

# Managing Alliance Conflict

Conflict Is Inevitable.  
How You Deal with It Can Be the  
Difference Between Success and Failure

By David S. Thompson, CA-AM, John R. Hayes, MD,  
and Steven E. Twaît, CSAP

Every day we manage conflict. Whether dealing with friends and relatives or coworkers and customers, we constantly resolve issues by applying the conflict management approaches and skills at our disposal. Those of us working in alliances certainly work our way through such situations frequently. While it might be part of our jobs, most people do not like to hear the word "conflict" associated with their own name. Just hearing the word is sometimes enough to make your stomach churn or your muscles tense.

## **Alliance And Conflict:**

*Warring Friends* Jeremy Pressman, 2012-11-09 Allied nations often stop each other from going to war Some countries even form alliances with the specific intent of restraining another power and thereby preventing war Furthermore restraint often becomes an issue in existing alliances as one ally wants to start a war launch a military intervention or pursue some other risky military policy while the other ally balks In *Warring Friends* Jeremy Pressman draws on and critiques realist normative and institutionalist understandings of how alliance decisions are made Alliance restraint often has a role to play both in the genesis of alliances and in their continuation As this book demonstrates an external power can apply the brakes to an incipient conflict and even unheeded advice can aid in clarifying national goals The power differentials between allies in these partnerships are influenced by leadership unity deception policy substitutes and national security priorities Recent controversy over the complicated relationship between the U S and Israeli governments especially in regard to military and security concerns is a reminder that the alliance has never been easy or straightforward Pressman highlights multiple episodes during which the United States attempted to restrain Israel s military policies Israeli nuclear proliferation during the Kennedy Administration the 1967 Arab Israeli War preventing an Israeli preemptive attack in 1973 a small Israeli operation in Lebanon in 1977 the Israeli invasion of Lebanon in 1982 and Israeli action during the Gulf War of 1991 As Pressman shows U S initiatives were successful only in 1973 1977 and 1991 and tensions have flared up again recently as a result of Israeli arms sales to China Pressman also illuminates aspects of the Anglo American special relationship as revealed in several cases British nonintervention in Iran in 1951 U S nonintervention in Indochina in 1954 U S commitments to Taiwan that Britain opposed 1954 1955 and British intervention and then withdrawal during the Suez War of 1956 These historical examples go far to explain the context within which the Blair administration failed to prevent the U S government from pursuing war in Iraq at a time of unprecedented American power

manage them     Interpartner Dynamics in Strategic Alliances T. K. Das, 2013-04-01 Interpartner Dynamics in Strategic Alliances is a volume in the book series Research in Strategic Alliances that will focus on providing a robust and comprehensive forum for new scholarship in the field of strategic alliances In particular the books in the series will cover new views of interdisciplinary theoretical frameworks and models significant practical problems of alliance organization and management and emerging areas of inquiry The series will also include comprehensive empirical studies of selected segments of business economic industrial government and non profit activities with wide prevalence of strategic alliances Through the ongoing release of focused topical titles this book series will seek to disseminate theoretical insights and practical management information that will enable interested professionals to gain a rigorous and comprehensive understanding of the field of strategic alliances Interpartner Dynamics in Strategic Alliances contains contributions by leading scholars in the field of strategic alliance research The 13 chapters in this volume cover a number of significant topics that speak to the critical issues in the interactions between partner firms in strategic alliances The chapter topics cover both the broader issues such as relational mechanisms in alliances role of interpersonal networks parental control of joint ventures conflict management interpartner diversity and multilevel embeddedness in multilateral alliances and the more focused problems of alliance competence roles of third parties accounting for partner trust relationship quality in construction alliances and how natural resources may impact alliance formation The chapters include empirical as well as conceptual treatments of the selected topics and collectively present a wide ranging review of the noteworthy research perspectives on interpartner dynamics in strategic alliances     *Alliance and Conflict* Ernest S. Burch, 2005-01-01 Alliance and Conflict combines a richly descriptive study of intersocietal relations in early nineteenth century Northwest Alaska with a bold theoretical treatise on the structure of the world system as it might have been in ancient times Ernest S Burch Jr illuminates one aspect of the traditional lives of the Iñupiat Eskimos in unparalleled detail and depth Basing his account on observations made by early Western explorers interviews with Native historians and archeological research Burch describes the social boundaries and geographic borders formerly existing in Northwest Alaska and the various kinds of transactions that took place across them These ranged from violence of the most brutal sort at one extreme to relations of peace and friendship at the other Burch argues that the international system he describes approximated in many respects the type of system existing all over the world before the development of agriculture Based on that assumption he presents a series of hypotheses about what the world system may have been like when it consisted entirely of hunter gatherer societies and about how it became more centralized with the evolution of chiefdoms Accounts of specific people places and events add an immediate experiential dimension to the work complementing its theoretical apparatus and sweeping narrative scope Provocative and comprehensive Alliance and Conflict is a definitive look at the greater world of Native peoples of Northwest Alaska     **The Greek-Turkish Relationship and NATO** Dr Fotios Moustakis, 2004-11-23 This publication shows that the

Eastern Mediterranean having been transformed from a region of secondary importance during the Cold War to one of greater importance for the western interests in the post Cold War era is in a state of flux Despite sporadic periods of rapprochement tensions between Greece and Turkey still exist Therefore one must question the grounds behind the lack of normal relations that exist between these two NATO members and its effects on the NATO organisation as a whole Hence this volume has two purposes first to examine Greek and Turkish foreign security and defence policies during and after the post Cold War period and second to investigate why these policies have been formulated
