

Am I The Last Virgin And Other Tales About Young Adult Black Female Sexuality

Rose Arny

Am I The Last Virgin And Other Tales About Young Adult Black Female Sexuality:

Children's Books in Print R R Bowker Publishing, Bowker, 1999-12 *Teen Movies* Timothy Shary, 2023-10-31 Cinema has always engaged with the experiences hopes fears and anxieties of and about adolescents teenagers and young people This book is a comprehensive and accessible history of the depiction of teenagers in American film from the silent era to the twenty first century Timothy Shary explores the development of teenage roles across eras and industrial cycles such as the juvenile delinquent pictures of the 1950s the beach movies of the 1960s the horror films of the 1980s and the fantasy epics of the 2000s He considers the varied genres of the teen movie horror and melodrama romance and adventure fantasy and science fiction and its shifting themes and tropes around sex and gender childhood and adulthood rebellion and social order crime and consumer culture *Teen Movies* features analyses of films such as *Rebel Without a Cause* 1955 *Splendor in the Grass* 1961 *Carrie* 1976 *The Breakfast Club* 1985 *American Pie* 1999 and the *Twilight* series 2008 2012 This second edition is updated throughout and features a new chapter examining Millennials and Generation Z on screen with discussions of many contemporary topics including queer youth in movies like *Moonlight* 2016 abortion in films such as *Never Rarely Sometimes Always* 2020 and the flourishing of a tween cinema as seen in *Are You There God It's Me Margaret* 2023 *Forthcoming*

Books Rose Arny, 1996-10 **Daily Graphic** Yaw Boadu-Ayebofoh, 2006-02-18 *Subject Guide to Children's Books in Print* 1997 Bowker Editorial Staff, R R Bowker Publishing, 1996-09 **Making Chastity Sexy** Christine J.

Gardner, 2011-07-28 Even though they are immersed in sex saturated society millions of teens are pledging to remain virgins until their wedding night How are evangelical Christians persuading young people to wait until marriage Christine J Gardner looks closely at the language of the chastity movement and discovers a savvy campaign that uses sex to sell abstinence Drawing from interviews with evangelical leaders and teenagers she examines the strategy to shift from a negative just say no approach to a positive one just say yes to great sex within marriage *Making Chastity Sexy* sheds new light on an abstinence campaign that has successfully recast a traditionally feminist idea my body my choice into a powerful message but one that Gardner suggests may ultimately reduce evangelicalism's transformative power Focusing on the United States her study also includes a comparative dimension by examining the export of this evangelical agenda to sub Saharan Africa

Folk Women and Indirection in Morrison, N Dhuibhne, Hurston, and Lavin Jacqueline Fulmer, 2017-11-30

Focusing on the lineage of pivotal African American and Irish women writers the author argues that these authors often employ strategies of indirection via folkloric expression when exploring unpopular topics This strategy holds the attention of readers who would otherwise reject the subject matter The author traces the line of descent from Mary Lavin to N Dhuibhne and from Zora Neale Hurston to Toni Morrison showing how obstacles to free expression though varying from those Lavin and Hurston faced are still encountered by Morrison and N Dhuibhne The basis for comparing these authors lies in the strategies of indirection they use as influenced by folklore The folkloric characters these authors depict wild denizens

of the Otherworld and wise women of various traditions help their creators insert controversy into fiction in ways that charm rather than alienate readers. Forms of rhetorical indirection that appear in the context of folklore such as signifying practices masking sly civility and the grotesque or bizarre come out of the mouths and actions of these writers' magical and magisterial characters. Old traditions can offer new ways of discussing issues such as sexual expression, religious beliefs, or issues of reproduction. As differences between times and cultures affect what can and cannot be said, folkloric indirection may open up a vista to discourses of which we as readers may not even be aware. Finally, the folk women of Morrison, N. Dhuibhne Hurston, and Lavin open up new points of entry to the discussion of fiction, rhetoric, censorship, and folklore.

50 Great Myths of Human Sexuality Pepper Schwartz, Martha Kempner, 2015-04-20. 50 Great Myths of Human Sexuality seeks to dispel commonly accepted myths and misunderstandings surrounding human sexuality, providing an enlightening, fascinating, and challenging book that covers the fifty areas the author believes individuals must understand to have a safe, pleasurable, and healthy sex life. Dispels, Explores commonly accepted myths and misunderstandings surrounding human sexuality. Includes comparisons to other countries and cultures, exploring different beliefs and how societies can influence perceptions. Areas discussed include premarital sex, masturbation, sexual diseases, fantasy, pornography, relationships, contraception, and emotions such as jealousy, body image, insecurity, passionate love, and sexual aggression. Covers both heterosexual and same-sex relationships.

