As It Was Pleasures Landscapes And Justice:

As it was Sybille Bedford, 1992-01-01 *Reading the Legal Case* Marco Wan, 2012 The Legal Case Cross Currents in Law and the Humanitiesre examines the seemingly familiar notion of a legal case by exploring the histories practices conventions and rhetoric of case law The doctrine of stare decisis whereby courts are bound by precedent cases underpins legal reasoning in the common law world At the same time the legal case is itself a product of institutional and linguistic practices and raises broader questions about the foundations and boundaries of law The idea of the case as an ordered closed narrative with a determinate outcome is for example integral to medical psychoanalytic as well as forensic discourses whilst the notion of the strange case is a popular one in the English fiction of the late nineteenth century What is at stake in the attempt to categorise or define a situation as a legal case Is the notion of binding precedent in case law really distinctive to the common law And if so why What can the concept of a case in other disciplines and discourses tell us about how it operates in law With contributions from legal philosophers legal historians literary critics and linguists this book moves beyond the jurisprudential discussion of the nature and authority of the legal case as it draws on insights from philosophy m linguistics narratology drama and film **A Matter of Obscenity** Christopher Hilliard, 2023-09-26 A comprehensive history of censorship in modern Britain For Victorian lawmakers and judges the question of whether a book should be allowed to circulate freely depended on whether it was sold to readers whose mental and moral capacities were in doubt by which they meant the increasingly literate and enfranchised working classes The law stayed this way even as society evolved In 1960 in the obscenity trial over D H Lawrence s Lady Chatterley s Lover the prosecutor asked the jury Is it a book that you would even wish your wife or your servants to read Christopher Hilliard traces the history of British censorship from the Victorians to Margaret Thatcher exposing the tensions between obscenity law and a changing British society Hilliard goes behind the scenes of major obscenity trials and uncovers the routines of everyday censorship shedding new light on the British reception of literary modernism and popular entertainments such as the cinema and American style pulp fiction and comic books He reveals the thinking of lawyers and the police authors and publishers and politicians and ordinary citizens as they wrestled with questions of freedom and morality He describes how supporters and opponents of censorship alike tried to remake the law as they reckoned with changes in sexuality and culture that began in the 1960s Based on extensive archival research this incisive and multifaceted book reveals how the issue of censorship challenged British society to confront issues ranging from mass literacy and democratization to feminism gay rights and multiculturalism Notes from Elsewhere Monique Layton, 2011-11-22 Notes from Elsewhere Travel and Other Matters follows author Monique Laton a trained anthropologist through some of lifes familiar experiences introduction to new cultures the pitfalls of language regret for the past and various types of travel She shares her experiences and adventures in some of the planets most interesting places in colorful detail From her childhood in Morocco to a time tinged with loneliness and isolation as she worked in mental hospitals and prisons

she kept an open mind and heart She survived both the artificial ephemeral culture of international conferences and attempts to create a semblance of a normal life while living abroad As an academic Layton confronts the problems of cultural disconnection as they occur in life and travel and briefly considers what the future might hold for the elderly As an anthropologist she is able to provide context and insight into everyday occurrences As an immigrant she draws on her own experience to describe the staggered stages of assimilation Common to all travels journeys voyages and sojourns is the search for the familiar This search is Monique Layton's major contribution Elsewhere for her is caught in a web of memory a rich mélange of philosophical musings and literary allusions Her text is part ethnography and part gentle mockery as if surprised by her own presence in her varying realities All this adds up to considerable reading pleasure Elvi Whittaker PhD LLD professor emerita University of British Columbia author of *A Baltic Odyssey* *The Mainland* *Haole* and *The Silent Dialogue*

The Trial of a Nazi Doctor Andrew Wisely, 2024-05-01 *The Trial of a Nazi Doctor* examines the life of Franz Bernhard Lucas 1911 1994 an SS camp doctor with assignments in Auschwitz Mauthausen Stutthof Ravensbrück and Sachsenhausen Covering his career during the Third Reich and then his prosecution after 1945 especially in the Frankfurt Auschwitz trial Andrew Wisely explores the lies obfuscations misrepresentation and confusions that Lucas himself created to deny distract from or excuse his participation in the Nazi's genocidal projects By juxtaposing Lucas's own testimonies and those of a wide range of witnesses former camp inmates and Holocaust survivors friends colleagues and relatives and media observers Wisely provides a nuanced study of witness testimonies and the moral identity of Holocaust perpetrators Rebel Angel Padraig Rooney, 2025-04-15 Annemarie Schwarzenbach was one of the twentieth century's most remarkable women possibly the greatest sexual and political radical of the 1930s But until now she's been largely ignored Born to a wealthy family in Switzerland as a teenager she rebelled against her domineering pro-Nazi mother She immersed herself in the antifascist queer and artistic circles of the German diaspora of the 1930s Her edgy glamour and androgynous beauty turned heads in the lesbian nightclubs of Weimar Berlin on the ski slopes of St Moritz and in New York's luxury hotels and jazz bars Constantly on the move Annemarie chronicled the low and dishonest decade leading to war through her unique journalism writing and photography Her work was as adventurous and uncompromising as her personal life and reveals a deep courage intelligence and ambition tragically curtailed by her untimely death **When True Love Came to China** Lynn

