As For Me My Prayer A Commentary On The Daily Prayers:

As for Me -- My Prayer Nissan Mindel,1977 *A Study of Jewish Worship: from Sacrificial Cult to Rabbinic Benedictions and Prayers* Dr. Martin Sicker,2022-10-19 Judaism the origin of which dates from the rejection of polytheism by the patriarch Abraham nearly four thousand years ago is committed to the worship of the one and only God In the course of that long period of devotion the character of that worship has evolved from a primitive form to progressively more sophisticated approaches necessitated by historical circumstances The present study is concerned primarily with the original concept of worship of the divine in the form of a sacrificial cult conducted by a priestly hierarchy as described in the biblical Pentateuch and the later transition to a democratized form of verbal worship conducted by the laity in a synagogue or by the individual in one's home as described in the rabbinic literature One of the significant difficulties encountered in such a study is the translation of biblical and rabbinic Hebrew texts into English which employs terminology such as worship and prayer terms which have no reliable biblical or rabbinic Hebrew equivalent Accordingly the common equation of worship in the general sense of reverence paid to a god with prayer in the more precise Jewish sense of supplication or petition can be misleading Indeed prayer understood in the latter sense constitutes a rather small segment of the voluminous liturgy of Jewish worship much of which is drawn directly from Scripture whereas prayer as petition both formal and personal is primarily the product of individuals confronting a variety of challenges to their and their coreligionists social and physical wellbeing The principal focus of this study is on prayer understood in the latter sense which is traditionally interconnected with benedictions intended to give hope to those petitioning for divine beneficence **As for Me-- My Prayer: Daily prayers** Nissan Mindel,1984

Pondering the Imponderable Martin Sicker,2010-03-25 *Pondering the Imponderable* explores the philosophical and theological problems of God and their implications from a Judaic perspective including the attempts at knowing the unknowable and naming the unnamable that have been articulated over the course of some two millennia as well as how the chasm between man and God is bridged through revelation and the implications of these ideas for the ultimate question of what takes place after death resurrection immortality of the soul or transmigration or reincarnation In discussing these issues the non specialized reader will be introduced to the vast corpus of rabbinic literature written over a period of some two millennia to the present day and to many works that have never been translated into English

The Comprehensive Unabridged Henry's Commentary on the New Testament ... Matthew Henry, 1870 **A Commentary on the Book of Psalms** Saint Robert Bellarmine, Aeterna Press, The Book of Psalms even if it is properly speaking the third part of the Old Testament as Our Lord says in Luke 24:44 all things must needs be fulfilled which are written in the law of Moses and in the prophets and in the psalms concerning me nevertheless is also a sort of summation or as it were a compendium of all of Sacred Scripture. For the Book of Psalms contains accounts from sacred history as is evident from Psalms 77, 103, 104 and others; it contains many very plain prophetic oracles as is evident from Psalms 2, 21, 44, 60 and others; it contains laws and precepts as is evident in Psalm 118; it contains hagiographa in almost all the Psalms that is exhortations to virtue, discouragement from vice, threats, promises, examples, remedies for vices, divine praises, prayers to God in short a complete natural moral and supernatural theology.
