communicate their meanings and provide their pleasures Each essay focuses on specific examples of gameplay dynamics to tease out the specificities of videogames as a new form of interaction between text and digital technology for the purposes of entertainment That modes of engagement with the videogame text are many and varied and construct the playing subject in different ways provides the central theme of Videogame player text Online play clan membership competitive or co operative play player modification of game texts and the solo play of a single player are each addressed through individual analyses of the gameplay experiences produced by for example The Sims Grand Theft Auto Prince of Persia Doom Quake World of Warcraft StreetFighter and Civilisation