Virgin Envy Jonathan A. Allan, Cristina Santos, Adriana Spahr, 2016-11-15. Virginity is of concern here that is its utter messiness. At once valuable and detrimental, normative and deviant, undesirable and enviable, virginity and its loss hold tremendous cultural significance. For many, female virginity is still a universally accepted condition, something that is somehow bound to the hymen, whereas male virginity is almost as elusive as the G-spot. We know it's there, it's just we have a harder time finding it. Of course, boys are virgins, queers are virgins; some people reclaim their virginities, and others reject virginity from the get-go. So what if we agree to forget the hymen all together? Might we start to see the instability of terms like untouched, pure, or innocent? Might we question the act of sex, the very notion of relational sexuality? After all, for many people, it is the sexual acts they don't do or don't want to do that carry the most abundant emotional clout. Virgin Envy is a collection of essays that look past the vestal virgins and beyond Joan of Arc. From medieval to present-day literature, the output of HBO, Bollywood, and the films of Abdellah Taïa or Derek Jarman, to the virginity testing of politically active women in Tahrir Square, the writers here explore the concept of virginity in today's world to show that ultimately, virginity is a site around which our most basic beliefs about sexuality are confronted, and from which we can come to understand some of our most basic anxieties, paranoias, fears, and desires.

The Palgrave Handbook of the Vampire Simon Bacon, 2024-04-16. Winner of the The Lord Ruthven Assembly Award for Non-Fiction 2024. This Handbook MRW is a unique encompassing overview of the figure of the vampire. Not only covering the list of usual suspects, this volume provides coverage from the very first reports of vampire-like creatures in the 17th century to film and media representations in the 21st century. The Palgrave

Handbook of the Vampire shows that what you thought you knew about vampires is only a fraction of the real and fascinating story

Fundamental Cases Alan M. Dershowitz, 2006-05-10 Wings over the Watcher

The Once and Future Sex Eleanor Janega, 2023-01-17 A provocative colloquial and entertaining Carolyn Larrington Times Literary Supplement

exploration of medieval thinking about women's beauty, sexuality and behavior A timely corrective Ms Janega's witty but merciless dissection of medieval misogyny is a welcome challenge to us to stop recycling the same old prejudices Elizabeth Lowry Wall Street Journal

What makes for the ideal woman How should she look, love and be In this vibrant, high spirited history, medievalist Eleanor Janega turns to the Middle Ages, the era that bridged the ancient world and modern society to unfurl its suppositions about women and reveal what's shifted over time and what hasn't Enshrined medieval thinkers almost always male subscribed to a blend of classical Greek and Roman philosophy and Christian theology for their concepts of the sexes For the height of female attractiveness they chose the mythical Helen of Troy whose imagined pear shape, small breasts and golden hair served as beauty's epitome Casting Eve's shadow over medieval women they derided them as oversexed sinners inherently lustful, insatiable and weak And unless a nun, a woman was to be the embodiment of perfect motherhood In contrast, drawing on accounts of remarkable and subversive medieval women like Eleanor of Aquitaine and Hildegard of Bingen along with others hidden in documents and court cases Janega shows us how real women of the era lived While often mothers they were industrious farmers, brewers, textile workers, artists and artisans and paved the way for new ideas about women's nature, intellect and ability In *The Once and Future Sex* Janega unravels the restricting expectations on medieval women and the ones on women today She boldly questions why if our ideas of women have changed drastically over time we cannot reimagine them now to create a more equitable future

Our Human Herds: The Theory of Dual Morality (Second Edition, Unabridged) Stephen Martin Fritz, 2019-05-14 Let us imagine that somewhere in present day South America a nation exists as the United States was constituted in 1789 George Washington is its president and Thomas Jefferson its secretary of state It is a nation that allows only white males to vote and its president, cabinet officials and many of its citizens own slaves If the America of 1789 existed right now what would we think of it Would it be right to invade it in order to liberate its people Would we consider a complete embargo of it until it changed its ways Would it be a pariah among nations Or would we recognize and cooperate with it, declaring its president and secretary of state political geniuses Maybe we would just do nothing and trust that in 100 or so years it will straighten itself out What would be the correct way to think of such a nation and its leaders Three hundred years ago if a woman was raped and became pregnant we'd kill the rapist and spare the baby Today we spare the rapist and kill the baby One hundred years ago only heterosexual marriages were legal Today political leaders around the world are celebrating gay relationships How and why does our moral outlook change in such matters By the time you are done reading this book you will have concrete answers to these questions and many more This is a learned, thoroughly researched study and dazzlingly bright The effervescent approach to writing makes its pages fly

