## **Asian Development Outlook 1996 And 1997:**

**Asian Development Outlook**, 2001      **South Asian Economic Development** Moazzem Hossain, Iyanatul Islam, Reza Kibria, 1999 The notion that South Asian economies have tended to be less successful than those of East Asia is critically examined and the reasons why discussed Countries covered include Pakistan India Bangladesh and Sri Lanka Key issues examined agriculture and rural development labour market and human resource development trade and industry policies foreign investment and technological capabilities foreign aid and economic development financial development and economic performance poverty inequality and economic development regional economic co operation green development      **The End of the "Asian Model"**? Holger Henke, Ian Boxill, 2000-03-15 With the economic crisis in Asia which unfolded in recent years the development model on which the phenomenal earlier success of several countries in the region was built requires increasing scrutiny This anthology questions the validity of the notion promoted by some observers and international financial organizations that there is a universally applicable model of industrialization common to Asian countries A number of senior and highly regarded Asia specialists are taking a critical look at the various development experiences of several and some often neglected Asian countries and evaluate their experiences in a comparative perspective Comparing the analyses of countries such as Mongolia the Pacific Islands or Sri Lanka with Singapore South Korea and other countries of the region leads the editors of this volume to the conclusion that the fashionable talk about a model is not justified and that the picture is much more complex      **Asian Development Outlook 1995 and 1996** Asian Development Bank, 1995 This book is the 1995 6 edition of the Asian Development Bank's annual survey of economic progress in its developing member countries in Asia and the Pacific First published in 1989 the Outlook provides a comprehensive yet concise review of recent economic developments and current issues Economic trends and medium term prospects for the region are discussed against a background of development in the world economy      **U.S. Direct Investment in China** Kwok Chiu Fung, Lawrence J. Lau, Cheng Li, 2004 This book sheds light on the trends characteristics motives and policy implications of U S direct investment in China      **Economic Growth and Employment in Vietnam** David Lim, 2014-03-21 Vietnam has enjoyed significant economic success since the implementation of its doi moi reforms including rapid growth in GDP exports and foreign and domestic investment and a shedding of poorly performing state owned enterprises Despite this however the economic situation for many ordinary people in Vietnam is fragile with income only just above the poverty line and high unemployment especially among the young In addition inflation is high and the state owned sector is still large much of it still performing badly This book provides a comprehensive overview of the current economic situation in Vietnam It outlines the state of the economy paying special attention to employment discusses government policies including on trade and integration with the global economy and concludes by assessing the key challenges facing Vietnam's economy going forward      *Unplanned Development* Jonathan Rigg, 2012-10-11 Unplanned Development offers a fascinating and fresh view into the

realities of development planning While to the outsider most development projects present themselves as thoroughly planned endeavours informed by structure direction and intent Jonathan Rigg exposes the truth of development experience that chance serendipity turbulence and the unexpected define development around the world Based on rich empirical sources from South East Asia *Unplanned Development* sustains a unique general argument in making the case for chance and turbulence in development Identifying chance as a leading factor in all development planning the book contributes to a better way of dealing with the unexpected and asks vital questions on the underlying paradoxes of development practice

Regionalism in East Asia Fu-kuo Liu,Philippe Regnier,2013-10-18 Regional cooperation and integration have emerged as key issues for East Asia following the financial crisis This book explores these issues and examines the degree to which a new paradigm is emerging It reviews the evolution of the concepts and practices of regionalism in East Asia and considers the factors which are shaping new patterns of regional co operation and integration It includes discussions of historical developments economic co operation socio political factors and defence and security It considers the role of those states including China and Japan which have distinctive approaches to international relations and assesses the role of regional international bodies such as ASEAN Critical Junctures in Mobile Capital Jocelyn Pixley,Helena Flam,2018-03-08

Investigates relationships between sovereign states and banks and their conflicts over the creation of money in government debt and mobile capital **Liberalization, Growth, and the Asian Financial Crisis** Mohamed Ariff,Ahmed M.

Khalid,2000-01-01 This work examines the effects of financial liberalization of the more advanced economies in Southeast Asia and analyses the degree to which emerging and transitional economies in East and South Asia can benefit from this example *International Migration in Southeast Asia* Kwen Fee Lian,Md Mizanur Rahman,Yabit bin Alas,2015-10-24 This book is a collection of work by migration scholars and researchers who are actively conducting fieldwork in Southeast Asia It presents a wide variety of current research and approaches the field of international labor migration from a regional perspective acknowledging that the migration process goes beyond local and national boundaries and is embedded in regional and global interconnections The chapters capture the complexity and richness of the migration phenomenon and experience which manifests itself in a multitude of ways in a region well known for its diversity The collection highlights the continuities and discontinuities in the linkages that have been forged through the movement of people between sending and receiving societies Such linkages are explained by distinguishing between migration that has been sustained by a colonial past and migration that has been precipitated by globalization in the last two decades The diversity of issues in the region covered by this volume will encourage a rethink of some of the conventional views of migration scholarship and result in a more critical reflection of how we approach migration research China's Economy And The Asian Financial Crisis East Asian Institute,1998-05-13 The Asian financial crisis has grown and spread But China is the one economy in the Asia Pacific region that has remained apparently unaffected by the present financial turmoil Will China s financial sector be the next

domino to fall These papers will address this question by examining various pros and cons together with their backgrounds

**Banking on the Future of Asia and the Pacific** Peter McCawley, 2017-07-01 This book is a history of the Asian Development Bank ADB a multilateral development bank established 50 years ago to serve Asia and the Pacific Focusing on the region s economic development the evolution of the international development agenda and the story of ADB itself this book raises several key questions What are the outstanding features of regional development to which ADB had to respond How has the bank grown and evolved in changing circumstances How did ADB s successive leaders promote reforms while preserving continuity with the efforts of their predecessors ADB has played an important role in the transformation of Asia and the Pacific over the past 50 years As ADB continues to evolve and adapt to the region s changing development landscape the experiences highlighted in this book can provide valuable insight on how best to serve Asia and the Pacific in the future

**Handbook of Global Economic Policy** Stuart Nagel, 2019-02-21 Written by over 20 leading international economists this book offers win win scenarios to economic problems As in the other volumes of this set of public policy handbooks the Handbook of Global Economic Policy employs a unique organizational principle from viewing economic problems from conservative and liberal perspectives to developing practical non ideological solutions to the problems and finally testing the solution s feasibility in terms of economic administrative political psychological legal international and technological obstacles The authors confront conventional wisdom about tradeoffs between unemployment and inflation economic growth and displaced workers and c

**Economies in Transition** Ian Jeffries, 2002-09-26 First Published in 2004 This remarkable book continues the work begun by Ian Jeffries in *Socialist Economies and the Transition to the Market A Guide* 1993 and *A Guide to the Economies in Transition* 1996 Focusing on China Cuba Mongolia North Korea and Vietnam Jeffries provides an extensive guide to countries in a state of economic flux Analysing major political as well as economic events in these five countries the author also looks at issues such as the impact of the Asian financial crisis The work covers the period from the mid 1990s to the turn of the century and presents a clear detailed and accessible breakdown of the developments in each country Providing a unique level of coverage this book will be an invaluable source of reference for anyone interested in transitional and developing countries This book is the first of a projected three volumes The forthcoming titles are *The Countries of Eastern Europe at the Turn of the Twenty First Century A Guide to Economies in Transition* and *The Countries of the Former Soviet Union at the Turn of the Twenty First Century A Guide to Economies in Transition*
