Arthur Ransome - Ultimate Collection Arthur Ransome, 2023-12-26 Arthur Ransome's Ultimate Collection is a compendium of his most celebrated works showcasing the enchanting blend of adventure, nature and childhood innocence that defines his literary style. Ransome's prose is characterized by its vivid descriptive imagery and authentic dialogue, creating immersive narratives that resonate with both children and adults. Set against the backdrop of the English Lake District and the tumultuous period of the early 20th century, the stories explore themes of friendship, exploration and the complexities of growing up, reflecting his keen observations of youth in a changing world. Arthur Ransome was a journalist and a passionate sailor, drawing from his experiences as a correspondent during the Russian Revolution and his love for nature. His deep engagement with the landscapes he cherished informed his writing, allowing him to create faithfully wrought settings and relatable characters. Ransome's own adventures inspired many of the plots in the collection as he sought to capture the joy of discovery and the bonds formed during innocent escapades. This ultimate collection is highly recommended for readers seeking a nostalgic return to their youth or those eager to discover the enchanting narratives of one of children's literature's finest authors. Ransome's timeless stories will captivate not only fans of adventure but also anyone who appreciates the beauty of nature and the profound wisdom that accompanies childhood experiences.

Arthur Ransome's Long-lost Study of Robert Louis Stevenson Arthur Ransome, 2011 The *Swallows and Amazons* author's lost study of the author of *Treasure Island* finally available with a substantial introduction detailing its rediscovery and Ransome's extraordinary early career.

Swallows and Amazons 1930, 2014 *Swallows and Amazons*, by Arthur Ransome (2 Cassettes). Arthur Ransome, "Swallows, Amazons and Coots" Julian Lovelock, 2016-09-29 In 1929 Arthur Ransome, 1884-1967, a journalist and war correspondent who was on the books of MI6, turned his hand to writing adventure stories for children. The result was *Swallows and Amazons* and eleven more wonderful books followed, spanning the turbulent years from 1930 to 1947. They changed the course of children's literature and have never been out of print since. In them Ransome creates a world of escape so close to reality that it is utterly believable, a world in which things always turn out right in the end. Yet *Swallows, Amazons and Coots* shows that to be properly appreciated today the novels must be read as

products of their era inextricably bound up with Ransome's life and times as he bore witness to the end of Empire and the dark days of the Second World War In the first critical book devoted wholly to the series Julian Lovelock explores each novel in turn offering an erudite assessment of Ransome's creative process and narrative technique and highlighting his contradictory politics his defence of rural England and his reflections on colonialism and the place of women in society Thus Lovelock demonstrates convincingly that despite first appearances the novels challenge as much as reinforce the pervading attitudes of their time Written with a lightness of touch and enlivened by Ransome's own illustrations *Swallows and Amazons* and *Coots* is both fresh and nostalgic It will appeal to anyone who has enjoyed the world of *Swallows and Amazons* and there is plenty here to challenge both the student and the Ransome enthusiast Arthur Ransome Peter Hunt,1991 The Big Six Arthur Ransome,2014-10-02 Why shouldn't we be detectives too When Dick and Dorothea arrive in the Norfolk Broads all set for a blissful summer on the river they find their friends the Death and Glories in a very bad situation Accused of setting boats adrift sabotage and theft the boys are under suspicion by everyone on the river And in the meantime the real culprits are still at large There's no choice but to form a crime busting team The Big Six As the evidence stacks against them can they solve the mystery and trap the real criminals Includes exclusive material In The Backstory find out about birds boats and fish and put your own detective skills to the test Vintage Children's Classics is a twenty first century classics list aimed at 8-12 year olds and the adults in their lives Discover timeless favourites from *The Jungle Book* and *Alice's Adventures in Wonderland* to modern classics such as *The Boy in the Striped Pyjamas* and *The Curious Incident of the Dog in the Night Time* *Approaching Arthur Ransome* Peter Hunt,1992 **Delphi Collected Works of Arthur Ransome (Illustrated)** Arthur Ransome,2023-06-15 The beloved children's author Arthur Ransome is noted for popularising the pattern for holiday adventure stories A writer of various genres his first success *Bohemia in London* is a partly autobiographical account of his early days He also published a noted general *History of Story Telling* as well as landmark critical works on Edgar Allan Poe and Oscar Wilde During the Great War Ransome worked as a war correspondent in Russia where he studied native folktales which he retold for children He also wrote extensively about his passion of angling producing the seminal work in its field *Rod and Line* This eBook presents Ransome's collected works with numerous illustrations rare texts informative introductions and the usual Delphi bonus material Version 1 Beautifully illustrated with images relating to Ransome's life and works Concise introductions to the major works Rare children's books with the original artwork Many rare texts appearing for the first time in digital publishing Images of how the books were first published giving your eReader a taste of the original texts Excellent formatting of the texts Rare short stories available in no other collection Includes Ransome's rare non-fiction works Features the celebrated autobiography discover Ransome's intriguing life Ordering of texts into chronological order and genres CONTENTS Other Children's Books *The Child's Book of the Seasons* 1906 *Pond and Stream* 1906 *The Things in our Garden* 1906 *The Hoofmarks of the Faun* 1911 *Old Peter's Russian Tales* 1916 *Aladdin and his Wonderful Lamp in Rhyme*
