Asian Americans In Transition:

Asian American Literature in Transition, 1930-1965: Volume 2 Victor Bascara, Josephine Nock-Hee Park, 2021-06-17 Leading scholars provide illuminating and engaging perspectives on a long neglected yet incredibly eventful period 1930 1965 of Asian American literature

Asian American Literature in Transition, 1996-2020: Volume 4 Betsy Huang, Victor Román Mendoza, 2021-06-17 This volume examines the concerns political literary and identity based of contemporary Asian American literatures in neoliberal times

Asian American Literature in Transition, 1965-1996: Volume 3 Asha Nadkarni, Cathy J. Schlund-Vials, 2021-06-17 This volume traces the formation of the Asian American literary canon and the field of Asian American Studies from 1965 1996 It is intended for an academic audience ranging from advanced undergraduate students to scholars from a variety of disciplines interested in the formation of Asian American literary studies from 1965 1996

Asian Americans in Transition Stanley Karnow, Nancy Yoshihara, 1992

Asian Americans Pyong Gap Min, 2006 Compared to many existing texts on this subject which tend to take a rather historical approach this book focuses on more contemporary Asian experiences Thus Min has provided a new tool for those of use who have looked for adequate material to teach current Asian American trends in advanced undergraduate courses in the sociology of race as well as in ethnic studies Encompassing a variety of perspectives from prominent scholars makes this book a valuable device to examine the less visible aspects of Asian Americans lives Students and educators alike would certainly benefit from diligent study of this text

TEACHING SOCIOLOGY reviewed October 2006 by Etsuko Maruoka SUNY Stony Brook Offering a broad overview of the Asian American experience Asian Americans provides an accessible resource for all students interested in the expanding and important Asian American population While historical information is provided for each group the main focus is on the variables and issues that impact Asian American life today The scholars who author the chapters look at topics such as labor force participation and economic status educational achievements intermarriage intergroup relations and settlement patterns Photo essays help to enhance the presentations

Key Features Covers the Asian American population as a whole as well as individual ethnic groups i e Korean Americans Indian Americans etc Covers theories as well as providing sociological data to illustrate issues for Asian Americans as a whole and as individual groups Visual essays on the following topics provide powerful illustrations of the text content Filipino Americans Japanese Americans Korean Americans Chinese Americans South Asian Americans Southeast Asian Americans Economic Adaptation Second Generation Experiences Updated to not only include information derived from 2000 Census data but also has a focus on the second generation experience

Diversity and the Transition to Adulthood in America Phoebe Ho, Hyunjoon Park, Grace Kao, 2022-08-02 What does it mean to become an adult in the face of economic uncertainty and increasing racial and immigrant diversity Nearly half of all young people in the United States are racial minorities and one in four are from immigrant families Diversity and the Transition to Adulthood in America offers a comprehensive overview of young people across racial and immigrant groups and

