NUS MODEL MEMORANDUM AND ARTICLES OF ASSOCIATION
(Version 2: Trustees as company law members)

EXPLANATORY NOTES (2016)

The NUS Model Memorandum and Articles of Association (the "Memorandum and Articles") is a model governing document that has been developed by NUS and Bates Wells Braithwaite for use by students' unions that are planning to incorporate (or are already incorporated) as companies limited by guarantee. Although other governance models exist, the governance model set out in the Memorandum and Articles reflects the recommended policy of NUS.

The Memorandum and Articles have been approved by the Charity Commission as acceptable for charitable registration.

There are two versions of the Memorandum and Articles. In Version 1, the students are the company law members of the students' union. In Version 2, the trustees are the company law members of the students' union, whilst the students are members for democratic purposes and for the purposes of the Education Act 1994.

These Notes explain the main provisions in Version 2 of the Memorandum and Articles, and how to tailor them for your particular circumstances. Terms not defined in these Notes are as defined in the Memorandum and Articles.

These Notes accompany the Memorandum and Articles (Version 2) which were published in 2016. If your students' union already exists as a company and you are considering updating your articles of association to bring them in line with the 2016 Memorandum and Articles, you must read carefully the "**Warning**" sections in these Notes marked in *italics*.
