## **Alliance Illinois Poems:**

*Alliance, Illinois* Dave Etter, 2005-02-28 Poems in the tradition of Sherwood Anderson's Winesburg Ohio and Edgar Lee Masters Spoon River Anthology      **Alliance, Illinois** Dave Etter, 1978 In the tradition of Sherwood Anderson's Winesburg Ohio and Edgar Lee Masters Spoon River Anthology each of the 222 poems in this collection is narrated by a different resident of the fictional small town of Alliance Illinois Their voices individual and yet familiar describe the ordered simplicity of life in the American small town during the second half of the twentieth century Dave Etter's themes and images come from the very lifeblood of prairie Illinois rivers trees cornfields wildlife county fairs railroads and always the people and the ever changing seasons Deceptively invitingly simple on their surface Etter's poems reveal upon careful examination a remarkable psychological insight and a careful craftsmanship Alliance Illinois is truly one of the great monuments of rural American literature      **Studies in Illinois Poetry** John E. Hallwas, 1989      **Greatest hits, 1960-2000** Dave Etter, 2002

**Twentieth-century Poetry** Peter Verdonk, 1993 This textbook based on extensive teaching experience makes new insights from linguistic and literary scholarship accessible to students in their daily practice of reading analysing and evaluating literary texts      *Rooted* David R. Pichaske, 2009-05 David Pichaske has been writing and teaching about midwestern literature for three decades In *Rooted* by paying close attention to text landscape and biography he examines the relationship between place and art His focus is on seven midwestern authors who came of age toward the close of the twentieth century their lives and their work grounded in distinct places Dave Etter in small town upstate Illinois Norbert Blei in Door County Wisconsin William Kloefkorn in southern Kansas and Nebraska Bill Holm in Minnesota Linda Hasselstrom in Hermosa South Dakota Jim Heynen in Sioux County Iowa and Jim Harrison in upper Michigan The writers' intimate knowledge of place is reflected in their use of details of geography language environment and behavior Yet each writer reaches toward other geographies and into other dimensions of art or thought jazz music and formalism in the case of Etter gender issues in the case of Hasselstrom time past and present in the case of Kloefkorn ethnicity and the role of the artist in the case of Blei magical realism in the case of Heynen the landscape of literature in the case of Holm and the curious worlds of academia best selling novels and Hollywood films in the case of Harrison The result Pichaske notes is the growing away from roots the explorations and alter egos of these writers of place and the tension between the here and there that gives each writer's art the complexity it needs to transcend provincial boundaries Quoting generously from the writers Pichaske employs a practical jargon free literary analysis fixed in the text making *Rooted* interesting readable and especially useful in treating the literary categories of memoir and literary essay that have become important in recent decades

**Napoleon's reliquiae [a poem]. With notes** ,1841 *The Rising of the Women* Meredith Tax,2022-04-05 How working class socialist women changed the course of American history with a foreword by labor journalist Sarah Jaffe In this landmark study Meredith Tax charts the actions of women in working class feminist and socialist movements during the first upsurge of the American labor movement From the pioneering efforts of Chicago women in the 1880s to the unprecedented New York City shirtwaist strike in 1909 to the 1912 bread and roses strike of immigrant textile workers in Lawrence Massachusetts and from the Socialist Party to the Industrial Workers of the World Tax gives us a rich narrative of women workers struggles Caught between the hostility of male trade unionists the sexism of male socialist organizers and the assumptions of middle class feminists women workers forged their own demands for economic and political justice In doing so Tax argues a unique form of socialist feminist class consciousness was created whose ripples touched the suffrage movement First published in 1980 *The Rising of the Women* is a classic of feminist labor

history presented here with a new introduction by the author and a new foreword by Sarah Jaffe      *Concordance to the French Poetry and Prose of John Gower* R. F. Yeager, Mark West, Robin L. Hinson, 2012-01-01 That the poet John Gower was a major literary figure in England at the close of the fourteenth century is no longer in question Scholarly attention paid to him and to his work over the past twenty five years has redeemed him from an undeserved obscurity imposed by the preceding two hundred The facts of his life and career are now documented and recent critical assessment has placed his achievement most accurately alongside Chaucer's Langland's and the Gawain poet's Unique among his contemporaries all of whom undoubtedly read and used French in some measure Gower alone has left us a significant body of verse and prose in Anglo Norman chiefly the twelve stanza poem *Mirour de l'Omme* the *Cinkante Balades* and the *Traiti pour les amantz marietz* We are offered in this concordance of his Anglo Norman work a unique opportunity to view a poetic language as it was written and read in England until Gower's death in 1408 and beyond      **International Who's Who in Poetry 2004** Europa Publications, 2003 Provides up to date profiles on the careers of leading and emerging poets      **Learning by Heart** Maggie Anderson, David Hassler, 1999 A collection of poems written primarily between 1970 and 1995 by contemporary American poets that recall the experiences of elementary and high school      **Door to Door** Norbert Blei, 1985      **A Place Called Home** Richard O. Davies, David R. Pichaske, Joseph Anthony Amato, 2003 2004 Minnesota Book Award Winner The Midwestern small town has long held an iconic place in American culture from the imaginings of Sinclair Lewis's *Main Street* and Sherwood Anderson's *Winesburg Ohio* to Garrison Keillor's *Lake Wobegon* But the reality is much more complex as the small town has been a study in transition from its very inception In *A Place Called Home* editors Richard O Davies Joseph A Amato and David R Pichaske offer the first comprehensive examination of the Midwestern small town and its evolving nature from the 1800s to the present This rich collection gleaned from the best writings of historians novelists social scientists poets and journalists features not only such well known authors as Sherwood Anderson Carol Bly Willa Cather Hamlin Garland Langston Hughes Garrison Keillor William Kloefkorn Sinclair Lewis Susan Allen Toth and Mark Twain but also many lesser known and exceptionally talented writers Five chronological sections trace the founding growth and decline of the Midwestern town and introductory comments illuminate its ever changing face The result is a wide ranging collection of writings on the community at the heart of America      *Selected Poetry of Louis Riel* Louis Riel, 2000-11 Luis Riel the compelling leader of the Metis hanged by Sir John A MacDonald's government in 1885 sits at the core of the Canadian national imagination Among partisans he is either a poltroon or prophet politically adept or an inept fool He was a visionary and a very interesting poet full of rancor and tenderness self pity and dignity This is the first selection of his poetry to be published in this country in both French and English      *Greece in the Balkans* Othon Anastasakis, Dimitar Bechev, Nicholas Vrousalis, 2020-07-13 This volume brings together young researchers in an interdisciplinary study of Greek interaction with other Balkan states over the past two hundred years The thirteen chapters of the volume reflect the diversity of a long and

complex relationship between Greece and its Balkan neighbours They thus shed refreshing light on its persistent attributes of opportunity and risk attraction and enmity exchange and exclusion through exploration of historical anthropological literary political and economic perspectives     **Best Sellers** ,1981