their paths through traditional markers of adulthood from finishing education working full time and establishing residential independence to getting married and having children Taking a look at the diversity of experiences the authors uncover how the transition to adulthood is increasingly fragmented especially among those without college degrees This book will introduce students to immigrant racial and ethnic diversity in the transition to adulthood in contemporary America **Asian Americans and the Media** Kent A. Ono, Vincent N. Pham, 2009-01-20 This volume provides an overview of the complex relationship between Asian Americans and the media It looks at the involvement of Asian Americans in the media industries and how alternative and independent media counteract traditional stereotypes **Transition and Change in Collectivist Family Life** Karen Mui-Teng Quek, Shi-Ruei Sherry Fang, 2017-03-23 This research to practice volume grounds clinicians in a robust culturally informed framework for conducting effective therapy with Asian American couples families and individuals Family cultural social and spiritual dynamics are explored across ethnicities generations relationships and immigrant citizen experience to reflect a diverse growing population Discussion and case examples focus on contrasts conflicts and balances involved in acculturation and change notably the shift from collectivist cultural tradition to a more independent view of the self gender choices and relationships The contributors finely shaded guidance and accessible approach will help therapists provide appropriate services for Asian American clients without minimizing or pathologizing their experiences Included in the coverage How Asian American couples negotiate relational harmony collectivism and gender equality Through religion working class Korean immigrant women negotiate patriarchy The role of Chinese grandparents in their adult children s parenting practices in the United States Balancing the old and the new the case of second generation Filipino American women Bicultural identity as a protective factor among Southeast Asian American youth who have witnessed domestic violence Transition and Change in Collectivist Family Life is a cogent clinical resource for practitioners and mental health professionals with interests in Asian American family therapy psychotherapy collectivism and faith based community and counseling Mobilizing an Asian American Community Linda Trinh Võ, 2004 Focusing on San Diego in the post Civil Rights era Linda Trinh V examines the ways Asian Americans drew together despite many differences within the group to construct a community that supports a variety of social economic political and cultural organizations Using historical materials ethnographic fieldwork and interviews Linda Trinh V traces the political strategies that enable Asian Americans to bridge ethnicity generation gender language and class differences among others She demonstrates that mobilization is not a smooth linear process and shows how the struggle over ideologies political strategies and resources affects the development of community organizations V also analyzes how Asian Americans construct their relationship with Asia and how they forge relationships with other racialized communities of color V argues that the situation in San Diego illuminates other localities across the country where Asians face challenges trying to organize find sufficient resources create leaders and define strategies Emerging Voices Huping Ling, 2008 While a growing number of popular and scholarly works focus on Asian

Americans most are devoted to the experiences of larger groups such as Chinese Japanese Korean Filipino and Indian Americans This book presents discussion of underrepresented groups including Burmese Indonesian Mong Hmong Nepalese Romani Tibetan and Thai Americans Transitions Stuart Karabenick,Tim Urdan,2012-11-14 Focuses on the Transitions that take place at major points of potential discontinuity in students developmental trajectories and across contexts at a given time point In this title development literature has examined how children s motivation and achievement are affected by the shift from pre school to school SANACS Journal 2010:1 Russell Yee,2010-08-08 This issue of the SANACS Journal is a collection of the seminars and panels from the Asian American Equipping Symposium jointly sponsored by ISAAC Southern California and Fuller Theological Seminary in Pasadena CA Nov 4 5 2009 *Improving School-to-Work Transitions* David Neumark,2007-01-09 As anxieties about America s economic competitiveness mounted in the 1980s so too did concerns that the nation s schools were not adequately preparing young people for the modern workplace Spurred by widespread joblessness and job instability among young adults the federal government launched ambitious educational reforms in the 1990s to promote career development activities for students In recent years however the federal government has shifted its focus to test based reforms like No Child Left Behind that emphasize purely academic subjects At this critical juncture in education reform *Improving School To Work Transitions* edited by David Neumark weighs the successes and failures of the 90s era school to work initiatives and assesses how high schools colleges and government can help youths make a smoother transition into stable well paying employment Drawing on evidence from national longitudinal studies surveys interviews and case studies the contributors to *Improving School To Work Transitions* offer thought provoking perspectives on a variety of aspects of the school to work problem Deborah Reed Christopher Jepsen and Laura Hill emphasize the importance of focusing school to work programs on the diverse needs of different demographic groups particularly immigrants who represent a growing proportion of the youth population David Neumark and Donna Rothstein investigate the impact of school to work programs on the forgotten half students at the greatest risk of not attending college Using data from the 1997 National Longitudinal Study of Youth they find that participation by these students in programs like job shadowing mentoring and summer internships raise employment and college attendance rates among men and earnings among women In a study of nine high schools with National Academy Foundation career academies Terry Orr and her fellow researchers find that career academy participants are more engaged in school and are more likely to attend a four year college than their peers Nan Maxwell studies the skills demanded in entry level jobs and finds that many supposedly low skilled jobs actually demand extensive skills in reading writing and math as well as the new basic skills of communication and problem solving Maxwell recommends that school districts collaborate with researchers to identify which skills are most in demand in their local labor markets At a time when test based educational reforms are making career development programs increasingly vulnerable it is worth examining the possibilities and challenges of integrating career related learning into the school environment Written

for educators policymakers researchers and anyone concerned about how schools are shaping the economic opportunities of young people Improving School To Work Transitions provides an authoritative guide to a crucial issue in education reform
