Stay For Me Tam DeRudder Jackson, 2023-04-27 Garrett I've made a few mistakes over the last decade but the one I regret most was letting Olivia Carter go When I see her again the past crashes over me reminding me of everything I ever wanted and gave up when I let our dreams separate us Managing Balefire into the world's biggest rock band came at a personal cost walking away from my only love When fate brings her back into my life I'm determined not to screw up again After Balefire hires her studio to produce their next music video I have a second chance to rewrite our song if I can convince her I'm a changed man Olivia Ten years ago Garrett Phillips chose to go with his boys and leave me in the dust of a ratty old tour bus Now I'm working my ass off to make a name for myself as a Hollywood music video director Unfortunately my fledgling studio is bleeding money and my only hope of saving it is to make a video with the biggest rock band on the planet Too bad that means working with the man who tore my heart out of my chest when he chose his rock n roll dream over me He says he's grown up He says we can make things work But can I truly trust that this time he will stay for me