Pan, 2015-11-01 *The Guardian's Best Books of 2015* Most people suppose that the whole world knows what it is to love that romantic love is universal quintessentially human Such a supposition has to be able to meet three challenges It has to justify its underlying assumption that all cultures mean the same thing by the word love regardless of language It has to engage with the scholarly debate on whether or not romantic love was invented in Europe and is uniquely Western And it must be able to explain why early twentieth century Chinese writers claimed that they had never known true love or love by modern Western standards By addressing these three challenges through a literary historical philosophical biographical and above all

comparative approach this highly original work shows how love's profile in China shifted with the rejection of arranged marriages and concubinage in favour of free individual choice monogamy and a Western model of romantic love This book Lynn Pan's best to date adds a wonderful new angle by encouraging us via comparison to better appreciate how unusual even in some ways exotic a part of the Western past we take for granted as though it were natural actually is While the reader will learn a great deal about Chinese literary and cultural traditions from this book if read with an open mind the Western reader may end up rethinking things about his or her tradition just as deeply Jeffrey N Wasserstrom Chancellor's Professor of History University of California at Irvine Nobody writes about China quite as brilliantly as Lynn Pan who in this new illuminating work on love showcases her trademark erudition entwined with a novelist's sensibility Pan's rare skill makes the book a treat from start to finish a sumptuous deft and moving analysis of China's relationship with love Mishi Saran author of *Chasing the Monk's Shadow A Journey in the Footsteps of Xuanzang and The Other Side of Light* International Who's Who of Authors and Writers 2004 Europa Publications, 2003 Accurate and reliable biographical information essential to anyone interested in the world of literature The International Who's Who of Authors and Writers offers invaluable information on the personalities and organizations of the literary world including many up and coming writers as well as established names With over 8 000 entries this updated edition features Concise biographical information on novelists authors playwrights columnists journalists editors and critics Biographical details of established writers as well as those who have recently risen to prominence Entries detailing career works published literary awards and prizes membership and contact addresses where available An extensive listing of major international literary awards and prizes and winners of those prizes A directory of major literary organizations and literary agents A listing of members of the American Academy of Arts and Letters

Landscape John Wylie, 2007-08-07 Landscape is a stimulating introduction to and contemporary understanding of one of the most important concepts within human geography A series of different influential readings of landscape are debated and explored and for the first time distinctive traditions of landscape writing are brought together and examined as a whole in a forward looking critical review of work by cultural geographers and others within the last twenty to thirty years This book clearly and concisely explores landscape theories and writings allowing students of geography environmental studies and cultural studies to fully comprehend this vast and complex topic To aid the student vignettes are used to highlight key writers papers and texts Annotated further reading and student exercises are also included For researchers and lecturers Landscape presents a forward looking synthesis of hitherto disparate fields of inquiry one which offers a platform for future research and writing

and economy There is really no one to match her an enthusiast for farm to fork eating and a well seasoned enthusiast with a peerless palate she has always been both a repository of tradition and yet always ahead of her time I bow down before her Nigella Lawson **Whitaker's Book List** ,1991 The People's Own Landscape Scott Moranda,2014-01-21 An exploration of East German tourist practices of the 1970s and 1980s provides new insight into the country s environmental politics

Bimonthly Review of Law Books ,1990 **Unspeakable** Rachel Hope Cleves,2020-12-08 The sexual exploitation of children by adults has a long fraught history Yet how cultures have reacted to it is shaped by a range of forces beliefs and norms like any other social phenomenon Changes in how Anglo American culture has understood intergenerational sex can be seen with startling clarity in the life of British writer Norman Douglas 1868 1952 who was a beloved and popular author a friend of luminaries like Graham Greene Aldous Huxley and D H Lawrence and an unrepentant and uncloseted pederast Rachel Hope Cleves s careful study opens a window onto the social history of intergenerational sex in the nineteenth and twentieth centuries revealing how charisma celebrity and contemporary standards protected Douglas from punishment until they didn t Unspeakable approaches Douglas as neither monster nor literary hero but as a man who participated in an exploitative sexual subculture that was tolerated in ways we may find hard to understand Using letters diaries memoirs police records novels and photographs including sources by the children Douglas encountered Cleves identifies the cultural practices that structured pedophilic behaviors in England Italy and other places Douglas favored Her book delineates how approaches to adult child sex have changed over time and offers insight into how society can confront similar scandals today celebrity and otherwise *British Book News* British Council,1990 Includes no 53a British wartime books for young people

British Book News ,1990 *Landscapes of Affect and Emotion* ,2021-10-25 The volume Landscapes of Affect and Emotion maps out the current approaches on emotion and affect in environmental humanities and interdisciplinary landscape studies It discusses the contemporary emotional turn in humanities and its relation to space place and landscape Emotions and affects are addressed from three main angles representation and symbolic landscape place experience and lifeworlds and landscape as an embodied set of practices These are studied in terms of the changing human nature relationship focusing on politicisations and contestations of landscape as well as boundaries and hybridity between culture and nature
