Artistic License Darren Hudson Hick, 2017-04-26 The art scene today is one of appropriation of remixing reusing and recombining the works of other artists From the musical mash ups of Girl Talk to the pop culture borrowings of Damien Hirst and Jeff Koons it is clear that the artistic landscape is shifting which leads to some tricky legal and philosophical questions In this up to date thorough and accessible analysis of the right to copyright Darren Hudson Hick works to reconcile the growing practice of artistic appropriation with innovative views of artists rights both legal and moral Engaging with long standing debates about the nature of originality authorship and artists rights Hick examines the philosophical challenges presented by the role of intellectual property in the artworld and vice versa Using real life examples of artists who have incorporated copyrighted works into their art he explores issues of artistic creation and the nature of infringement as they are informed by analytical aesthetics and legal and critical theory Ultimately *Artistic License* provides a critical and systematic analysis of the key philosophical issues that underlie copyright policy rethinking the relationship between artist artwork and the law

Hans Sturm GORDON WILLIAMSON, 2017-01-20 There are many biographies of former soldiers of the German Wehrmacht many of whom had fascinating stories to tell and several of whom were highly decorated Few however can match Hans Sturm in his astonishing rise from a mere private in an infantry regiment thrown into the bloody maelstrom of the Eastern Front to becoming a glorified war hero whose role brought him into direct regular contact with Prominenten of the Third Reich This young man's fearless heroism in combat earned him some of Germany's highest military awards and yet he was pugnaciously outspoken about bullying and injustice From striking a member of the feared Sicherheitsdienst in defence of a Jewish woman to refusing to wear a decoration he felt was tainted by its encouragement of inhumane treatment of enemy partisans Sturm repeatedly stuck to his moral values no matter what the risk But even when the war was finally over his travails did not end he was held in a number of Soviet labour camps before finally being released in 1953 *Hans Sturm A Soldier's Odyssey on the Eastern Front* is an engaging reconstruction of events based on exchanges of correspondence and reminiscences between the author and Hans Sturm himself It vividly portrays not only a German soldier's experience on the Eastern Front but the intriguing trajectories that success in the battlefield yielded for him at home under the Nazi regime

Show Networks and Control Systems, Second Edition John Huntington, 2017-11-02 *Show Networks and Control Systems* the industry standard since 1994 is both a learning guide for beginners and a reference for experienced technicians With its unique combined focus on computers networks and control systems the book covers the art and practice of using these tools for live shows such as concerts theatre productions theme park attractions themed retail installations cruise ship shows museum exhibits interactive media projects and traditional performing arts The book offers an in depth examination of the technology used behind the scenes in lighting

lasers audio video stage machinery animatronics special effects and pyrotechnics and show control the technique used to interconnect and synchronize two or more show systems In this extensively revised and updated second edition after three editions with the previous title Control Systems for Live Entertainment Huntington draws on more than three decades of experience in the field and classroom to clearly explain what goes on behind the scenes and inside the machines that bring bold performances to life in real world settings

I'm Still Standing Mel Carnegie,2013 In I m Still Standing Mel Carnegie vividly recounts how she has fought adversity since childhood beginning with the death of her father when she was just four years old and culminating with the discovery that her ten year marriage had been nothing but a sham She now believes that the man she called her soulmate was a sociopath Sociopaths or psychopaths as they are also known live and breathe among us They have no conscious No empathy No remorse And there is no easy way to tell them apart from other people Sociopaths are expert manipulators and they are real not just the fantasy of some Hollywood filmmaker They look normal and they sound normal Typically they come across as being charming charismatic and the life and soul of the party But underneath the mask they are nothing but predators searching for people and situations that will give them their next hit whatever that might be money status sex a fa ade of credibility They see other people as nothing more than providers who usually don t notice what they re doing until it s too late Leaving trails of chaos confusion and destruction behind them they ll simply move straight on to their next willing target without even a backwards glance When Mel discovered the truth about the man she called her soulmate she pulled on all her life experiences to make sense of an unimaginable mess and fight her way back to life and to ultimate victory Here she shares her journey with candid and often brutal honesty in the hope that she can help others recognise and escape the clutches of emotional abuse This is her heart rending and ultimately inspirational story