by Studies as brilliant as this one deserve a far wider audience An engrossing and mind expanding examination of morality
Kirkus Reviews **Prestige Television** Seth Friedman,Amanda Keeler,2022-11-11 Prestige Television explores how a growing array of 21st century US programming is produced and received in ways that elevate select series above the competition in a saturated market Contributing authors demonstrate that these shows are positioned and understood as comprising an increasingly recognizable genre characterized by familiar markers of distinction In contrast to most accounts of elite categorizations of contemporary US television programming that center on HBO and its primary streaming rivals these essays examine how efforts to imbue series with prestigious or elevated status now permeate the rest of the medium including network as well as basic and undervalued premium cable channels Case study chapters focusing on diverse series ranging from widely recognized examples such as The Americans 2013 2018 and The Knick 2014 15 to contested examples like Queen of the South 2016 2021 and How I Met Your Mother 2005 2014 highlight how contributing authors extend conceptions of the genre beyond expected parameters *Re-thinking Sexualities in Africa* Signe Arnfred,2004 This volume sets out to investigate critically existing lines of thought about sexuality in Africa while also creating space for alternative approaches P 4 of cover Books for the Teen Age, 2001 New York Public Library. Office of Young Adult Services,2001

Handbook of School Counseling Hardin L.K. Coleman,Christine Yeh,2011-04-06 The mission of this forty eight chapter Handbook is to provide a comprehensive reference source that integrates counseling theory research and practice into one volume It is designed to meet the needs of entry level practitioners from their initial placement in schools through their first three to five years of practice It will also be of interest to experienced school counselors counselor educators school researchers and counseling representatives within state and local governments **Exploring the Psychosocial and Psycho-spiritual Dynamics of Singleness Among African American Christian Women in Midlife** Christina Hicks,2017-08-09 Exploring the Psychosocial and Psycho spiritual Dynamics of Singleness Among African American Christian Women in Midlife examines the complexities and realities of singleness in individual familial and communal contexts These realities that are emotional psychological spiritual sexual and social are narrated by three African American women who have reached a critical midlife juncture and they give first hand accounts of what it means to be Black single and Christian in the 21st century This book provides a much needed discourse on single African American women and the challenging social mythical sexual and religious perceptions that are endemic to this specific population of women Moreover Exploring the Psychosocial and Psycho spiritual Dynamics of Singleness Among African American Christian Women in Midlife gives insight and voice to the many pastoral concerns of single African American Christian women in the Black church and is purposeful in helping them navigate to a place of health and wholeness **Subject Guide to Books in Print** ,1997 The Body Reader Lisa Jean Moore,Mary Kosut,2010-02 An essential collection of readings on cultural social and emotional understandings of the body Plastic surgery obesity anorexia pregnancy prescription drugs disability piercings steroids and sex re assignment

surgery over the past two decades there have been major changes in the ways we understand treat alter and care for our bodies The Body Reader is a compelling cutting edge and timely collection that provides a close look at the emergence of the study of the body From prenatal genetic testing and manscaping to televideo cybersex and the meth economy this innovative work digs deep into contemporary lifestyles and current events to cover key concepts and theories about the body A combination of twenty one classic readings and original essays the contributors highlight gender race class ability and sexuality paying special attention to bodies that are at risk bodies that challenge norms and media representations of the body Ultimately The Body Reader makes it clear that the body is not neutral it is the entry point into cultural and structural relationships emotional and subjective experiences and the biological realms of flesh and bone Contributors Patricia Hill Collins Karen Dias H Hugh Floyd Jr Arthur Frank Sander L Gilman Gillian Haddow Richard Huggins Matthew Immergut L ea Kent Kristen Karlberg Steve Kroll Smith Mary Kosut Jarvis Jay Masters Lisa Jean Moore Tracey Owens Patton William J Peace Jason Pine Eric Plemons Barbara Katz Rothman Edward Slavishak Phillip Vannini and Dennis Waskul
