Artificial Turf Things Are Not Always What They Seem:

Artificial Turf Patsy Wood Smith, 2004-08-01 Jessi Johnson is a twelve year old sports fanatic whose life is so boring She is an only child and her parents are WAY too involved in her activities If only she could have a life like Betsy's Betsy is good at everything her father is a former professional football hero her mom is gorgeous she has an older sister and a younger brother and they live in a mansion now that would be perfect Join Jessi as she discovers that switching lives with Betsy may not be the perfect situation at all and the traits that make a REAL hero may have nothing to do with fame or fortune Jessi grows up a great deal during the summer before her seventh grade year learning important life lessons about heroism alcoholism friendship and love Maybe the grass is NOT always greener on the other side NOTE Find helpful information in the Epilogue about alcoholism and its effect on families

Breaking the Spell T. White, 2010-02 This book was created by powerful words influenced by love Positive feelings were found in the most adverse situations Later these feelings were transformed into freedom and self determination Inspired by hope these emotions were changed into beautiful words

Honey, If You Leave Me, I Am Going with You Daniel O. Abreo, 2012-09-12 This book is three in one a love story a marriage guide and a way to maintain a healthy physical mental and spiritual life It will help you in all areas of your life especially your marriage keeping your family together How important is that for you This is a God inspired book I don't take credit I am just the messenger

Communicating Science, Climate Change and the Environment in Hybrid Media

Mette Marie Roslyng, Anna Rantasila, Anna Maria Jönsson, 2025-05-30 This volume examines how a new hybrid mediascape represents and contributes to the construction of facts and knowledge in relation to science environment and climate controversies providing a new critical perspective to the burgeoning field of science and environment communication Arguing that science must be understood from an inclusive perspective respecting public values and concerns alongside scientific arguments the authors demonstrate how this will allow us to properly understand the role of science truth and factuality alongside the ethical cultural and political concerns about science raised in different publics The chapters focus on the more controversial aspects of science and environmental communication misinformation public understandings of science and the environmental crises vaccination and the role of the hybrid mediascape in science environment and climate conflicts Offering a much needed interdisciplinary approach to understand the role of science of media in science and environment conflicts this book will appeal to students and academics in the areas of media and communication journalism cultural studies science environment and risk communication and digital media studies as well as sociology and political science The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license An electronic version of this book is freely available thanks to the support of libraries working with Knowledge Unlatched KU KU is a collaborative initiative designed to make high quality books Open Access for the public good The Open Access ISBN for this book is 9781003479550 More information
