Fredriksen,2011-12-12 From Army Rangers to Green Berets to the U S Navy SEAL team that killed Osama bin Laden this book explains what makes Special Forces special covering the rich and varied history of elite formations in American military history and describing their recruitment intense training and equipment in depth Most civilians have only a vague idea of what the U S Special Forces are all about who they are how they differ from our normal military forces what they ve accomplished throughout our history and how they operate today Fighting Elites A History of U S Special Forces examines the rich and varied history of U S Special Forces identifies their contributions to specific conflicts from colonial times forward and highlights their present operational excellence In this first ever reference guide to U S Special Forces military historian John C Fredriksen provides a carefully balanced presentation describing all units in their own detailed section that discusses their origins recruitment training tactics and equipment and defining military engagements if known The text also contains 20 biographical entries of noted personalities associated with special purpose activities **Forthcoming Books** Rose Army,2003-04 Historical Dictionary of the War in Vietnam Ronald B. Frankum Jr.,2011-06-10 For Southeast Asia the Vietnam War altered forever the history topography people economy and politics of the Democratic Republic of Vietnam DRV the Republic of Vietnam RVN Cambodia and Laos That the war was controversial is an understatement as is the notion that the war can be understood from any one perspective One way of understanding the Vietnam War is by marking its time with turning points both major and minor that involved events or decisions that helped to influence its course in the years to follow By examining a few of these turning points an organizational framework takes shape that makes understanding the war more possible Historical Dictionary of the War in Vietnam emphasizes the international nature of the war as well as provide a greater understanding of the long scope of the conflict The major events associated with the war will serve as the foundation of the book while additional entries will explore the military diplomatic political social and cultural events that made the war unique While military subjects will be fully explored there will be greater attention to other aspects of the war All of this is done through a chronology an introductory essay an extensive bibliography and over 600 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the Vietnam War **Fire Cops** Michael W. Sasser,Charles W. Sasser,1998 From the big cities to dense forests to disasters at sea here are the toughest cases from real arson investigators who seek out the truth amid the ashes to catch scheming profiteers vicious vandals and diabolical pyromaniacs Photo insert **Mohawk Memoir from The War of 1812** Carl Benn,2019-10-25 In 1815 16 Mohawk chief John Norton wrote one of the most fascinating and detailed memoirs from the War of 1812 In this book Carl Benn s

comprehensive introductions and annotations enable readers to explore that important indigenous narrative its contexts and its related histories fully **Indochina Chronology** ,1994 **U.S. Naval Institute Proceedings** United States Naval Institute,1995 *Air & Space Smithsonian* ,1995 **Facing the Crises** Ljubica Matek,Jasna Poljak Rehlicki,2014-06-26

Owing to the diverse research interests of the contributors this collection of essays offers a varied picture of the current approaches to Anglo American literature and culture and points to the need for a deeper understanding of current cultural economic and social processes in the globalizing and globalized culture of the West Because crisis seems to be the key word of contemporary Western culture the first part of the book titled In the Face of Crises explores the implicit or explicit idea of a crisis between the real and the simulated suggesting that one of the major issues for the contemporary man is how to deal with the virtual or with the absence of the real Our fast paced technology laden and materialist oriented existence brings about the need to rethink our human identity putting into perspective our relationship to technology the impact of capitalist economy and colonial past as well as consequences of constant warfare The second part of the book New Perspectives on Literary Genres analyzes forms topics and styles in literary texts belonging to specific sometimes marginalized genres Literary analyses in this section also touch upon the idea of crisis be it the crisis of understanding and redefining a particular genre or a crisis that is inherent in the controversial topic or form of the text As a reaction to recent allegations concerning the crisis of humanities as non profitable this book shows that humanist research is indispensable and crucial for understanding the human condition making this book a relevant addition to the contemporary discussion of literature and culture **Books in Print** ,1994 *Warrior-Writers of World War II* Lee Congdon,2025-02-28 Warrior Writers of World War II delivers a thorough study of Americans who saw combat in World War II survived and returned home to become famous writers It considers the works of 16 important authors among them J D Salinger John Ciardi and James Jones exploring these men s war experiences and their reflection in their writings This includes what they learned about themselves and even more important what they can teach the rest of us about war and peace good and evil hatred and pity honor and dishonor fate and chance and about the sustaining power of comradeship This critical overview will be useful to general readers and academics seeking to deepen their understanding of the impact World War II has had on twentieth century literature *Books in Print Supplement* ,1994 **A Companion to the War Film** Douglas A. Cunningham,John C. Nelson,2016-03-28 A Companion to the War Film contains 27 original essays that examine all aspects of the genre from the traditional war film to the new global nature of conflicts and the diverse formats that war stories assume in today s digital culture Includes new works from experienced and emerging scholars that expand the scope of the genre by applying fresh theoretical approaches and archival resources to the study of the war film Moves beyond the limited confines of the combat film to cover home front films international and foreign language films and a range of conflicts and time periods Addresses complex questions of gender race forced internment international terrorism and war protest in films such as Full Metal

Jacket Good Kill Grace is Gone Gran Torino The Messenger Snow Falling on Cedars So Proudly We Hail Tae Guk Gi The Brotherhood of War Tender Comrade and Zero Dark Thirty Provides a nuanced vision of war film that brings the genre firmly into the 21st Century and points the way for exciting future scholarship **Always a Warrior** Charles W. Sasser,1994 Chronicles the author s motives ideals experiences and relationships as a U S Special Forces soldier agent in Vietnam Central America and Korea and during Operation Desert Storm By the author of The Walking Dead Original *Arthur Blackburn*, VC Andrew Faulkner,2008 By any measure Arthur Seaforth Blackburn was one of Australia s most remarkable soldiers This the first Blackburn biography details the famous battles that shaped Australia **The Works of Daniel De Foe, with a Memoir of His Life and Writings. By William Hazlitt. [With a Bibliography.]** Daniel Defoe,1840 The Battle of the Wilderness, May 5-6, 1864 Gordon C. Rhea,2004-09-01 Fought in a tangled forest fringing the south bank of the Rapidan River the Battle of the Wilderness marked the initial engagement in the climactic months of the Civil War in Virginia and the first encounter between Ulysses S Grant and Robert E Lee In an exciting narrative Gordon C Rhea provides the consummate recounting of that conflict of May 5 and 6 1864 which ended with high casualties on both sides but no clear victor With its balanced analysis of events and people command structures and strategies The Battle of the Wilderness is operational history as it should be written