The Rise of Open Source Licensing Mikko Välimäki,2005 LAW OF COPYRIGHT, SECOND EDITION DAS, JATINDRA KUMAR,2021-02-01 The book attempts to critically analyse the cases on the law of copyright as well as statutory provisions of law of copyright When the first edition of the book was published in 2015 there was no readable and dependable book for the general reader interested to be acquainted with the changing features of the law of copyright immediate after the enactment of the Copyright Amendment Act 2012 Since the publication of this book the Finance Act 2017 has introduced Appellate Board in place of Copyright Board as well as the Supreme Court and High Courts in India have also delivered a large number of judicial decisions on the law of copyright In this edition the author has surveyed all such Courts decisions and analysed them and inserted them in appropriate places of the book and also examined the impact of the Appellate Board It presents not only the provisions of the Copyright Act 1957 in the form of a normative but points out the changes made thereon by formal amendments as well as conflicts of law which have been settled by judicial interpretations The book is divided into ten chapters Chapter 1 is introductory while Chapters 2 and 3 discuss the origin and development of law of copyright at international as well as national level The most important debatable issue in copyright law is works in which

copyright subsists and the Chapter 4 is devoted to this aspect Chapter 5 explores various issues relating to author of work owner of copyright and recognised rights of copyright owner The terms of copyright licensing of copyright international copyright and registration of copyright are the subject matter of Chapter 6 while rights of broadcasting organisation and of performers neighbouring rights are the subject matter of Chapter 7 Internet is the greatest communication medium of the contemporary era and there is an inherent link between law of copyright and internet Therefore Chapter 8 is devoted to discuss various issues relating to protection of copyright in internet While Chapter 9 demonstrates the law relating to infringement of copyright and defences of copyright liability Chapter 10 the concluding chapter discusses the enforcement of copyright in India in detail Though the book is designed for the undergraduate and postgraduate students of Law it will be equally beneficial for the researchers academicians jurists lawyers judges as well as members of civil society

Netherhall Gardens Full Circle

Carl Patrick, 2013-09-01 The third and final part of the Netherhall Gardens trilogy brings the adventure to a thrilling conclusion as Mark our young handsome and sexually liberated hero becomes the target of a stalker But when infatuation turns to insanity and insanity to murder and the police including our hero's leather loving boyfriend are at full stretch it only takes a momentary lapse in concentration for someone to fall easy prey Meanwhile with the residents of Netherhall all on notice to vacate their home there are dire consequences when the key witness in the latest murder investigation explores the shadowy underworld of Hampstead Heath people's lives are forever changed as further secrets are revealed and good fortune for some proves to be a curse for others With police forces across London and the South East mobilised in a coordinated effort to hunt down the perpetrators of this latest wave of murders abduction and mayhem how will the residents and their friends fare this time as the clock ticks down and the story turns full circle

Charlotte de La Trémoille, the

Notorious Countess of Derby Sandy Riley, 2018-01-23 A Parliamentarian described his feelings towards Charlotte de La Trémoille when he wrote in the journal the Parliamentary Scout three women ruined the Kingdom Eve The Queen and the Countess of Derby This historical biography uses the letters found in the Chateau at Thouars and preserved in the French National Archive in Paris to piece together an account of her ideas and actions Eyewitness writings are used to describe her activities during the siege by Parliamentary forces of the Royalist Lathom House Following the end of the siege she was exiled to the Isle of Man A Huguenot Charlotte lived at a time of religious and political upheaval in both France and England She was related by birth and marriage to European royalty and aristocracy She was the only woman sequestered by the Parliament of Oliver Cromwell and King Charles II promised her the position of Governess to his children

Artistic License

Brooke Allen, 2004-07-27 Ms Allen goes on to show how the incendiaries of the eighteenth and nineteenth centuries were in real terms far more daring and more disturbing to the moral and ideological systems of their time than is the modern mutineer who stages his rebellion within a social framework that condones or at least pretends to condone rebellion In incisive essays she considers such liberators as Pepys Sterne Boswell Sheridan Jane Austen Hans Christian Andersen Byron Hawthorne Thackeray Wilkie Collins Bram Stoker L Frank Baum Sinclair Lewis and William Saroyan She finds it surprising that so many writers held on to artistic rectitude in the face of all but insuperable personal failings Jacket
