The church has two main aspects universal and local The church is constituted of the universal God but it exists on earth in many localities in nature the church is universal in God but in practice the church is local in a definite place Without the universal aspect the church is void of content without the local aspect it is impossible for the church to have any expression and practice The genuine oneness is the Triune God who as the Spirit today is being added to us and is permeating us taking us over and filling us Only the Triune God is the factor of the genuine oneness The ground of oneness is simply the processed Triune God applied to our being In Psalm 133 the fine oil referring to the holy anointing oil in Exodus 30 23 33 signifies the all inclusive compound Spirit This anointing Spirit is the element of our oneness when the compound Spirit applies Himself to us and spreads over and in our entire being in a gradual way He makes us genuinely one If we want to have the recovery of the church we must have a clear revelation concerning the three most basic essential and crucial statuses of the church as the Body of Christ as the new man and as the counterpart of Christ The Body is the issue of the headship of Christ Christ as the One who fills all in all needs His Body to be His fullness the expression of the Head cf Eph 1 22 23 For the building up of the Body of Christ we need to practice the scriptural way to meet and to serve the God ordained way revealed in the holy Word The new man is Christ in all the saints This indwelling Christ permeates and replaces us to remove all natural distinctions and to constitute everyone with Himself In order for us to experience the reality of Christ being all the members of the new man we need to take Christ as our life and our person and live Him not ourselves The one new man fulfills God's eternal purpose of expressing God and dealing with His enemy The church as the Body of Christ and the one new man will become the bride the counterpart of Christ The Lord will return for His bride The church the counterpart of Christ as typified by Eve is a pure product out of Christ built out of the uncreated life released by Christ through His death and resurrection Only those who are regenerated of Christ and who live by Christ as the church can match Christ and complement Him In the New Jerusalem the processed and consummated redeeming Triune God as the universal Husband will live a married life for eternity with this redeemed regenerated transformed and glorified corporate person as His wife This will be the consummation of the universal divine romance The Announcements section of this issue contains a list of upcoming conferences and trainings hosted by Living Stream Ministry and a website link for information related to similar events in Europe

Report of the Secretary of Agriculture United States. Department of Agriculture, 1889 Four Books of Rates (1507, 1536/45, 1558, 1604) Stuart Jenks, 2024-08-12 These Books of Rates list for the use of English customs officials the official values of hundreds of products commonly traded overseas in the sixteenth century What goods needed to be listed and what their official valuations were held to be had been the subject of wary negotiations between the crown and the Merchants Adventurers These lists thus offer us four snapshots of the shape of English foreign trade But that is not all Unbeknownst to all previous scholars the 1536 45 and 1558 Books of Rates were translated into German in 1558 60 for the use of Hanseatic diplomats haggling with the crown about customs rates These translations reflect Hanseatic commercial

interests in trade with England in a word the shape of the Hanse's trade with England The subject indices structured to function as a glossary will serve as a glossary for all scholars working on the economic history of the sixteenth century

The House of Returned Echoes Arnost Lustig, 2001-06-27 Arnost Lustig's fiction has always been too close to the facts for comfort In *The House of Returned Echoes* he pays tribute to the life of his father who died in Auschwitz in 1944 In Prague in the difficult time between the wars a man fights to keep his family and his business alive despite anti-Semitism and economic hardship Emil Ludvig has always relied on the simple rules of his family and the basic laws of civilization to counteract his misfortunes and being a decent man himself he refuses to believe that the Nazi threats will be carried out Yet he also becomes a victim of the camps and his story resonates with both Lustig's personal experiences and the shared memories of the Holocaust
